**BENTINCK PIONEER
DIED LAST WEEK
AFTER SHORT ILLNESS**

(Continued from page 1)

Garafraza Road to Durham, then
little more than a stopping place.
In those days there were no stores
here, Owen Sound being the near-
est shopping place. Durham at that
time consisted of but very few in-
habitants, among whom were the
late Arch. Davidson's father, and
the late Arch. Hunter.

The party remained in Durham
only a short time, when they went
on to the Rocky Saugeen, settling
on the present Lachie McLean farm
in Glenelg, the farm then being
owned by Mr. McCormick's eldest
brother who came here in 1843 and
who remained on the property until
his death in 1864. About this time
other members of the family lived
at Bunessan, Glenroadin and in
Bentinck. Mr. McLean lived on the
farm at the Rocky until about 1864,
removing to what was then known
as the "lower settlements" and sub-
sequently to Proton. He later took
up farming on the 9th concession
of Bentinck, near Elmwood, and came
to the farm on the 2nd concession
just north of Aberdeen in 1869.

About the time Mr. McCormick
removed to the present holding, he
was married to Miss Christina Ste-
wart, who passed away last January.
A family of four sons and five daugh-
ters blessed the union: Donald,
Neil and Hugh, at home; Angus, at
Port Arthur; Mrs. Hugh McPhail
(Mary), and Mrs. Hector McEach-
ern (Phemia), both of Pricieve; Mrs.
Alex. McEachern (Christina),
Toronto, and Sarah and Isabella at
home. With the exception of Angus,
all members of the family were in
attendance at the funeral.

Mr. McCormick was a devoted
member of the Presbyterian church,
a staunch Liberal, and a man much
respected by all who were fortunate
in having an acquaintance with him.
He was one of the first members of
Burns church at the Rocky, was one
of the first to advocate the building
of a house of worship there, and
since the congregation has been es-
tablished in 1856, has been a faith-
ful attendant and supporter.

Only last August, the writer vis-
ited this fine old man at his home
and was privileged to quite a long
interview with him, later publish-
ing an account of the early days
in this community in The Chroni-
cle of August 20. We were much
impressed with his clearness of
thought, his marvellous remem-
brance of dates long since past, and
little thought that we would be
called upon to write an account of
his passing in so short a time. With
the community, we sympathize with
the survivors in the loss of both
father and mother in the past five
months.

The funeral was held Monday af-
ternoon from the home, where ser-
vices were conducted by the pastor,
Rev. B. D. Armstrong, interment
being made in the family plot at the
Rocky Saugeen cemetery. The pall
bearers were Messrs. John Mills,
Dan. McArthur, Alex. McCormick,
Duncan McQuarrie, Hugh McLean
and Hugh McPhail.

Relatives from a distance in at-
tendance at the funeral were Don-
ald McKinnon, a nephew, and son,
Bruce, Toronto; A. Rutledge, Tor-
onto; J. H. Neale, Pultledge, Tor-
onto; Miss Kate McCormick, Walkerton; Mr.
and Mrs. Duncan McGillivray; Mrs.
Alex. McGillivray, Mr. Colin McGil-
livray, Mr. John McGillivray, all
from Paisley, and Miss Bella Mc-
Killop, Markdale.

**GREY COUNTY COUNCIL
OPENED MONDAY**

Warden John T. Miller Welcomed
Councillors to the Sessions at Owen
Sound.—Reconstruction of Bridges
Will Be Big Item of Cost.

The initial meeting of the June
sessions of the Grey County Council
was held on Monday evening at the
court house at Owen Sound with an
almost perfect attendance of
Reeves and Deputy Reeves from the
townships and urban municipalities
in the county. As usual no business
was done at the first session, it be-
ing left over until Tuesday after-
noon, which is expected to be a
busy session. The program for the
day appeared to be fairly heavy,
there being several communications
some of which may cause some dis-
cussion.

