

THE DURHAM CHRONICLE

VOL. 59.—NO. 3094.

DURHAM, ONTARIO, CANADA, THURSDAY, OCTOBER 7, 1926.

\$2.00 a Year in Canada; \$2.50 in U. S.

HIGH SCHOOL TEAM WON BOTH GAMES

Defeated Flesherton and Markdale at the Former Place in Tournament Held Thursday Afternoon.

The Durham High School Girls' softball team went to Flesherton on Thursday afternoon to take part in a softball tournament in that village. The competing teams were the Flesherton, Durham and Markdale High school diamond stars, and they furnished plenty of thrills for the fairly large crowd of spectators present.

The Flesherton and Durham teams were drawn for the first game, the final score being 12-9 for the Durham team. At one time it looked as if the Fleshertonians had the game on ice but they went up in the air in a critical inning and the staid Durhamites nosed them out by three runs.

The second game between Durham and Markdale was not nearly so interesting to watch, as it was seen from the commencement that it was only a question of how large the score would be. The final tally was 11-4. Both games were very interesting, however, from the angle of the High School fans in attendance, all of whom vied with each other in seeing who could make the most noise.

Following the games the pupils of the Flesherton school entertained the visiting teams and their friends to coffee and sandwiches, the luncheon being served in the beautiful tourist camp in the village, which for beauty, convenience to town, and accommodation, is second to none in the province. Gathered around a big camp fire, the company spent a merry hour, departing for home shortly after dark.

The local players on the team representing Durham were: Mary Beaton e, Blanche Murdoch p, Erma Keller lb, Mary Brown 2b, Grace Baird 3b, Florence Macdonald ss, Lizzie Hind rf, Annie Arnett cf, Christine McAuliffe lf.

During the game, Mary Brown of the local team, while sliding home, had the misfortune to fracture a small bone in her ankle and was forced to retire. Her place was taken by Norma Gagnon. Miss Brown is confined to her bed, and will be for some days yet, as the result of the accident.

UNDERWENT OPERATION

Miss Esther McLean, daughter of Mr. and Mrs. Lachie McLean of the Rocky, and last year teacher at the Dromore school, was admitted to the Red Cross Hospital here last Thursday suffering from an attack of appendicitis. It was seen that an immediate operation was necessary, it being performed that morning by Dr. D. B. Jamieson. Miss McLean's case is reported as the worst one yet admitted to the local hospital, and for a time it was not known whether she would recover. We are pleased to report this week that she is making very satisfactory progress.

"ANNE WHAT'S-HER-NAME" IN MARKDALE YESTERDAY

Local Players Put on Concert For Fall Fair Night.

The A. Y. P. A. Players of Trinity church were in Markdale yesterday and in the evening put on the programme for the fall fair concert.

This play is a good one, is well presented, and no doubt the Markdale residents would enjoy it.

HON. FERNAND RINFRET Who has been given the portfolio of Secretary of State in the Mackenzie King Cabinet.

OFFERS MILLIONS TO BELGIUM
M. Alfred Lowenstein, Belgian banker and sportsman, who announced from Biarritz that he was in a position to offer to the Belgian Government a loan of £10,000,000 for a minimum period of two years without interest. He usually travels by air, and his fleet of aeroplanes, fitted with office appliances, is said to cost him \$100,000 per month.

SPECIAL SERVICES COMMENCE SUNDAY

Special Evangelistic Services of the Durham United Churches to Be Held Next Week.

Rev. John Coburn of Toronto, one of the Field Secretaries of the Department of Evangelism and Social Service, will conduct a series of services in Durham under the auspices of the United churches of the town.

He will begin his work on Sunday next, when he will preach in the Queen Street church at 11 a.m. and in Knox church at 7 p.m. He will also conduct a service for men only in the Queen Street church at 4 p.m. From Monday until Friday there will be afternoon services every day. The afternoon services will be held in the Queen Street church at 3 p.m. and the evening services in Knox church at 8 p.m. Several of the evening services will be illustrated by lantern slides, especially prepared for such service. The public are cordially invited to attend all these services.

