

CAR WAS WRECKED IN CARGILL VILLAGE

Occupants of Durham Car Driven by W. Calder of Town, Shaken Up When It Left the Road and Ran into Ditch.—Durham Rink in Money at Paisley Tournament.

The annual bowling tournament of the Paisley Bowling Club was held Thursday of last week, and as the Paisley club has no greens of its own, the tournament was held at Cargill. Two rinks of Durham bowlers were present.

When going to the tournament, and on the outskirts of Cargill, one rink of the Durham players were the principals in a motor wreck that fortunately resulted with no serious injuries, but which might easily have been much worse.

As a result the Durham car left the road and toppled over against a hydrant, which kept it from upsetting and going farther into the ditch. The hydrant damaged the door of the car considerably, and all the glass in one side of the car was broken.

Another rink comprising Messrs. W. S. and J. H. Hunter, W. C. Pickering and Joseph Firth also attended the tournament and were successful in getting second place in the main event, the prizes being silver casseroles.

The tournament is reported as having been a wonderful success, and the local bowlers were delighted with the treatment given them by the Paisley club and the citizens of Cargill.

ODD FELLOWS HELD THEIR ANNUAL PICNIC

Goodly Number Gathered Last Thursday Afternoon at McClocklin Camp Where Most Enjoyable Time was Spent.

The annual picnic of the local Odd Fellows' society at the McClocklin Camp at the Rocky last Thursday afternoon was enjoyed by a large number of the members with their families, and while the crowd assembled was possibly not quite so large as last year, there were good reasons for the falling off in attendance.

Following the games a real picnic supper was served, and after an hour's social intercourse around the big bonfire, the crowd broke up and returned to their various homes.

EDWARDS HOLDS FIRST DURHAM MEETING NEXT THURS. NIGHT

Liberal - Conservative Candidate Opens Local Campaign With Meeting in Town Hall.—Well-known Labor Leader to Speak.

Next Thursday, the 26th inst., the first political meeting of the present campaign in the interests of R. T. Edwards, the Liberal-Conservative candidate, will be held in the Town Hall, and it goes without saying that it will be well attended, as the citizens of the town and country are always interested in politics and can be depended upon to turn out en masse to hear the questions of the day discussed.

During the past couple of weeks, the candidate for South-East Grey has been extremely busy and has been meeting with more than expected enthusiasm throughout the riding. So far, meetings have been held in Chatsworth and Ayrton, with others billed for Massie, Williamsford, Hanover, Berkeley, Neustadt and other places, while still others will be held before the date of the election, the 14th of next month.

Labor Leader Here

The principal speaker on the platform here besides the candidate will be Mr. H. G. Fester of Hamilton, one of the best-known Labor leaders in Ontario, who will outline the Liberal-Conservative policy as it affects the labor of the country. While his address will be more especially to the labor men of the community, it will be of much interest to all citizens and a cordial invitation is extended to all, especially the ladies, to be present.

With the election only slightly more than three weeks away, the interest is sure to increase with the passing of the days, and as the time grows shorter, the interest in the outcome is bound to increase accordingly.

Preaches Anniversary Sermons in Baptist Church on 29th Inst., and Delivers Lecture on Holy Land on August 30.

Following the Sunday services, Rev. Mr. Schutt will on Monday evening in the church deliver his famous and popular lecture on "The Holy Land." This lecture, which is well spoken of, is to be illustrated with slides, and it is expected that the church will be filled to overflowing to listen to first-hand knowledge of Palestine and other places in the Near East so closely connected with the Christian religion.

TOWN COUNCIL REPAIRED MAIN STREET THIS WEEK

During the past week the Board of Works has had men and teams at work putting a coat of fresh gravel on Garafaxa street on the connecting link. The work has not been undertaken before needed, as the street was becoming rough with the heavy traffic, and it was anything but a pleasure to ride over it in places.

BURNS CHURCH EVENT MOST SUCCESSFUL

Largest Crowd in History of Rocky Saugeen Church Gathered on Grounds of Mr. Donald Stewart Tuesday Evening.

Commencing with a supper served shortly after 6 o'clock on the spacious lawn of Mr. Donald Stewart, Bentinck, north of Aberdeen, Burns church at the Rocky Saugeen held another of their successful annual garden parties on Tuesday evening of this week. As is usual with this event, there was a good crowd present, in fact we are told that this year the crowd was considerably larger than usual, as much having been taken in at the gate as ordinarily passes over the counters at both gate and booth in former years.

