

EXAMINATION RESULTS DURHAM HIGH SCHOOL

Margaret Watson Wins Form I Medal, While Eleanor Marshall Stood Highest in Form II.

The following is the final report of the examinations in Forms I and II, held within the Durham High School for the year ending June, 1926.

There were in all 537 papers written upon. Of these, 499, or 87.3 per cent, were of pass standing or higher, a decrease of six-tenths of one per cent as compared with 1925, while 68, or 12.6 per cent, were failures.

Students failing in the tests set by the school staff in History, Grammar and Arithmetic have the privilege of writing the Departmental Examinations in these subjects if they forward their application in writing to the principal on or before June 19, 1926.

P denotes pass standing or higher.

A blank indicates the subject was not taken.

F denotes a failure.

FORM I.

Table with columns for subjects (Latin, French, English, Composition, Mathematics, Algebra, Botany, Geography, History, Art) and rows for students (Arnott, Annie, Arnott, Dorothy, Adams, R., Anderson, C., Bailey, F., Clark, Eric, Connor, R., Corbett, C., Dunsmoor, J., Falkingham, G., Henry, Clifford, Hopkins, G., Hopkins, M. R., Hunter, E., Kellar, Erma, Kellar, Harold, Kelsey, Maud, Lavelle, George, MacArthur, Francis, MacKay, Jean, MacLean, Hazel, McAuliffe, H., McCulloch, G., McFadden, R., McGirr, R., McInerney, N., Matthews, R., Marshall, E., Miles, E., Mountain, H., Sibbald, L., Smith, D., Timanov, R., Watson, M., Wilson, K., Willis, E.)

Form I, medal awarded to Margaret Watson. Percentage obtained on whole year's work 90.

FORM II.

Table with columns for subjects (Latin, French, English, Literature, Composition, Mathematics, Botany, Zoology, Physiology) and rows for students (Baird, G., Beaton, M., Brown, M., Ford, M., Gagnon, N., Goodchild, C., Hay, Ellen, Hind, E., Hooper, A., Kearney, E., MacArthur, M., McIntyre, M., MacIntyre, A. D., MacLean, S., Marshall, E., Mevyn, N., Milne, I., Moon, E., Moon, Clifford, Mountain, V., Murslock, B., Moore, E., Neaves, E., Ritchie, N., Ritchie, D., Rowe, C., Simpson, M., Timanov, H., Traxner, J., Vollett, Fred, Young, D., Young, S., MacLean passed in History.)

Form II, medal awarded to Eleanor Marshall. Percentage obtained on whole year's work, 80.

A poor memory may have something to do with making modern youth seem so wild.

L. O. L. GARDEN PARTY AN ENJOYABLE AFFAIR

Good Crowd in Attendance at First Affair of Its Kind This Season.—Excellent Programme of Music and Dancing Provided.

The garden party in Durham Rink last Friday evening under the auspices of Durham L. O. L. No. 632 was a most successful affair and, considering the fact that it was a busy season and many other attractions interfered with the attendance, a big crowd was on hand to take part in the festivities. It was the first gathering of its kind in this nature in the vicinity this year, and with a perfect night for the event, the crowd made merry until well after the midnight hour.

The usual booths and tables were in evidence and did a thriving business most of the evening, while the excellent programme put on by the talent engaged for the occasion did much to make the Orangemen's initial offering in this kind of amusement an outstanding success.

For the program, Mayor Murdoch was in the chair, and in a brief speech, congratulated the society for the good turnout. His words were short and to the point, and he did not worry his audience with a lengthy address.

The program consisted of selections by the Citizens' Band and the Melody Boys' Orchestra, Pipe music by Mr. Robertson, who has an enviable reputation in the vicinity for his ability on the pipes, and an excellent interpretation of the sailors' hornpipe by the Misses Armstrong of Hutton Hill, who were forced to respond to an encore. A solo by Mr. W. Wiggins, the chorus being taken by Messrs. Buschlen and Phillips, and the whole accompanied by Messrs. McAuliffe and Gardiner on violins and Robinson on the piano, was also a good number. An instrumental by Messrs. Phillips and Buschlen, accompanied by Mr. Robinson on the piano was well received. Messrs. Phillips, Huzill, Gardiner and Buschlen of the Band gave a musical quartet, while H. E. Phillips delighted the crowd with a selection on his musical bottles.

Following the program, the musical part of the programme was turned over to the Melody Boys' Orchestra, when dancing was indulged in until well after the midnight hour.

The evening as a whole was a most successful one, both financially and socially, and the local Orange society is to be congratulated on the excellent evening's outing.