What They Say About It

"I do not hesitate in saying that I believe this work to be invaluable to the church. I heartily wish that all the people of our church might hear these addresses."—A Pastor.

"The special addresses to men and boys were forcible, informing and timely. We need more of just such straight-from-the-shoulder preaching."—A School Inspector.

"My son has been deeply interested in the talks to boys. He has made definite decisions concerning his own life which will doubtless mean his highest good now and in the years to come."—A Mother.

"The address on 'A White Life for Two' has my highest approval, both as to matter and method."—A Medical Doctor.

PRICEVILLE FAIR HELD LAST FRIDAY

Annual Fall Fair of Priceville Agricultural Society Again Proved a Popular Attraction.

The annual Fall Fair of the Priceville Agricultural Society is again a thing of the past, this popular event taking place last Thursday and Friday. The attendance this year was not up to some previous ones, the funeral of a long resident of Glenelg, who lived near the village, being one cause. The cool weather, too, may have had something to do with the falling off, and the rain shortly after the middle of the afternoon kept some from Durham from attending who had planned on visiting the fair but could not get away earlier.

The exhibits this year were pronounced good, though the Priceville Fair, like others in the neighborhood fell down in some classes, this being caused by the poor crops in this district this year.

Taken altogether the fair this year was fully as good comparatively as any in the vicinity. In the evening the usual concert was given, the program being given by the Coronado Quartette of London.

The full prize list will be found on another page in this issue.

Man (in barber chair): Be careful not to cut my hair too short—people will take me for my wife.

CANADIAN GREYS I.O.D.E. HELD FIRST FALL MEETING

Much Business Done at Meeting Held at Home of Regent Tuesday Evening of This Week.

The opening meeting for the fall season of the Canadian Greys Chapter, I.O.D.E., was held at the home of the Regent, Mrs. G. S. Kearney, on Tuesday evening. There was a good attendance.

The meetings of the Chapter have been discontinued during the summer months, and there was of necessity a great deal of business to be gone over. It is the intention of the Chapter to have the sale of poppies in November as usual. They are also intending having a rummage sale some time this fall.

The Chapter expects at some future date that can be arranged, to have Mrs. (Dr.) Lorne Robertson of Stratford give a talk on her recent trip through the Mediterranean and the Holy Land.

It is altogether likely that before long the Chapter will be housed in quarters in the McIntyre Block, and this will be a most convenient place to hold the monthly meetings of the society.

The meeting on Tuesday was a good one and while quite a lot of matters of public interest were before the meeting, there were also a number of schemes of the society discussed that it might not be discreet to publish. We may say, however, that the charitable schemes of the I.O.D.E. are not being forgotten this year, but that they are entering into the fall campaign with even more vim than ever before.

DURHAM STORES ENTERED BY THEIVES

At Least Three Business Places Had Visits From Light-Fingered Gentry

Inside of the past ten days no less than three stores in Durham have been entered at night and several dollars' worth of goods taken. The Billiard Parlor was victimized to the extent of several dollars in cigars, cigarettes and tobaccos, Harding's hardware entered and a number of flashlights and other hardware taken, while the drug store of T. M. McFadden was also entered.

That it is just a case of common thievery is quite evident and on the face of it looks like a local job. Had the genuine burglar been on the job it is not likely that he would have stopped at a few dollars' worth of tobaccos and hardware. That it was the work of someone other than the small boy is also evident from the manner in which the pool room was entered.

While nothing much has been said about the matter about town, we understand the police have been working on the case and may have sufficient evidence shortly to warrant making an arrest.

EGREMONT PLOUGHMEN WILL COMPETE TOMORROW

Tomorrow, commencing at 10 o'clock, will be a big day for the Egremont Ploughmen's Association, the date of their annual ploughing competition, as announced two weeks ago, being Friday, October 8. It will be remembered that last year this event had to be called off owing to inclement weather, but this year the directors have gone into it with more determination than ever to make it an outstanding success.