Supper over, there was little time lost in getting the program started, and with Rev. B. D. Armstrong in the chair, quite a lengthy offering of vocal and musical selections was run off in quick order. Messrs. Benson and McDonald of Durham, on mandolin and guitar, gave a couple of good selections, the instruments accompanying Mr. Benson in his rendering of several of the popular songs of the day. The Boyd Trio from Glenelg also contributed a good number.

For the comedy, Mr. Stewart McArthur contributed several of his Harry Lauder songs in his usual humorous manner and was called upon for an encore on each appearance. The musical part of the program was well taken care of by the Rocky orchestra, and an orchestra composed of members of the family of Mrs. Alf. Noble. An excellent demonstration in club-swinging was also given by Miss Mary Lamb.

Besides the chairman's address, there were also short impromptu speeches by Reeve Bell of Durham, Reeve McDonald of Bentinck and the editor of this paper.

The gate receipts amounted to over \$95 to which must be added the proceeds of the booth, which did a thriving business.

GET YOUR NAME ON VOTERS' LIST

Registrars Now Preparing Lists for September 14 Election and Are Ready to Receive Names of Those Entitled to Vote.

The present is the time for everybody to see that his name is on the list being prepared for the election next month by the registrars appointed for the purpose.

It makes no difference if your name is on the regular list; voters should see to it that it appears as well on the lists now being prepared for use on September 14. It is the duty of everybody to look after this and if, when election day comes around, you find you are not on the list, you have no one to blame but yourself. Registrars, like the rest of us, are human, and may overlook placing a name on the list that should be there.

The absence of a name from the voters' list does not necessarily say that he shall have no vote. In cities or municipalities over 3,000 population, even if the name is missed, a properly qualified voter may demand a ballot on taking the oath, but must also have some other voter in the polling subdivision take the oath as to his eligibility also.

This procedure is entirely unnecessary, however, and is the cause of considerable inconvenience. The easiest way out is to take the time now and see that your name is given to the registrar.

For Durham the following registrars have been appointed: North Ward, B. H. Willis; East Ward, Dan McLean; West ward, C. C. Elvidge.

HARVESTERS' EXCURSIONS HAVE COMMENCED

Annual Trek to Western Fields Commenced Tuesday, When Several Departed for Harvest Fields.

The annual western excursions to the harvest fields of Manitoba, Saskatchewan and Alberta commenced Tuesday when several from here left on the afternoon train for Toronto to embark that night at midnight on the first harvesters' excursion train of the season. Quite a number left on the C. N. R., while a few went by way of C.P.R.

Another excursion leaves tomorrow, which it is expected will draw even more than the first one. A few of the employees of the Durham Furniture Company were among those who left, but who are expected to return when the harvest is finished.

WELL-KNOWN FARM SOLD LAST WEEK

William Keller Disposed of Fine Holding Five Miles South of Town to Norman Schenk of Normanby.—Has Purchased Gordon Geddes' Property East of Town.

A farm deal of considerable importance was concluded last week, when, on Thursday, Mr. William Keller, near Barber's Corners, disposed of his fine farm to Mr. Norman Schenk of Normanby. The price paid was \$8,500, and Mr. Schenk gets possession on the first of March. Mr. Keller has occupied this farm for the past twelve years.

When he disposed of the farm, Mr. Keller had no prospects in sight, and told The Chronicle that he was not at all sure what he would do. When we suggested that he might buy another farm, he stated that this was about the last thing he would do. He had given up farming for excellent reasons, and if he had any immediate notion of going back to the game, he thought he was very foolish to have disposed of his late holding, which was an excellent farm in the very best state of cultivation, in fact better than anything he knew which could be purchased.

Saturday, however, Mr. Keller learned that Mr. Gordon Geddes east of town, would possibly sell, went out to see him and the place, and was not very many minutes in making the deal. The papers were drawn out early Monday morning, and possession is to be given on the first of next March. Mr. Geddes, we understand, has no immediate prospects, but will in all probability purchase a farm when he finds one to suit him.

TRUCK DRIVER BROKE TRAFFIC LAW

L. Bondi, Mount Forest, Before Magistrate Laidlaw, Fined for Speeding on Durham Streets.

L. Bondi, the well-known Mount Forest wholesale fruit dealer, was before Magistrate Laidlaw Saturday afternoon to answer the charge that one of his trucks, driven by his son, had been driven at too fast a pace through the streets of the town about 7:30 o'clock on the morning of the 31st ult. The charge was laid by Constable Allen.

Witnesses for the prosecution were Messrs. A. D. Noble and H. J. Snell, the former judging that the truck on the morning in question had been driven about eighteen to twenty miles an hour, and the latter, while not stating any speed, said the vehicle was travelling quite fast.

