HYMENEAL

FEE—BARBOUR

The residence of Mr. and Mrs. Robert Barbour, 2nd concession, Egremont, was the scene of a pretty wedding on August 5, when their daughter, Irene May, became the bride of Mr. Elmer E. Fee.

Following the ceremony a buffet luncheon was served. Later the happy couple left amid showers of confetti for a honeymoon trip by motor, and on their return will reside on the groom's farm, Normanby.

THE VOL. 59.—NO. 3087. CAR WAS WRECKED IN CARGILL VILLAGE Occupants of Durham Car Driven by W. Calder of Town, Shaken Up When It Left the Road and Ran into Ditch.—Durham Rink Money at Paisley Tournament The annual bowling tournament of the Paisley Bowling Club was held Thursday of last week, and the Paisley club has no greens of its own, the tournament was held at Cargill. Two rinks of Durham bowlers were present. When going to the tournament, and on the outskirts of Cargill, one rink of the Durham players were the principals in a motor wreck that fortunately resulted with no serious injuries, but which might easily have been much worse. Messrs. W. Calder, J. S. McElraith, Murray Smith and T. G. Goodchild were being driven to the tournament by Mr. Calder in his own car and in entering the village turned out to avoid another man that came suddenly into view. As a result the Durham car left the road and toppled over against a hydrant, which kept it from upsetting and going farther into the ditch. The hydrant damaged the door of the car considerably, and all the glass in one side of the car was broken. While all the occupants of the machine were more or less bruised, the two worst injured were Messrs. Smith and Goodchild, the former receiving a cut hand from broken glass, and the latter a bruised leg which kept him limping around for a few days afterwards. The accident did not, however, prevent the party from participating in the tournament, which they enjoyed after having some minor repairs at the doctor's. Another rink comprising Messrs. W. S. and J. H. Hunter, W. C. Pickering and Joseph Firth also attended the tournament and were successful in getting second place in the main event, the prizes being silver cups and medals. The tournament is reported as having been a wonderful success and the local bowlers were delighted with the treatment given them by the Paisley club and its citizens of Cargill. ODD FELLOWS HELD THEIR ANNUAL PICNIC Goodly Number Gathered Last Thursday Afternoon at McClocklin Camp Where Most Enjoyable Time Was Spent. The annual picnic of the local Odd Fellows' society at the McClocklin Camp at the Rocky last Thursday afternoon was enjoyed by a large number of the members with their families, and while the crowd assembled was possibly not quite so large as last year, there were good reasons for the falling off in attendance. From 10 o'clock in the morning until well after 3 in the afternoon, the weather was anything but inviting, and no doubt many who intended going were deterred by the weather conditions until late to make ready for the afternoon's outing. The Furniture Factory, too, is especially busy just now, and as a number of the order employees at this institution, found it impossible to be on hand. There were in all about a hundred present, and though a slight rain fell shortly after 2 o'clock, was not heavy enough to interfere with the proceedings, and the balance of the afternoon was spent in various games that were heartily indulged in by all. Following the games a royal picnic supper was served, and after a hour's social intercourse around the big bonfire, the crowd broke up and returned to their various homes.
