 Mr. O. M. Seim of Bradford with members of his family and Miss Ethel Hunt, teacher at Gilford, spent a couple of days recently with friends and relatives here.  
 Mr. and Mrs. Sythes of Inglewood spent a day recently with the Sim family.  
 Rev. J. W. Hunt and family of Winona came up Saturday and spent a couple of days with his relatives here.  
 Rev. G. S. Scott and family of Fenwick spent Friday and part of Saturday of last week in the village.

Mr. George Fenton has removed the old stable from his lot and intends erecting a new building to be used as a garage and storehouse. This old building was erected by the late Peter Dickson over forty years ago and removes one of the old landmarks of the village.  
 Mr. Harold Baird of Elbow, Sask., and formerly of this village spent part of Tuesday in the village.  
 Born.—On Tuesday, June 8, to Mr. and Mrs. George Mowbray, a son.  
 Rev. W. Johnston is attending the Presbyterian Assembly in Montreal this week.  
 Miss Cora Richardson of Proton Station spent Sunday at her home here.

A number from here attended services at Hopeville on Sunday morning and enjoyed a good sermon preached by Mr. R. Paton. All from here delight to hear Mr. Paton preach, as he is a local favorite.  
 Mr. and Mrs. D. McDonald of Toronto are visiting with Mr. and Mrs. William Hay.  
 Four cans of trout fry landed here and were put in the streams that lead to the Sauguen, so in a few years, there will be an abundance of fish to catch on prohibited property.  
 Mrs. Alex. Richardson is, we are sorry to say, under the doctor's care and will be confined in the house for a couple of weeks.

 The weather the past week has been quite cool but ideal for growth, and the spring grain and hay are looking wonderful and are quite well advanced for the amount of time since the good weather started. And the winter long and spring late, things are looking wonderful, the country clothed in green and the fruit trees in blossom are sure the beauties of nature.  
 Mr. M. Brown and two friends from Guelph enjoyed the holiday here fishing.  
 Mrs. P. Phillips and babe of Toronto are visiting at her parents here, Mr. and Mrs. R. R. Kinnell.  
 Mrs. L. Irving is under the doctor's care at present, but is, we are glad to report, improving.

*(Our Own Correspondent)*  
 Mrs. Helen Allan visited her daughter, Mrs. George Cowan of Mount Forest last week and is this week visiting her daughter, Mrs. William McFadden of Durham. We are pleased to see her able to be around again.  
 Mr. E. Lindsay is preparing the foundation of the barn that was burned two years ago for the new steel structure that is to be erected thereon and which will be shipped in about a week. It is about forty years ago since the other one was built by the late James Allan.  
 Mr. and Mrs. George Wilson have the sympathy of the neighborhood in the death of their month old son from pneumonia. He was sick but one day. The funeral took place on Saturday.  
 Mr. Earl Mead purchased a roadster Ford car from Smith Bros, and went to Ford on Saturday night to bring it home.  
 Miss Reta Barbour of No. 5, Gleneden, spent over the week-end at her home here.  
 Mr. E. V. Matthews' family have had measles for the past fortnight, and they seem to be a malignant type.  
 Our farmers are busy putting in corn and roots. Most of the farmers talk of putting in less of that sort of stuff than usual owing to the scarcity of help.  
 Recent rains have very much improved the crop prospects and make the farmers look more cheerful.  
 Mr. and Mrs. Earl Mead and Mr. and Mrs. Elgin Wilson visited Proton friends last week.  
 Miss Irene Barbour and friend visited Zion friends on Sunday.  
 The baptismal service on Sunday had not the intended number of candidates expected, but Luella Irene Hargrave received the sacred rites.  
 Mr. Walter Ferguson, with his horse and buggy, one day last week was struck by an auto. The harness and buggy were damaged, but no serious harm done, although he had a good case for damages, that is, if horse drawn vehicles are allowed on the road.  
 Mr. Milford Matthews was laid up last week with sore neck and head, some new disorder, or at least it is to him.  
 Owing to the rain on Tuesday, the bee at Maplewood cemetery did not materialize, and possibly all for the best, as farmers are far behind with their work, and only a small number promised to be present, all saying if it had been a couple of weeks later, they would have given a hand. So when it takes place next Tuesday, all plotters will be present, in fact some have already been inquiring for the new date.

**DIAMOND WEDDING FITTINGLY OBSERVED**

(Continued from page 1)  
 following their wedding, they moved to their present home at lot 26 on the 20th concession of Egremont, where they have since resided. Though they have given up active farming life, the homestead being run by their son, Mr. Noble G. Wilson, a present member of Egremont Council, they still occupy their own home, and with true Irish independence, are proud of the fact that they are still able to do for themselves.  
 A family of three sons and seven daughters blessed the union, and all were present at the celebration of the sixtieth anniversary of the wedding on Saturday. They are, Noble G., on the homestead; William and James, who occupy farms within two miles of the old home, in Egremont; Annie (Mrs. Hugh Wilson), Collingwood; Alice and Aggie, in Toronto; Mary (Mrs. Thomas Broughton), Gornallton, Alberta; Martha (Mrs. Walter Broughton), in Proton Township; Bertha (Mrs. Peter McRae), Galt, Ontario, and Ida (Mrs. Finlay Clark), near Dromore.

