Traverston (Our Own Correspondent)

These are delightful days for work or holidaying. Miss E. J. Allan of Chesley was a guest at Mr. W. J. Cook's for a couple of days last week and was present at Zion's big picnic on Dominion Day.

Service in Zion next Sunday is at 1.30 to be in charge of Rev. W. H. Smith, Sunday School being held at the close of the service. A bonnie pair of lassies are Misses Isobel and Margaret Finn of Toronto, who spent the holiday season with Miss Margaret Greenwood and the Uncle J. H. Robinson's.

There were some happy surprises for many at Zion's picnic on Friday caused by the timely presence of Mr. and Mrs. John E. Montgomery of Toronto, Miss Flo Hunt of Weyburn and Mrs. Percy Hunt and two children of Ceylon, Mr. and Mrs. Peter Campbell of Saskatoon, Mr. and Mrs. W. J. McFadden of Orange Valley, Mrs. Phil Harrison and Miss Marjorie McLeod, Swinton Park. After a pleasant two weeks' visit to the old home, Miss Evelyn Cook returned to Detroit on Monday.

Mr. Gordon Ruthford of Galt spent a few days with his cousin, Rob Jackson on the 4th. Mr. George Street has been turning out a large quantity of fine shingles of late, having Jim Peart to assist him. Messrs. Arnold Noble and Geo. Ryan of town were around on Monday and picked up quite a shipment of live stock.

Fall wheat has improved wonderfully of late. Among those having specially fine fields are Messrs. Wm. Baker and Geo. Torrey on the 10th, the Peart Bros. on the 8th, and W. J. Greenwood on the 6th. Mr. John Orchard and three children of London, Mr. and Mrs. Will Orchard of Mount Forest were guests of Mrs. John O. Greenwood on Sunday.

Mr. Basil Davis and his mother spent the first of the week with Mr. and Mrs. Harold Lawrence in Egremont. Mr. and Mrs. Joseph R. Edwards, with baby Raymond Elmo, celebrated the first anniversary of their wedding day with Mr. and Mrs. Ray McCrea at Palmerston, Miss Mina Edwards accompanying them. A goodly number from this vicinity attended the splendid pageant held in the rink last week. Scores are wishing it would be repeated as 'tis claimed to be the finest and most instructive entertainment ever given in the town.

Rev. Mr. Fiddis held his first service in Zion on Sunday afternoon and had a fine discourse. He and Mrs. Fiddis have made a most favourable impression on the congregation. Miss Gladys Tufts and her brothers, Frances and Marion, and their nephew, Willie Tufts, and Keith Edwards of Detroit dropped in to the Edwards home at midnight Saturday. Frances and Keith returned to duties on Monday, the others are remaining for a few days and then intend to spend the rest of their fortnight's holidays in Eastern Ont.

Miss Kathleen Murphy of Toronto spent a few days at the parental home, recently. Members of Mr. John McCarthy's family were home from Detroit over the holiday. Mr. Malcolm Black purposes having a barn-raising on Thursday of this week. Messrs. Angus and Philip Dunbar of Detroit and sisters, Misses Mayme and Cassie of Chicago are at present visiting at the parental home on the 4th concession. Ever better than before! That is the verdict as regards Zion picnic on Friday. Nature was in her best mood, was garbed in her best and the big crowd, who gathered from far and near, were in a most congenial mood. Rev. Mr. Fiddis presided over the program, which was varied and bright. Over one hundred children were in line for the candy treat, the supper was bountiful and the races following were entered into with much pep and spirit and were keenly contested. The base ball match between Harold Sprung, Gertrude Dunn, Sydney Dunn, Eddie McDougall, (R), Jr. II to Sr. II—Roy Brunt, I—Jr. II—Levi Biemann, Sr. Pr.—I—Gordon Vickers, George Porter, Frank Sharpe, Jr. Pr.—Sr. Pr.—Carman Hopkins, Elsie Biemann, Ruth Vickers, Florence Kress, teacher.

Waubay and Edge Hill was a lively one and was of special interest to the big crowd of spectators. A most happy day passed into pleasant memories.

Holstein (Our Own Correspondent)

Mr. and Mrs. A. Tuck spent from Thursday to Monday with relatives in Georgetown. Miss Reta Roberts of Scotland is spending holidays at her home here. Misses Maria and Sarah Brown are visiting friends in Durham. Mr. Wm. Swanston and daughter of Regina called on Miss M. Swanston on Saturday. Mrs. Wm. Rife spent part of last week in Detroit attending the wedding of a friend. Mrs. Petrie came up from Toronto to spend a few days in the village. Mr. and Mrs. E. Hildyard are spending their vacation in Toronto and other places. Mr. Norman Urquhart and Mr. Richard Pearson of Detroit, spent the week-end with Mr. and Mrs. Hostetter. Miss Margaret Tyndall is spending the summer holidays near Cooksville. Mrs. Cockburn of Mount Forest is visiting her daughter, Mrs. W. Brown. Miss Eunice Tyndall has gone to Hamilton to take a course in Domestic Science during the school holidays. Mrs. Hawkey of Toronto is conducting a millinery class which meets each afternoon in the Agricultural Hall. The course is put on by the Women's Institute. Mr. and Mrs. Otto Seim and family of Bradford spent the week-end with Mr. and Mrs. Tyndall and other friends. Sympathy is extended to Mrs. John Moore whose sister, Mrs. Wm. Calver, died suddenly in Toronto last week. Twenty-six pupils wrote on the Entrance Examination papers here last week. Nine were from Holstein School. We wish them all success. Miss Jean Floyd was the bridesmaid at the wedding of her friend, Miss Eliza Patterson to Mr. Mead of Durham last Wednesday. After the wedding Miss Floyd left for her home near Chesley for the summer holidays. The Union picnic of the two Sunday Schools in the village took place on Monday afternoon in the Park and was well attended. An enjoyable time was spent in games, races etc., after which a bountiful lunch was served.

