(Our Own Correspondent)

The Q'Neil Bros. have made short work of threshing along the 6th Concession and had quite a few barns along the 8th as well.

Zionites are holding anniversary services on Sunday. The morning service at 11 o'clock is to be taken by the Rev. F. N. Bowes of Markdale, the evening service at 7.30 under the pastor, Rev. J. E. Peters. A big anniversary entertainment is to be held in the church on Monday evening when an excellent program is to be given and lunch served.

A big group of married folk joined with the young people on Friday evening of last week and all repaired to the home of Miss Edith Teeter, where, after order was called, she was presented with a complimentary worded address, a handsome tray and fine collection of glassware, as tokens of appreciation for her helpfulness in Zion's service of song and for her readiness to assist at any social function in the neighborhood.

Miss Teeter is soon leaving the neighborhood and has made many friends during her sojourn amongst us.

Mrs. R. E. Richardson of Durham and her son, Lieut. Mitchell Richardson and wife of Windsor, spent a couple of hours at your scribe's home on Sunday evening. The latter has just returned from a six-months' sojourn with her kindred in "Dear Old England."

Miss Reta Barbour and friend spent Sunday with Mr. and Mrs. Jos. Lennox in Egremont.

Our better half is away this week assisting in nursing her sister, Mrs. George Henry of Dunnington, who is seriously ill. Miss Mina motored over on Sunday and returned the same evening.

The telephone poles have all been erected along the 4th and 6th Concessions and soon the Bell linemen will be stringing the wires. Durham will be the central for this last long bunch of subscribers.

Mr. Purvis of F. T. Hill & Co., of Markdale, was through this vicinity on Tuesday purchasing sweet clover and giving very fair prices.

A goodly number have the potato crop housed and report a good yield, with very little rot.

Mr. and Mrs. Albert Livingstone and Mrs. J. Aldred of Durham, Mr. and Mrs. Will Kennedy and son Marshall, and Mr. and Mrs. Ivan Edwards of Shelburne, spent Sunday evening at the home of your scribe.

Mr. and Mrs. Ben Coult and family of Bentinck, and Mrs. Joseph Atkinson of near Durham, were guests of Mr. and Mrs. J. R. Edwards on Sunday evening.

Mr. Ab Teeter is holding a big auction sale on Thursday of this week, Mr. John O'Neil being the auctioneer. Ab has some fine cattle and never fails to have them in prime condition.

LITTLE BUSINESS AT COUNCIL SESSION

(Continued from page 4)

of their business in town. The permission was granted.

