her glory, a government proud of its wicked to sail boats on Sunday?" justice and equity. Ecclesiastical she demanded. organization broke down, and its reunfair and irreligious. There is no pleasure trip. This is a missionary aced that we should think of the boat going to Africa." matter in its theological, aspects. The greatest tragedy which the world has ever witnessed occurred through motives that are as modern as they could possibly be.

Institutions and organizations have their high value; but strong character, personal integrity, honest righteousness, are the only qualities that can guarantee the world against th miscarriage of justice and the tragic ruin of human hope. Jesus was crucified by those who were accounted good men and therein lies a solemn warning .-Youth's Companion.

Bodily and Mental Sanity

A New York physician, commenting upon the perhaps unusual number of suicides that have occurred lately among boys and girls of high school and college age, says that his study of the subject has disclosed the fact that not one of the suicides was that of an athlete. His conclusion is that athletics makes for a condition of bodily health and mental equilibrium that preserves a boy or girl from self-examination and worry that are so likely to break down the morale of

the mind. It is probable enough that this is so. The old Romans know what they were talking about when they prayed for a sound mind in a sound body. Plenty of lively exercise in the open air, cheerful association with others in the friendly compe-
