Thermometer Bursts

The weather the last part of last week became quite sweltering and Dominion Day just about reached a record for this part of the province. Proof of what is above stated is borne out by the fact that a large thermometer, which for 18 years was hung in the sun outside the door of the Ford garage in Grand Valley, was unable to register the peak of heat and exploded about three in the afternoon. The previous day and on other occasions this thermometer reached its maximum of 120 degrees F, but the strain was too great for it on Dominion Day and it succumbed. A new thermometer will be put in place in a short time.—Grand Valley Star.

Sidewalk Bylaw Carried

The voting on the bylaw for the raising of the fourteen hundred dollars for the construction of cement sidewalks in the village took place on Thursday of last week, July 7th, and resulted in the by-law passing, 40 voting for the by-law and 10 against. The Council will meet at once to give the By-law final reading and to make final plans where the sidewalks will be constructed. Tenders will be let at once for the work and construction is expected to commence in a short time. Several sidewalks are now necessary for the growth of new residences for the village has enjoyed the past couple of years, on the east side of Toronto Street, several road crossings will have to be built.—Flesherton Advance.

Farm Youth Rally

The Farm Youth Rally of South Grey was held in Flesherton on Friday afternoon last when a good crowd was present. The concert in the evening was held in the Church of the United Church when a debate was held between Mr. J. Normanby, and McIntyre on the subject: "Resolved: That all industrial disputes be submitted to compulsory arbitration." The former winning and are holders of the silver cup for one year. Miss Emma Oliver received the silver cup for public speaking on the subject of "Pioneers of Canada." No. 7, Normanby, also received the trophy challenge cup for their play "Squaring it with the Boss." The Onward Club was also successful in winning the challenge shield in softball winning from Holstein 7-3.—Flesherton Advance.

"King William" on Catholic Horse

The kind of co-operation that

prevailed here on July 12th and which enabled the local Orangemen to put across the biggest celebration in their history is shown by the way their Catholic confreres assisted in the program. Not only was at the front the procession, led by a Catholic but the white charger on which County Marshal J. P. Johnstone was mounted in the role of King William, was loaned free gratis for the stunt by its Catholic owner, Mr. Thos. Wolfe. Another of Mr. Wolfe's white team threw the Orange Marshal of North Bruce when he attempted to mount it and ride in the parade as King William's chief of staff.

Seeing that his steed had decided objections to functioning in such a parade, Tom felt it was up to him to get a mount for King William's chief officer, so he borrowed another Catholic charger from his father-in-law, Mr. John Schmidt, and so the procession moved on with the two Orange leaders mounted on a pair of Catholic equines that looked like lined descendants of the white quadruped that King William rode across the Boyne on.—Walkerton Herald-Times.

Killed on Highway

While motoring to Flesherton to visit friends, Mr. J. Ruthven of Toronto ran into and fatally injured Miss Elizabeth West, of Melancthon township, who was 84 years of age. The deceased had been visiting a friend, Mrs. McComb, on the highway and was being driven home by that lady at 9 p.m. Upon alighting from the car she passed around behind and onto the road and in front of Mr. Ruthven's car. The darkness and dust raised by passing cars prevented Mr. Ruthven seeing Miss West, who was then taken to Lord Dufferin hospital, Orangeville, where she succumbed to her injuries the same evening. Dr. S. T. White, the coroner, decided that an inquest was not necessary.—Flesherton Advance.

Daniel McDonald Dead

Daniel McDonald, a life-long resident of Genetz township, passed away on Monday, July 11th, at his home near Irish Lake. The deceased, who was 68 years of age, had not been in the best of health lately, but was not considered seriously ill until a few hours before his death. The funeral will be held from his late residence on Con. 6 on Thursday and service will be held in St. John's church at 10 a.m.—Markdale Standard.