It is to be hoped that the weather man will be kind, when we predict a large entry list and a record crowd of spectators.

DURHAM BOWLERS HELD MIXED TOURNAMENT

Pleasant Time Spent On Local Green Last Thursday Afternoon.

A mixed bowling tournament was held on the local green last Thursday afternoon, ten rinks of local bowlers competing. A rink skipped by Mr. J. S. McIlraith and composed of Mrs. G. McKechnie, Mrs. S. McIntyre and Mrs. Frank Irwin, winning first place, the ladies receiving a china vanity lady and the gentlemen hosiery.

Addition
"How old are you?"
Bobby: "Eleven."
"But you were only five last year."
"That's right. Six this year and five last year. That makes eleven."

It isn't an insult to call a man a worm. He gets, and gets, and then the worm gets him.

COLUMBUS UP-TO-DATE

LITTLE BUSINESS AT COUNCIL SESSION

Town Fathers Occupied Monday Evening in Discussion of Routine Business Generally.

Among the many things that came up for discussion at the regular session of the Town Council Monday, was the matter of the unpaid taxes owing the municipality. In the discussion of the matter some of the Councillors were of the opinion that it was unfair to those who paid their taxes to allow the matter to go any further and the result was that the collection of the back money is now, or soon will be, in the hands of the town solicitor. Some who claimed hardship, it came out in the discussion, drove automobiles. "If they can afford to keep these machines in operation all summer, then they can afford to pay their taxes," voiced one councillor, to which there was no objection.

The business on Monday was generally routine, though there were a few special matters before the board. Mr. F. W. Kelsey appeared with a bill for \$25 a week for 29 days for damage done to his photo gallery during the blasting preparatory to the building of the new wing at the Garafra street bridge. Mr. Kelsey said that he had put his estimate very low and would ask for a settlement. He did not wish any trouble but if the account were not paid he would be forced to take action. The matter was referred to the committee on the bridge and the amount will be held back from the amount to be paid the contractor.

There was a petition from some of the residents in upper town asking that a light be placed in the neighborhood of Hugh McDonald's residence. It was felt that it was the shade trees that were responsible for the darkness at night, that the lights in the main part of upper town were as close as in any other residential district, and the matter was laid over for future consideration.

I. Tinianov applied to the Council for a permit for the keeping of raw furs at his storeroom on the main street and for a time the discussion had a decidedly aromatic flavor. It was not forgotten that last year Mr. Tinianov had furs stored inside the town limits and during the mild spells occurring throughout the winter the aroma from the hides was both felt and smelt over a wide area to such an extent that the residents nearly had to resort to gas masks and sprinkle essence of peppermint in their tea to persuade themselves that they were not imbibing skunk-oil. Like a certain brand of pickles and other commodities manufactured by a well-known firm, the town had about fifty-seven flavors, according to the temperature, and, like a well-known brand of jaw exerciser, "the flavor lasted."

The Council felt that Mr. Tinianov deserved some considerations in his business and granted his request, but specified that he would have to cork up the bottle during the warm spells and keep his smells at home or the privilege would be promptly cancelled.

A communication was read from the Bell Telephone Company asking permission for the erection of poles on certain streets for the extension

(Continued on page 5)

HANOVER MAN MAY BE CHARGED

Alfred Yung, Suspected of Arson, Had Preliminary Hearing Yesterday.—Was Out On Bail.

Police Magistrate Creaser, County Crown Attorney Dyer, and Provincial Constable Denton, of Owen Sound, were in Hanover Wednesday afternoon for the purpose of conducting the preliminary trial of Alfred Yung, a resident of that town, who is charged with the serious crime of arson. Yung is the proprietor of a hall in Hanover commonly known as the "dance hall," and on the evening of September 28 fire was discovered in the place in several parts of the hall and there was plenty of evidence that the fire was of incendiary origin, as there was a blaze discovered under the stairs and a can of coal oil close to it, while another fire was found under a Chesterfield and in other parts of the hall. The building is also occupied by a Chinaman who operates a restaurant. Yung is accused of setting fire to the place and was arrested a few days ago but is out on bail. He had \$1,000 insurance on the contents of the hall, of which he was the lessee, and the Chinaman had \$1,800 insurance on his furniture and fittings.

