STRAWBERRY NEWS

In order to obtain berry pickers, we are offering to the public, Strawberries under conditions which should be very satisfactory to all. You supply your container, pick your berries and take away by weight, and we can let you have a pound for 7 cents less than a box, retail price. Or we can supply you with crates and boxes at cost price, which you can use again, or we will pay cost price for crates returned in good condition. We do not buy used boxes. You may refill for yourself though. By this method, you buy your crates and boxes only once, not each year. With our past experience, we believe that, on account of so many different kinds of containers being used, the only satisfactory way of selling is by weight, to all. We cannot board pickers. We do not allow children under twelve to pick or rather tramp strawberries. We do not know yet when picking will begin. Look for our advt. each week for a possible change, and when convenient, phone us before coming. 611 r 3, Durham R.R. No. 4.