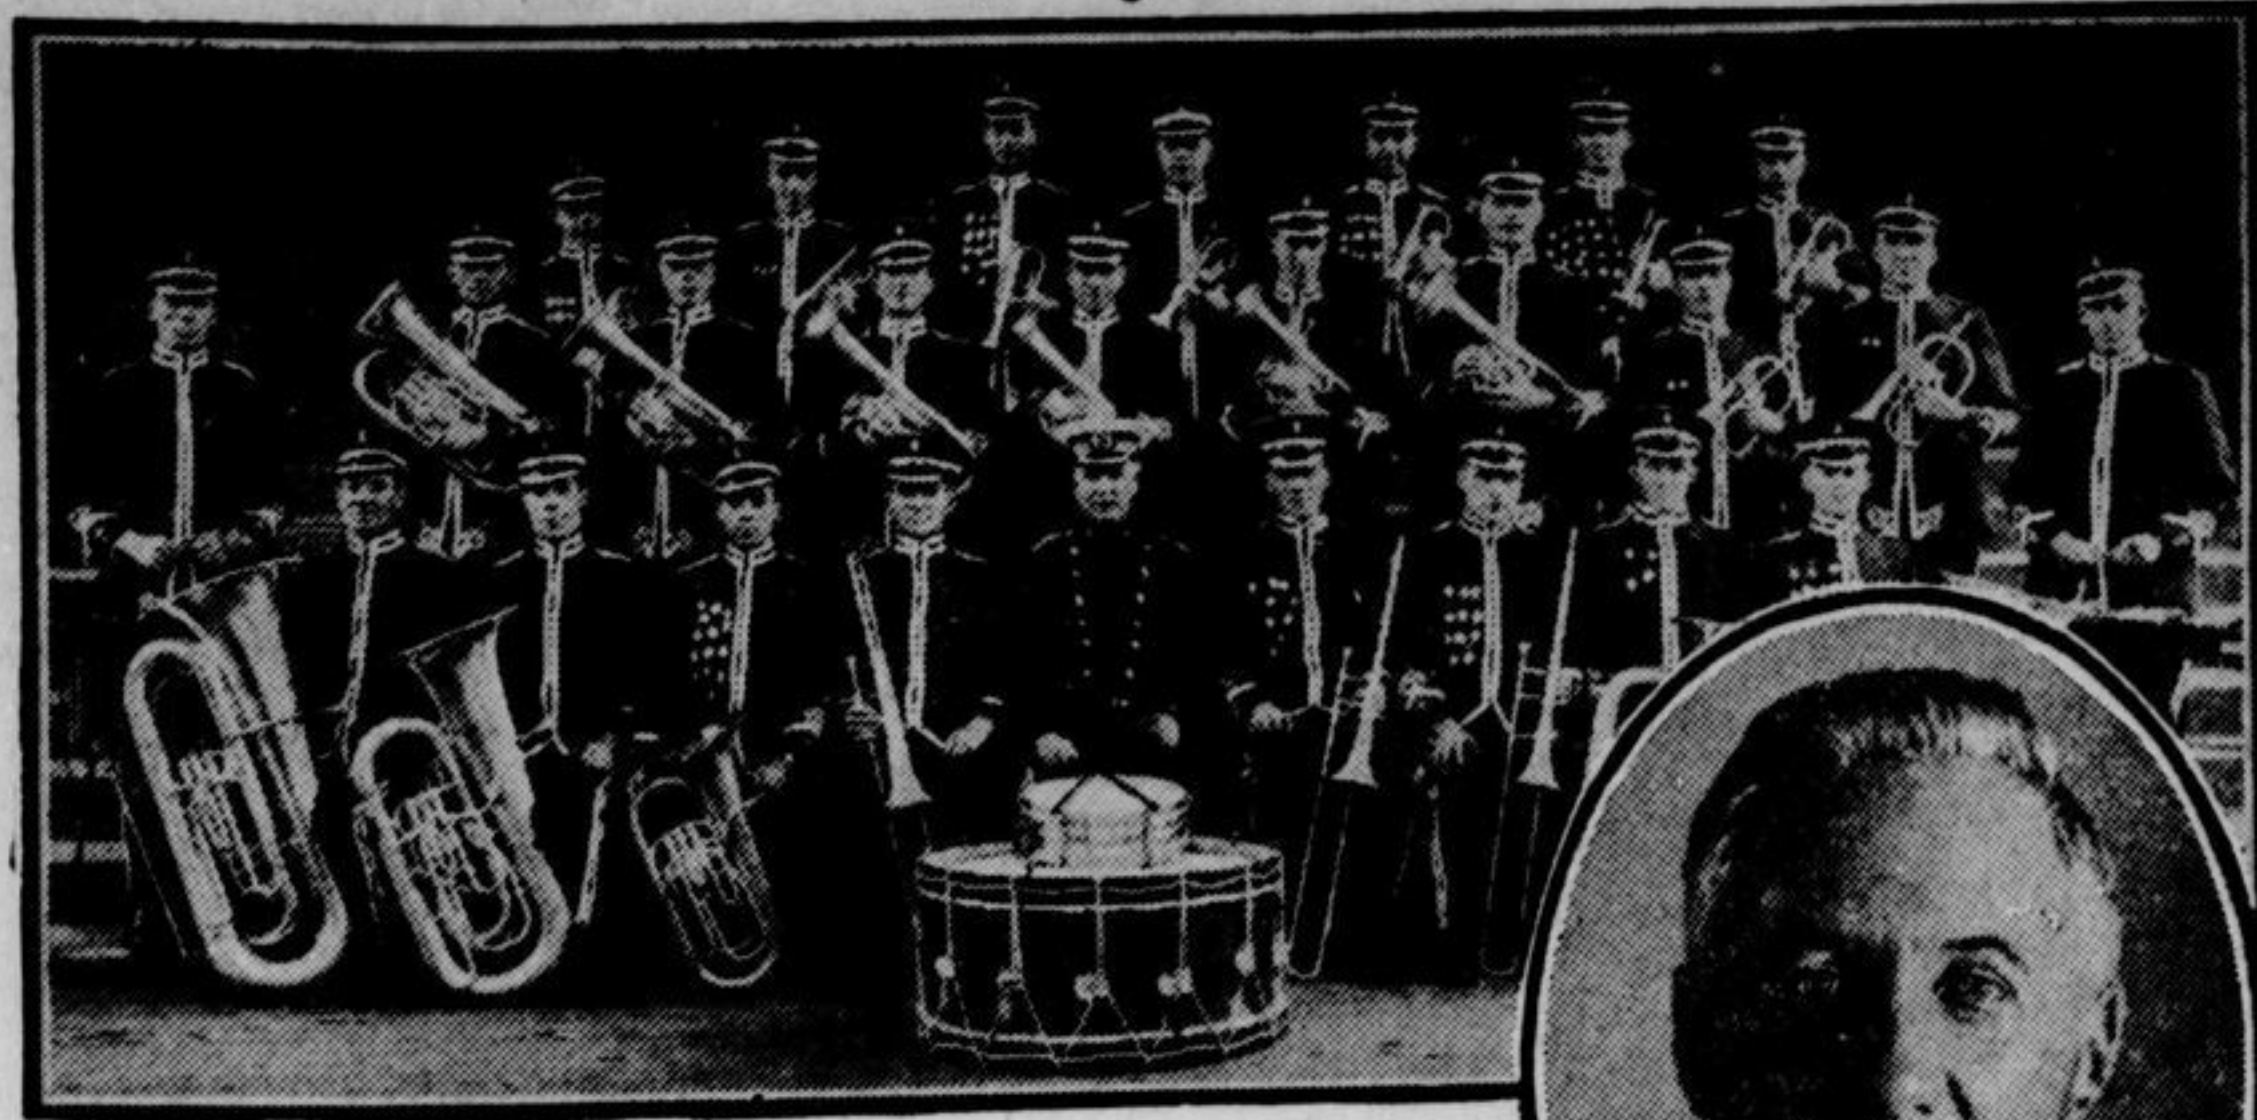

The Finance Committee passed and recommended the payment of accounts amounting to \$1,071.03. This does not include the amount owing on the repairs to the Garafaxa street bridge, this alone being contracted for at \$1,490.

In dealing with the settlement for the bridge repairs, the Council were of various opinions. When the original contract was accepted there was no mention of the proposed sidewalk at the side of the bridge, this being a subsequent verbal agreement in which the contractor agreed to do the whole job for the contract price. The stringers to be used were six-inch steel, but the county engineer would not stand for this, insisting, as a matter of safety, that the stringers be not less than twenty-four inches. The cost of these alone, laid down in Durham, was considerably over \$1,000.

Reeve Bell thought that there should be some reduction in the contract price because the sidewalk had not been built, but it was brought out that the contractor was still willing to live up to his agreement with the six-inch stringers. The contract too was before the council and it specified only the new abutment and it is the general opinion that the signed contract is the only one that is valid, even though witnesses can be produced to show that a further verbal agreement was entered into. The completed job is regarded as a first-class piece of workmanship, and in any event it is thought that the town received full value for the money expended so far as the contractors are concerned. The Board of Works will have the handling of the matter, and a motion of Councillors Noble and McClocklin that the account be paid was carried.