Warden John T. Miller, of Euphra-
sia Township, welcomed the coun-
cillors to the sessions and hoped
everyone was in the best of health
and ready to thresh out the prob-
lems that would be sure to arise. He
then introduced Rev. C. Elmer Ken-
ny, pastor of the Central United
church, Owen Sound, to the coun-
cil. Rev. Mr. Kenny officially open-
ed the sessions with prayer, and
following, made a short address to
the council. He said that while we
were not favored with a particularly
early spring and the crops seem to
be a little behind what they usual-
ly are at this time, we have no room
for complaint, for never yet has the
Lord failed His people in regard to
a harvest, and we may expect as
bountiful a one this season as any
previous. Mr. Kenny's address was
brief, and he concluded by wishing
every member of the council the
most success during the coming ses-
sion.

The Warden's address was then
read by Mr. Miller and the Clerk,
Fred H. Rutherford, read a number
of communications which were re-
ferred to various committees for
consideration. Several committees
met Tuesday morning, and their re-
ports will be dealt with on Tuesday.

Warden's Address

Gentlemen: I have great pleasure
in welcoming you to the June ses-
sion of our County Council, which
is the most important of the year.
Since we met in January, the Grim
Reaper has visited our ranks, and
we have lost Mr. Charles Fisher,
Deputy Reeve of Meaford, who gave
promise of being one of our most
useful members.

I would suggest that a committee
be appointed to draft a letter of
condolence to his bereaved wife and
family.

To Mr. Lillierap, who has been
elected to succeed Mr. Fisher, we
extend a very hearty welcome, and
I would recommend that a resolu-
tion be passed appointing Mr. Lil-
lierap on the several committees to
which Mr. Fisher had been assigned.

Finances

At this session you will be called
upon to levy a rate to meet the ex-
penditures of 1927, which I am sure
will engage your most earnest con-
sideration.

You will have received copies of
the January minutes, in which are
printed in full the Auditor's report
for 1925 with full details of the re-
ceipts and expenditures and a com-
plete statement of the Assets and
Liabilities of the County.

I have asked our Treasurer to at-
tend at an early date to present his
estimates and give us a resume of
our financial standing.

County and Suburban Area Roads
The reports of the County Roads
Committee and the Suburban Area
Commission will no doubt give you
full details as to the proposed work
of 1926. The spring freshets, as
you all know, have done consider-
able damage to several bridges, the
reconstruction of which will entail
large expenditures.

General

Owing to the High Court being
held on Wednesday, Thursday and
Friday of this week, the council will
hold their sessions on these days in
one of the smaller rooms. Dele-
gations will be heard on Tuesday
afternoon, and as usual there will
be several of them. They have been
notified to be present.

ENGAGEMENT

Mr. Archibald MacCuaig of Pricie-
ville, Ont., announces the engage-
ment of his daughter, Gertrude
Florence, to Mr. Russell Lorne Baird
of Pontiac, Michigan, the marriage
to take place quietly in Windsor
the latter part of June.

Yours faithfully,
JOHN MILLER,
Warden.

June 14, 1926.

As court is being held in the court
room on Wednesday, Thursday and
Friday of this week, the council will
hold their sessions on these days in
one of the smaller rooms. Dele-
gations will be heard on Tuesday
afternoon, and as usual there will
be several of them. They have been
notified to be present.

**MOTOR LEAGUE HELD
ANNUAL MEETING**

(Continued from page 1)

which in turn was affiliated with
the parent body, the Ontario Motor
League. A strong point of this pro-
posal was that every municipality
doing this was in reality a member
of the Ontario Motor League with
all its privileges. A motorist may
join the Ontario Motor League with-
out being a member of the Georgian
Bay Motor League, but could not
join the Georgian Bay Association
without automatically becoming a
member of the Ontario body.