Hutton Hill (Our Own Correspondent)

Picnics are quite the order of the day as well as a few garden parties are to be attended. Weather for both being almost all that is to be desired. Miss Rebecca Grierson and brother Wm. of Toronto spent over the 1st at their old home here. A few from this part attended the big celebration in Owen Sound on the 1st inst. Mr. and Mrs. Alex Hopkins and three children, Mr. and Mrs. Lawson Hopkins and Marjorie were Sunday visitors with the Sharpe family at Welbeck. Miss Esther Petty, the school teacher here, and who is re-engaged for the coming year, left Saturday for a trip to Western Canada intending to travel as far west as the Coast. We wish her a pleasant trip and safe return. Mr. Alex Hopkins and babe Mr. and Mrs. Lawson Hopkins and Marjorie spent a day last week in Hopewille where Mr. Frank Hopkins is engaged at present. Mr. Earl Noble is engaged for a time with his brother George on the Gravel, north of town. Mr. and Mrs. Alvin Noble of near Varney visited kindred on this line recently. Mrs. A. M. McCormick of near

VISITED IN MUSKOKA

Ye Editor and wife were up to Bigwin Inn, Muskoka, last week, in attendance at the annual meeting of the Canadian Weekly Newspapers Association. Leaving Durham on the regular train, we caught a special at Toronto, arrived at Huntsville the following morning, had breakfast on the boat while crossing Lake of Bays, and arrived at Bigwin about 10.30. The party remained here until 7.15 Saturday morning when the return trip was commenced, arriving in Toronto in time to catch the night train home. It was a pleasant trip, and the beauties of the Lake of Bays district were a revelation to the larger number of the party, the majority of whom had never before visited that section.

CHANGES IN SCHOOL STAFF

Since the close of the Public school term, the Durham Board has had the resignations of three of the teaching staff placed in its hands. These are Sadie MacDonald, Edna Browning and Donalda McEachern. Last evening the positions had been filled, the Board having accepted the applications of Misses Kathleen Firth, Florence Kross and Daisy Mather, who will commence their duties at the opening of the term next September. Miss Firth taught last year at the Rocky, Miss Kross at Lamlash and Miss Mather at Knox, Normanby. She—"I'll never marry a man whose fortune hasn't at least five ciphers in it." He (exultantly)—"Oh, darling, mine's all ciphers."

RENHEIM IS SPENDING HER SUMMER VACATION WITH HER SISTER, MRS. THOS. MILLIGAN.

IF EVERYBODY DID IT!

Think for a moment what would happen if even for one week, everybody in town was to shop elsewhere—either in a neighboring town or by mail! Would it not cause consternation, and would not all business houses be very much concerned? They certainly would, and with good reason.

SOME DO THIS REGULARLY

—And what is the result? Every dollar sent to distant business houses is gone for good so far as that particular district is concerned, and merely serves to build up and maintain some distant town. The local business men are robbed of that circulation of money which during its ramblings might help dozens along the way.

HOW ABOUT PRINTING?

All business houses need more or less printed matter, all of which is within the possibilities of the local printer. Yet how prone many are to pass up the home printer and let the orders go to city offices which have no interest whatever in rural communities except to get printing orders and cash to pay for them. Business men, remember that the home paper is constantly promoting the interests of the home community and you owe it to yourself and your local paper to back up these efforts by at least having your printed matter done locally.

GREEN HAY FOR DAIRY CATTLE

(Experimental Farms Note) The farmer who expects to run a dairy herd successfully must plan for an adequate supply of green feed to carry his cows from the time the pastures begin to fail until real winter feeding begins. This is a critical period and if he allows his cows to fail either in flesh or milk production, he cannot expect profitable returns for his labor.

At the Experimental Farm, Nappan, sufficient green feed is supplied to carry the milking herd from about the twentieth of July until the pastures are done and they are stabled for the winter, which would be about the last week in October. The number of days which it will be necessary to feed green feed will, of course, vary from year to year but to be on the safe side one must figure on about one hundred days and it will take at least twenty pounds per cow per day. The man with ten cows would then require ten tons of green feed and to be sure of having enough he

should plan on having an excess over and above what he actually thinks he will need. On average soil, two acres should yield sufficient for these requirements. The crop which we have found most satisfactory is a mixture of oats, peas and vetches, seeded at the rate of one and one-half bushels of oats, one bushel of peas and one-half bushel of vetches per acre. There are other crops which might prove satisfactory but taking one year with another, the above crop can be depended upon to give a satisfactory yield of succulent and nutritious fodder.

I have lived and I have loved; I have waked and I have slept; I have sung and I have danced; I have smiled and I have wept; I have won and I have lost; I have had my fill of pleasures; And all these things were wearisome.

And some of them were dearness. And all these things, but two things, Were emptiness and pain; And Love—it was the best of them; And Sleep—worth all the rest of them.