HYMENEAL

McKINNON-SHELLEY

The marriage of Miss Mary Kathleen Shelley, daughter of E. A. Shelley, to Donald James McKinnon, son of Mr. and Mrs. L. McKinnon, took place on Wednesday, June 2, at 2 p.m. at Calgary, Alberta, in the United church officiating.

The bride, who was daintily gowned in a Paris frock of shell pink georgette and carried a large bouquet of Madame Butterfly roses and lilies of the valley, entered the spacious drawing room on the arm of her father to the strains of Mendelssohn's wedding march, played by Miss Ruby Allan of Medicine Hat.

The ceremony was performed in front of the fireplace, it having been transformed into a flower-banked altar.

Following the ceremony, a buffet luncheon was served from a tastefully decorated dining table, which was centered with the three-tier bird's cake. Streamers of pink and white satin, with roses and lilies of the valley completed the table arrangements.

Mr. and Mrs. McKinnon left later for the coastal cities, where the honeymoon will be spent. The bride's going-away costume was of navy blue pique tulle, the coat opening over a blouse of grey crepe back satin, with a Cavendish model hat of grey and harmonizing shades and scarf to match.

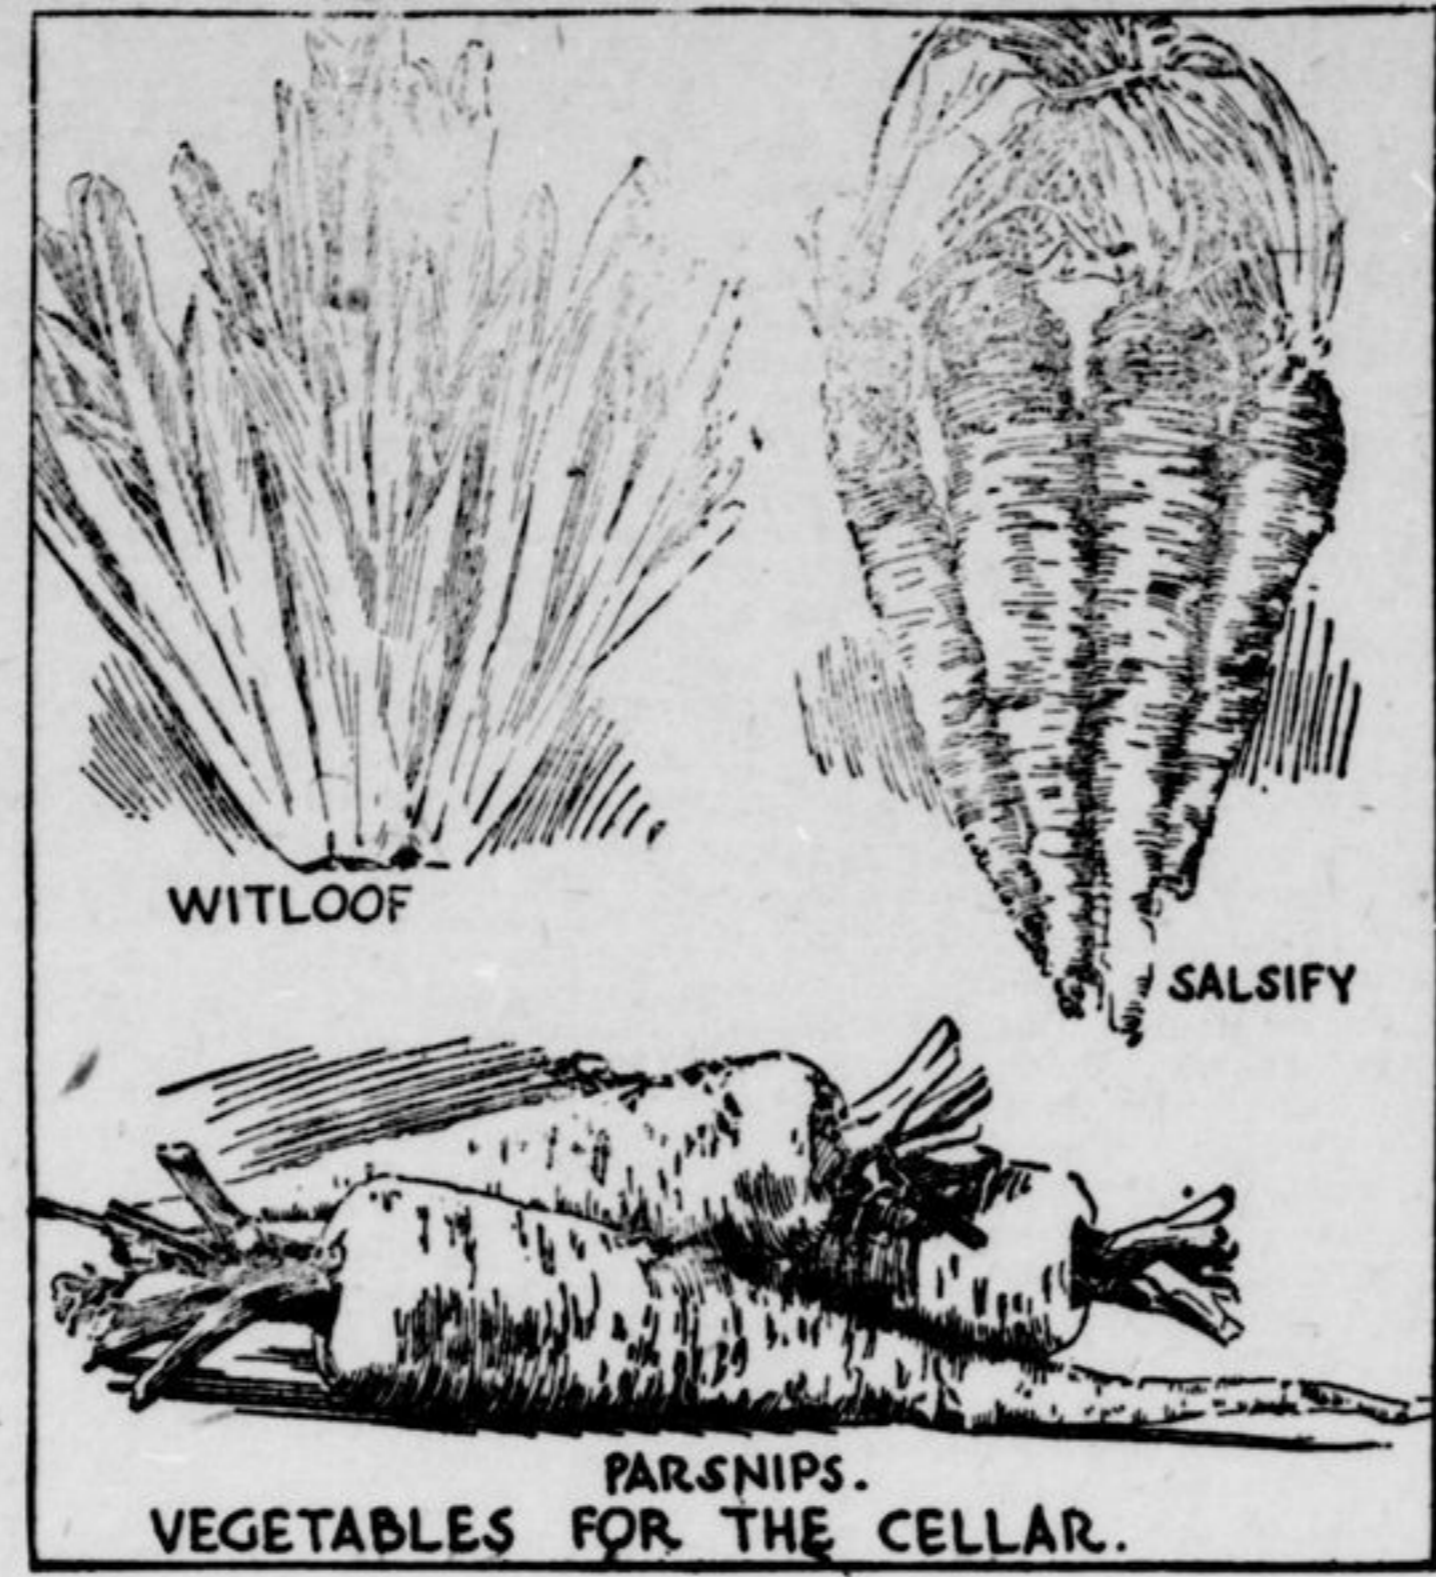

Upon their return, they will reside at the XL ranch, Bassano, Alberta. The groom is a cousin of Mrs. J. M. Burgess of Durham.

Nothing Slow Here

Mr. Wise: Johnny, can you tell me why the little hand on my watch goes faster than the big one?

Johnny, after mature reflection: Well, isn't it for the same reason that I have to run when I go walking with you?

Three Crops For Next Winter

VEGETABLES FOR THE CELLAR.