For the defense, Mr. Bondi's son stated that he had not broken any speed limit, had been driving about 20 miles an hour when coming in from Mount Forest, but had slackened up south of the Ford garage and had passed the crossing on the main square at a speed not in excess of the speed required by law, 10 miles per hour. With him on the truck was William Brocklebank, who also swore that the truck was not travelling at an excessive speed, this latter witness stating that he knew the crossing at the main corner and had told Bondi to slow up.

Upon summing up the evidence, Magistrate Laidlaw assessed Mr. Bondi, the owner, with \$15 and costs, \$20.75 in all, and in imposing sentence, warned the defendant that in the case of trucks especially, greater caution would have to be used in approaching intersections and driving through towns and other populous places.

EDGE HILL SCHOOL HELD GARDEN PARTY

Third Annual Gathering Held on No. 3 School Grounds Last Thursday.—Other Edge Hill News by Our Own Correspondent.

The third annual "Garden Party That Is Different," under the auspices of Edge Hill Sunday school, was held on the school grounds on Thursday evening, August 12. The weather was threatening rain all day but held off well. There was a light shower just as the program commenced, which nearly disrupted proceedings, but it cleared again, and the program went on. An interesting game of softball between Rocky Saugeen and Hunsan teams was played in Mr. Thomas Glenelg's field adjoining the school grounds. It was a good exhibition on both sides, but the Rocky team won out the score being 12-10. After the ball game, tea was served, and the long tables were laden with ample provisions to satisfy the needs and the tastes of all. The grounds were brilliantly lit with the electric lighting out of Smith Bros., Durham. After tea Mr. J. G. Banks

NARROWLY MISSED LOSING SIGHT OF ONE EYE

Linus Vasey, employed at the Durham Stone and Sand Company, had a narrow escape from losing the sight of one eye on Sunday while at work repairing the digger. In some manner the hook on one of the chain falls on the machine swung around and caught him over the eye, considerably lacerating the flesh and forcing him to secure medical treatment.

Had the hook descended a little lower, it would have punctured the eyeball and deprived him of his sight. Mr. Vasey is progressing very favorably and will be able to resume work shortly.

DR. MacGILLIVRAY TO LAY CORNER STONE TUESDAY, AUGUST 24

Extensive Program Arranged for an Impressive Ceremony Next Tuesday Afternoon Commencing at Three o'Clock.—Mrs. William Park of Durham to Assist in Ceremony.

Tuesday of next week will be a big day for members of the Presbyterian congregation of Durham and vicinity, the occasion being the laying of the corner stone of the new place of worship being erected at the corner of Lambton and Albert streets. Since early spring, the work has been rushed, and with the foundation completed and everything ready for the walls proper, the laying of the corner stone means the completion of the first step in the erection of their handsome new building. Following this ceremony, the completion will be only a matter of a few weeks, and with the walls in place and the roof on, the final touches for the completion of the interior of the building and making it ready for the holding of regular church services will not take long.

Last week it was not known until too late for publication the exact date at which this important ceremony would take place, but since then the date has been definitely fixed for Tuesday, August 24.

The ceremony is to open with the singing of Psalm selection No. 110. This is to be followed by the reading of the scriptures by Rev. Peter Reith of Tara. Rev. B. D. Armstrong, the chairman, will then deliver the address of welcome and will be followed by Mr. Andrew Derby in an enumeration of the documents to be placed in the stone.

The honor of presenting the silver trowel to Dr. MacGillivray has fallen to Mr. Dan McArthur, and at the same time a bouquet of roses will be presented to Mrs. Park. The address and dedicatory prayer is to be delivered by the Rev. D. T. L. McKerrill of Victoria church, Toronto.

The ceremony of the laying of the corner stone will be the next part of the program, this being taken by the Rev. Dr. A. J. MacGillivray of Guelph, Moderator of General Assembly of the Presbyterian Church in Canada. He will be assisted by Mrs. (Rev.) William Park of Durham, widow of the late beloved Rev. William Park, the first Presbyterian minister in Durham.

Following the ceremony, there will be the address of the day by the Rev. Dr. MacGillivray, who will be followed in a short address by the Rev. J. C. Major Tolmie, D.D., Southampton. The addresses will be followed by the offering.

Short addresses will also be delivered by Rev. R. G. McKay, M.A., Walkerton, Moderator of Bruce Presbytery; Rev. Mr. McCulloch, Kincairdine, Clerk of Maitland Presbytery.