Councillor Noble applied for permission for the erection of an extra gasoline tank in front of his premises, which was granted.

Australian National Band Visits Canada

For the first time in history, the people of Australia have sent out a representative band to Canada. Selected from every state in the Commonwealth of Australia, this group of 25 expert musicians will make a comprehensive tour of the Dominion under the name of "The Australian National Band," giving concerts at the principal cities along the way. They came to Canada directly from England, where they competed in the famous English Band Contest at Manchester. This completed a lengthy engagement in England. Previous to this the band spent six weeks in South Africa and in all, including engagements in Australia and New Zealand, the band has been

on tour for the past ten months. The Canadian tour opened September 25th at Quebec, where the musicians arrived over the Canadian Pacific steamship lines. The reception given to the band at the Ancient Capital was excellent. Complete arrangements for concerts across the Dominion had been made by Lieut. H. Gladstone Hill, director of publicity and manager of the Canadian tour. In Montreal the Australian Band was featured in the McGill University Reunion celebration on October 4th, to which function the band had been invited as guests. In the afternoon of the same day the band played for the march past of the Ancient and Honorable Artillery Company of Boston,

upon their visit to Montreal. One of the most noticeable features of the band is its versatility, grand opera, church music, and jazz, all being rendered with equal success and skill. When they cross Canada on the Canadian Pacific lines and sail for Australia from Vancouver they will have circled the globe.

SERIOUSLY ILL IN TORONTO HOSPITAL

Mr. G. R. Pearce Undergoes Serious Operation Today For Brain Tumor

Taken ill about two months ago, Mr. G. R. Pearce of Stratford son-in-law of Mr. and Mrs. E. W. Limin of this town is now in Toronto General Hospital and today undergoes a very serious operation for tumor on the brain.

Mr. Pearce, who has had two minor operations performed in the past few weeks, was taken to the Toronto General Hospital a week ago last Tuesday for treatment by a specialist. His trouble was finally diagnosed as brain tumor with an operation offering the only means for his ultimate recovery. His trouble has affected his eyesight considerably and for a time it was feared he might lose it altogether.

Mr. Pearce is well known here and has many friends in town who will hope for his quick recovery.

GOOD ATTENDANCE AT ANNIVERSARY

(Continued from page 4)

man or Barabbas? And when the people, influenced by the elders, asked for the release of Barabbas, he said, "What, then, shall I do with Jesus which is called Christ?"

It was a question of Pilate's perplexity, but it is also a question which concerns the whole human race, a question which concerned the nations, the churches, the people and the individual. The fate of all is determined by their attitude toward Christ. If the nation rejects Christ and his laws, Christ will reject the nation. If the church rejects his truth, she will pass away and her mission be given to another. If the people reject him, calamity will befall them, and if the individual rejects him he thereby destroys his peace, his joy and his hope.

On Monday evening the congregation was pleased to have with them the Rev. C. W. King of Walkerton, who showed a fine set of colored lantern views and gave a lecture in connection with them. Rev. and Mrs. King were guests of their friends, Rev. and Mrs. Crickington, while there.

Miss Irene Dunn underwent an operation Saturday afternoon in Durham hospital for mastoid trouble, the operation being performed by Dr. D. B. Jamieson. This is the third or fourth operation Miss Dunn has had to undergo for this trouble. Her many friends hope she will soon be restored to her usual health.

Miss Eva Rerford visited Mr. and Mrs. Will Adlam and family over the week-end.

Mr. and Mrs. Peter Hay and Mrs. Hugh McDonald visited at the homes

of Mr. Donald McKechnie, Miss Hobbkirk and Mr. Donald McDonald, last week.

Mrs. Anderson of Chesley, and daughter, Mrs. McGregor of Crawford, were visitors at the home of Mr. Donald McDonald and Mr. A. C. McDonald.
