GO-TO-SUNDAY-SCHOOL DAY SUNDAY, MAY 8

How much does the community owe to the Sunday School? What would be the moral and religious conditions if the community were deprived of this agency for the development and training of Christian character? It has been pointed out by leading statesmen of the past and present, that our present civilization can stand only as it rests upon strong moral and religious foundations. Secular education must be reinforced by religious education, if we are to have Christian character and Christian conduct. This is the task and responsibility of the home and the church, and requires the whole-hearted co-operation of parents and teachers to secure a united effort in the interests of childhood and youth.

In order to draw special attention to the place and importance of the Sunday School, and the part it plays in the building of character, a day is set apart once a year throughout Canada, and called Go-to-Sunday-School Day. It is held on the second Sunday of May, which falls this year on May 8th, and takes the form of a rally of all, both young and old, to join in the work of the Sunday School, and to give it their enthusiastic support. Since this is also observed as Mother's Day it therefore serves a two-fold purpose.

How can the two-fold purpose of this day be fulfilled? We can give honor to those in the home who carry the burden of responsibility and especially to the mothers, who by their patience, their endurance, their loyalty and their self-sacrificing service, are helping to make earth "a little bit of heaven". We can encourage, by our interest and presence in the Sunday School the teachers and officers who are giving unselfishly of their time and effort to help boys and girls to more abundant Christian living. We can join, with our children and young people in the special services in Church and Sunday School and

resolve to put our influence behind this work in our own community and throughout the Province of Ontario.

"Country, Home and Mother," has been prepared for use in the Sunday Schools on that day and is provided without cost by the Ontario Religious Education Council. This is the interdenominational Sunday School organization for our Province and is responsible for the promotion and leadership of 200 conventions, 20 Boys' Camps, 8 Girls' Camps, 4 Summer Leadership Schools and 38 Standard Training Schools held during the year in various parts of the Province. The task is too great for any denomination to accomplish alone, and this co-operative programme in which the various denominations are interested, calls for the loyal and generous support of all who are concerned with the moral and religious welfare of our boys and girls.
