GOOD CROWD AT BURNS ANNIVERSARY

VOL. 59.-NO. 3080.

Rocky Saugeen Congregation Held Anniversary Services Sunday and Monday, With Record Attendance.

The anniversary services at Burns Presbyterian church, Rocky Saugeen, last Sunday and Monday, were exceptionally well attended, the church being crowded at both Sunday and Monday services.

The services in the afternoon were taken by the Rev. Wallace Johnston of Holstein, who also occupied the pulpit in Durham both morning and evening, his services at Holstein being taken by Rev. B. D. Armstrong. Rev. Mr. Johnston preached powerful sermons at all three services and created a most favorable impression on the local congregation, many of whom attended the services at the rocky in the afternoon. choice of the party at the conven-tion held at Flesherton last Friday afternoon to contest the riding at the provincial election, which, possibly, will be held this fall. The fact that his was the only name to go before the meeting was a fitting tribute to a long and honorable career in public life and must have been very gratifying to the veteran politician who, since 1898, has, with only one exception, continuously represented this riding at Toronto. In rising to accept the nomination, Dr. Jamieson dealt reminiscently with his record of service since entering the political field. It was just 40 years ago that he first entered a political contest. HELD AT MARKDALE

Two Cars of Local Masons in Attendance at Service Held in United Church.

The divine service for Grey District for the Masonic fraternity was held Sunday night last in the United church at Markdale. There was a big attendance of Masons from the surrounding district, and the church was crowded to capacity. Amongst those present were seven of the brethren from here, Messrs, W. H. Whitchurch, E. A. Hay, J. Burt, R. E. Richardson, H. R. Riddell, J. F. Grant and Mr. McCracken,

The members paraded in a body to the church and listened to a good sermon from the pastor, the Rev. F. N. Bowes.

Yes we could wait till tomorrow t' do to-day's work if we hadn' left yesterday's t' do to-cay!"