It is a remarkable thing that all the family were present at the gathering on Saturday and that there has been an unbroken family circle for over forty years.  
 The esteem in which the venerable couple are held by their immediate neighbors was fittingly shown when they were made the recipients of many beautiful remembrances on this most auspicious occasion. Among the presentations was a large bouquet of roses, one for each year of the sixty, given by the neighbors. The address which accompanied the roses was read by Mr. J. Alcorn, and the presentation made by Mrs. Kinsman, both old neighbors and admirers of bride and groom. It was a fitting tribute to their popularity in the immediate neighborhood and must have been very gratifying to the family. Mr. James Wilson, a son, replied for his parents, suitably thanking the neighborhood for its thoughtfulness, and for the kind wishes expressed.  
 Salem United church, Proton, of

which Mr. and Mrs. Wilson have for long years been members, did not forget them, and in a neat address read by W. G. Watson of Priceville, congratulated the bride and groom and expressed wishes for many more years of happiness. The church presented them with a handsome leather-bound Bible, this duty falling upon George Parslow, a nephew. Their pastor, Rev. Mr. McCormack, of Priceville, spoke a few words of a congratulatory nature before the presentation, assuring them of the hearty good wishes of the congregation.  
 The pupils and teacher of No. 14 Egremont, too, did not forget them, presenting them with a magnificent bouquet of roses.

Following the presentations from neighbors and friends, a short reminiscent address was made by Mr. W. J. Blakeston, Stratford, a nephew and former teacher in Egremont and Priceville, but for the past few years on the staff of the Stratford schools.  
 During the afternoon and evening, numerous old friends came to congratulate Mr. and Mrs. Wilson and, before their departure, were served with tea and bride's cake. Supper was served on the lawn about 5:30, when over two hundred sat down to a most bounteous repast, the bride's cake, a huge three-storey one, occupying the position of honor. Another bride's cake also occupied place of honor, the gift from Mr. Pearl and daughter, Toronto, an old friend of the family. It was a most artistic one, formed in the shape of a diamond and fittingly decorated with sparklers for the occasion.  
 During the supper hour, music was supplied by the Swinton Park Pipe Band, and after the table festivities were concluded, a most enjoyable evening was spent in dancing on the lawn and other amusements.

Of the descendants, there are twenty-eight grandchildren, though no great-grandchildren.  
 Both Mr. and Mrs. Wilson are true pioneers in every sense of the word. Together, they wrested their present fine farm from the virgin forest and, pioneerlike, have enjoyed excellent health all their lives. Mr. Wilson, especially, has been exceedingly fortunate, having never been seriously ill, and during his long life, has spent less than a dollar on medicine of any kind.  
 The writer took the opportunity to run down and interview this estimable couple on Monday and spent a pleasant hour or two in interesting conversation with them and the members of their family. We were greatly impressed with their smartness of foot and their conversational abilities. Coming to the present homestead over 60 years ago, they have transformed it into one of the very finest farms of the township. They have seen the advancement in farming ideas from the days of the cradle to the present self-binders, tractors and other labor-saving machinery, and have always been in the van of progress in their chosen vocation. Mr. Wilson was actively engaged in farming up to ten years ago, when he retired, and now he and Mrs. Wilson will spend the evening of their lives in the full enjoyment of the competence which they, by hard labor, have wrested from old Mother Earth. For the past few years, they have been in the habit of spending their winters in Toronto, but every spring feel the call back to the farm where so many years of their lives have been spent.  
 Mr. Wilson is a staunch Conserv-

**PRESENTATION MADE TO FATHER DUNBAR**

*Large Crowd Present in St. John's Hall, Glenelg, to Honor Young Priest Who Leaves Shortly for the West.*

St. John's Parish Hall, Glenelg, was the scene of a happy event on Monday night when Rev. Father John Dunbar, newly-ordained priest, who leaves soon for the West, was presented with a purse of money in the presence of about 150 friends.  
 The presentation was made on behalf of the priest's friends by Mr. George Black, and Rev. Father McGoey made a congratulatory address. Father Dunbar replied feelingly, thanking his friends for their gift and good wishes and stated that he hoped to be able to re-visit this part of the country often in spite of the distance he was going away. Other speakers were Messrs. John McGrath and John O'Neil.  
 The evening was spent in dancing and music. Misses Elizabeth McGrath and Georgina Anderson were very good in their dancing of the Highland Fling, while Mr. John McGrath and John O'Neil.

Mr. Wilson, who is in year, is of Irish parentage, cannot claim Ireland as his birth, as he was born in Canada, the land of opportunity. He is exceptionally smart, a keen and intelligent man, one of the most esteemed of the township in which they settled in the vicinity of Hope, but when a young subject of this sketch came to remon and, with other, literally dug his way into and developed the town's remarkable state in what we would call a "gold mine".

Mr. and Mrs. Wilson are a native of Wicklow, Ireland, but the resident of Canada since his six years of age, coming to Canada with his parents. The date of her birth is 1844, she therefore being 82 years old, and still quite smart on running her own house and her own work. Mr. and Mrs. William J. Pioneer Residents of Township, Were Married and Though Both Have Four-Score Mark, Are Still and Hearty.

Saturday last was a busy day in the lives of Mr. and Mrs. William J. Wilson of Egremont. A day that not many are likely to see. It was on this day that a distinguished couple celebrated the sixtieth anniversary of their wedding. It was a fittingly happy day, and to make it more so, their family were gathered under the same roof to celebrate the occasion of their golden anniversary. Mr. Wilson, who is in year, is of Irish parentage, cannot claim Ireland as his birth, as he was born in Canada, the land of opportunity.