Two vegetables and a salad for next winter's use should be sown at this time. The vegetables are parsnips and oyster plant or salsify and the salad is the witloof or French endive. All are long season vegetables, needing the entire season to complete their growth. Parsnips are general favorites, and we have been enjoying the crop from last year's seeds for the last two months. Oyster plant is also in season, as it is best when dug just after the frost leaves the ground.

Parsnips need good, rich soil and plenty of room to develop. Seldom does the average gardener have a good parsnip crop, because he sows the seed thick and leaves the plants in the row to struggle for existence. Here and there will be a shapely parsnip, but for the most part, they are thin and of little value. Thin the parsnips to six inches apart in the rows as soon as the plants are big enough to pull up. Cultivate with the rest of the garden and the result will be parsnips worth digging next spring or this fall after a few frozings. They will be of fairly uniform size and will give double the yield on the table.

O. T. A. NOT A PARTY ISSUE

(Border Cities Star) The premier is quite right. Far too much emphasis has been placed on the prohibition issue—if it is an issue at all. So far as constituting a point of cleavage between the three major parties goes, it is not that at all. A Conservative administration was the author of the law now on the statute books. Another Conservative administration has continued the law in effect. As for the other two parties, the Liberals and the U. F. O., both support the Ontario Temperance Act, officially at least. Indeed, a Liberal leader, Hon. Newton Wesley Rowell, advocated and fought for such a measure before the Conservative, Sir William Hearst, decided to put it into effect. How, therefore, can a party issue be made out of a subject on which the parties are officially agreed? It may be, of course that Premier Ferguson will change his mind. In this case, an issue could be created. Until he does so, however, the O. T. A. is not a party issue.

D. M. Saunders. See Our Specials in Men's Suits \$12.00 to \$30.00. One Door South of D. C. Town, Jeweller, Durham

REAL GAS ECONOMY

A certain local automobile owner recently installed a new-fangled carburetor that was guaranteed to save 20 per cent in gas. Then he put in special spark plugs that were guaranteed to save 20 per cent of the same precious fluid, and an intake superheater that was guaranteed to save 20 per cent and retired with a new brand of tires that promised a 20 per cent saving in gas consumption. Finally, he drained his crank case and refilled it with a new oil guaranteed to increase his mileage 20 per cent, and now, with a fuel economy of 120 per cent, the owner has to stop every hundred miles and bail out the gas tank to keep it from running over.

This Week's SPECIALS

Are you building?

Shall you be building this year? If so, profit by the experience of those who save money when building. Even on a small job you'll probably be surprised to find how using Long Distance enables you to get lowest prices.

"We bought all the material for a \$75,000 building by Long Distance—it is the cheapest way"—writes a contractor in a medium-sized town.

"We use Long Distance to get prices on materials before making estimates or contracts"—writes another.

The leaders in every branch of industry know. They've proved it, as you can.

The Man with Money. Those who have saved are able to buy, and the man with money in the bank is always ready for any opportunity or emergency. Determine to save a certain sum—say \$100. That accomplished, save a second \$100, and you will soon have \$1,000 in the bank. Ask for our booklet, "The Measure of Your Income." It will help you.

The Royal Bank of Canada. Durham Branch. J. A. Rowland, Manager.

A "dangerous character" on the road—the car with defective brakes, lights or steering gear. Carelessness in keeping your car in good order increases your liability to accident. It makes your car a menace on the highway—a "dangerous character." You are not safe, and other motorists are not safe, if you drive with brakes which won't operate instantly, lights which don't shine, or steering gear which is not dependable. Ontario's highways are of ample width. Danger spots are plainly marked. Curves and grades have been made safe. The enjoyment of the highways by the thousands who use them depends largely on you and the other motorists. Keep your car in perfect mechanical condition. Drive carefully. Avoid excessive speeds. On the motor owners of Ontario largely falls the cost of maintenance of our roads. Excessive speed is one of the chief agents of destruction of some road surfaces. Speed restrictions are therefore in the interest of all motorists. See that you observe them. THE HON. GEO. S. HENRY, Minister of Highways. S. L. SQUIRE, Deputy Minister. Issued by the Ontario Department of Highways to secure the co-operation of motorists in abating the abuse of the roads of the Province.

THE STANDARD BANK OF CANADA. Maximum Security at Minimum Cost. A SAFETY Deposit Box in the nearest branch of the Standard Bank will relieve any anxiety regarding the whereabouts of your valuables while permitting free access to them by you or a duly authorized person at any time during banking hours. The cost is less than one cent per day; the value received is an inestimable sense of security. DURHAM BRANCH—W. A. Johnson, Manager. Sub-Branch at Princesville.