FAMOUS MARATHONER
Johny Miles, of Sydney Mines, N.S., the wonderful little runner, who will meet the best long distance men of Canada and the New England States in October for the Halifax Herald Marathon Trophy.

TORONTO STAR TROPHY STILL REMAINS IN DURHAM

Arthur Rink Fails to Lift Cup in Challenge Game Here Yesterday.

Durham bowlers won again, and the result is that the Toronto Star trophy still reposes here for a short time at least.

Yesterday an Arthur rink came up to play for the silverware which was only recently brought back from Chatsworth. A Durham rink consisting of Messrs. T. Henderson, S. MacBeth, T. Goodchild and W. Calder represented Durham in the contest and when the full number of ends had been played the Durhamites were up eight shots and retained the silverware.

Salt has a very agreeable taste in hot water, explains a mystic, if a stein of beer is added to half a tea spoonful.—Kingston Whig.

GOOD ATTENDANCE AT ANNIVERSARY

Large Congregations at Annual Anniversary of Mulock Baptist Church on Sunday and At Entertainment On Monday Evening.—Other Mulock Correspondence.

The anticipation of the Mulock Baptist congregation for a beautiful day on Sunday last for their anniversary services was fully realized. The Rev. James Taylor of Durham delivered discourses of commanding earnestness and power at both services.

The morning subject for discussion was based on the topic, "The Origin, Development and Destiny of Church." The origin of church is a personal faith in Jesus Christ. We cannot do away with the personal element in religion. God does not save in groups, but as individuals. One by one we pass into the Kingdom, each one repenting, believing and confessing. Because the church is made up of men and women exercising a personal faith in a personal Saviour, it is capable of constant revival and renewal, and as long as there is spiritual experience created by the exercise of faith in Christ, so long will there be a church.

The development of the church is the work of God. Christ did not say, "Here is a rock; on this rock build a church," but, "here is a rock, and on this rock I will build a church. The development of the church is divine and not human, therefore, we are not responsible for success or failure of the church—but we are responsible to God for the quality of service we render to the church.

The destiny of the church will be that of triumph. Against the church the gates of death can never prevail. She will survive her heroes and outlive her greatest apostles. Her mighty mission will go on until completed and through her the world shall come to the knowledge of Christ.

The Evening Subject

The supreme question, "What then shall I do with Jesus which is called Christ?"

This question was asked by Pilate in the course of the trial of Jesus Christ. The Pharisees and elders were determined to put Christ to death, but Pilate was convinced that Jesus was an innocent man and desired to set him at liberty. He therefore asked the people, "Whom will ye that I release unto you, this (Continued on page 5)

MUSICAL ECKARDTS HERE NEXT WEEK

Noted Family of Swiss Bell Ringers Appear in own Hall October 15.

The Musical Eckardts are billed to play Durham Town Hall on Friday, October 15. Since their last visit to Durham four years ago the Eckardts have made one return trip from Vancouver to Halifax, playing nearly every place in Canada and the border States.

The company includes four new performers this season and Burnard Eckardt, comedian with the party. The Doreen Sisters, English tap dancers, lately arrived from England, will be seen and heard in the same song and dance turns they have been presenting in London theatres for the past year.

Miss Mavis Berry, late of the Brandon Opera Company, has been engaged for this tour and Percy Morgan, pianist, is another new member.

Smilin' Charlie Says—

"Th' north winds will soon blow, and we shall have snow, and what will th' flappers do then?—Roll th' sock a bit lower, raise th' skirts some more, and bear it with a great big grin."