Benefits Derived

The forming of the Georgian Bay
League was done for the purpose
of receiving more benefit from the
Motor League's activities than could
otherwise be obtained. The local
association would function, in con-
junction with the Ontario Motor
League, in advancing the benefits to
be derived from a visit to this part
of the province. The annual fee to
each motorist was \$5.00, the same
as it cost to join the Ontario asso-
ciation. By joining the home-town
League, the Ontario Motor League
received \$2.00, the Georgian Bay
League received \$1.00, while the
local motorist retained \$2.00 for
local work. This money could be
expended in any manner in which
the local organization saw fit, the
placing of town signs, the adver-
tising of the town and its advan-
tages, the upkeep of tourist camps,
or in any other manner in which
the local officials desired. The \$1.00
which was collected by the Geo-
rgian Bay League was to be spent in
a co-operative advertising campaign
for the whole district, just as the
Ontario body now functions for the
whole province.

As there are numerous members
of the Ontario Motor League in
Durham, and only two reported as
members of the Georgian Bay asso-
ciation, there is no reason why those
already members of the parent body
should not form a local club, elect
their own officers, handle their own
funds and spend the money for the
benefit of Durham and surrounding
vicinity. A meeting will be called
shortly with this object in view.

The New Officers

The officers for the Georgian Bay
League elected Tuesday evening for
the coming year are:

Hon. President, J. G. Hay, Owen
Sound; President, W. P. McCrick,
Collingwood; First Vice-President,
His Honor, Judge Sutherland, Owen
Sound; Second Vice-President, J. H.
Hartman, Clarksburg; Third Vice-
President, J. F. Irwin, Durham; Sec-
retary-Treasurer, G. W. Butchart,
Owen Sound (re-elected).

The advertising committee was in-

structed to spend \$200.00, together
with the amount, if any, granted
them by the County Council, which
body was approached Tuesday, but
the result of which was unknown
at the time of the meeting.

Short addresses were delivered by
Sheriff J. S. Wilson of Owen Sound,
the retiring president, J. H. Hartman,
Clarksburg, President-elect McCric-
k of Collingwood, Mr. Patterson
of Collingwood, in charge of the
Parks Committee at Collingwood, His
Honor Judge Sutherland, Mr. J. M.
Kilbourne, Owen Sound, and others.

The meeting was a most enthus-
iastic one, and if only part of the
proposed work outlined can be
brought into active service, the gain-
ing will be well worth the time
and money expended. An outstand-
ing point in the various discussions
was the idea of co-operation, the
whole Georgian Bay district being
considered, irrespective of whether
or not members of the League. As
one speaker said, the tourists from
the United States are coming, and it
is up to ourselves if we have them
pass through our territory or, due
to lack of the proper publicity, have
them visit other sections of the pro-
vince that cannot compare with
Grey, Bruce and Simcoe counties in
scenic beauty.

Besides the tourist traffic, the
many advantages of a membership
in the Motor League was also re-
ferred to, the free legal advice, the
placing of road signs, and the tow-
ing service, not to speak of the ad-
vantages gained if touring through
the United States, where the bene-
fits of American Automobile Clubs
are also at the disposal of Canadian
tourists.

It is to be hoped that Durham
motorists will take advantage of this
opportunity, form a strong motor
club here and help, by co-operation,
the efforts of other places to make
motoring safer and more pleasant.

HELD SUCCESSFUL TEA**

The Ladies' Aid Society of Knox

ful Lila Tea on Friday afternoon of
last week. The schoolroom of the

lilies and tulips for the occasion.
The table decorations were simply
marvellous. A very enjoyable time
was spent over the tea.

The musical program of instru-
mentals, solos, duets, quartettes,
was well rendered and thoroughly en-
joyed by all. As a result of the tea,
the Ladies' Aid funds are enhanced
with about \$70.00.

CHICKEN - THIEVES**

When the **FEDERAL BURGLAR ALARM** is attached to your
chicken-house, your hens are safe—nobody can steal them.
The Federal is a very simple, spring-like device that works like
a trap when a chicken thief opens any door or window to which
it is connected; the alarm makes a very loud report, scaring the
thief and awakening your whole household.

NOBODY CAN "BEAT" THIS ALARM

But in spite of the absolute protection **FEDERAL** affords, it is
quite harmless; it cannot harm even the burglar; but, if thor-
oughly scares him, protects your chickens and awakens you.