OTHER PAPERS' OPINIONS

The Entrance Returns

During the past week The Advance office has received scores of telephone calls inquiring about the entrance examination results, which at time of writing (Tuesday afternoon) have not come to hand. According to the Department of Education the results of the Entrance are supposed to be ready for publication by July 12, and it is very seldom that the returns are not received earlier than that date. The results in several centres in the inspectorate of South Grey were announced in newspapers last week and it has made it hard for the students in close by centres, out of that inspectorate to wait a longer time for the results. We believe that those centres were the only ones in the province to receive their returns last week, while the remainder will be given out in newspapers this week. It would be better if the Inspector in South Grey were not in such a hurry to publish reports when it is not necessary according to the Department of Education.—Flesherton Advance.

Where Do Our Kiddies Play?

While in Lucknow the other day we passed the Public school of that village and were surprised to see a large number of kiddies in the school grounds. Being holiday time we wondered at this so stopped to see the reason. It didn't take long to find out. The school ground is equipped with a splendid outfit for the kiddies to use to enjoy themselves in their spare time. Swings, slides, and other equipment were there and the youngsters were having a great time. Where do the kiddies of Kincardine play? You find many of them on the roads, on the streets, a few of them go to the lake; there are only a couple of swings at the park there which are hardly fit for the youngsters to use, and not fit for tiny tots. There were no children running back and forth across Lucknow streets—they were safe from passing cars. They were enjoying themselves at the same time. Lucknow is to be congratulated on its arrangement for this phase of its youth life. Here in Kincardine we have our tennis courts, our bowling green, our athletic park, and our swimming stand and all things for the pleasure of the grown-ups—but where do our kiddies play? Such an equipment that Lucknow has installed in our spacious public school grounds, would solve the problem. It would be giving the kiddies fair treatment, too.—Kincardine Review-Reporter.

The Prince of Wales is 33 and unmarried. In Ontario 78 per cent of all the grooms are under that age. The Prince will have to hurry.—Toronto Star.

Canada's Gift of Peony Blooms Arrives in Old Country

Just a few of the 100,000 peony blooms which were sent by the people of Canada to the people of Great Britain in commemoration of the Diamond Jubilee of Confederation. The above picture shows a young lady helping to decorate the main hall of the Canadian Government Building, London, with these beautiful flowers. Special bouquets were sent to Their Majesties the King and Queen, and the remainder were made up for general distribution.

and a strict attention to business along training lines, they should develop into a dangerous outfit before the season closes. The same might also be said of the Handover team. They have the speed, combination and lacrosse knowledge, and while beaten last Thursday night, the locals will have to attend strictly to business if they hope to hold their lead in the next round of games.

The game was a treat to watch. There was no doubt of it, every member of both teams worked his head off, and during the whole period of play neither team asked for or was given quarter. From this it must not be inferred that the game was rough. It was not. Referee Saunders of Durham looked well after that and at the least semblance of unfair tactics or unfair play, banished the offending player for a rest at the timekeepers' bench. Two members of each team decorated the players' bench for minor offenses, such as slashing or tripping, and by nipping all this thing at the start the game was kept well in hand.

Durham Scored First

It took Durham four minutes to score after the first period opened, and it was five minutes later before the visitors were able to find the nets. Five minutes more and the locals were one up on the play, the period ending 2-1.

The second and third periods were scoreless, but there was never slowing up of the game. There was no score for the fact that both defenses, after the initial stage, tightened up and neither home was able to work in close enough to tally. These periods displayed the fact that it was a game of wits.

between two good teams and while several shots were made on both nets, they went wild or were bobbed up by the net guardian.

The third period was four minutes old when Durham got its first point, putting them on the long counter, putting them on the long end of the 3-1 score. This was the only opening the Hanover defense gave them and they took full advantage of it. The game from now on developed into a repetition of the second and third sessions. Both defenses were impressive until, with two minutes to go, the locals put one past the Hanover goaler on an underhanded low shot that zipped through the defense from fifteen feet out and landed in the nets. It was a great game, and while there is room for considerable improvement in both teams, the spectators present had the satisfaction of knowing that every player was doing his best and any poor plays were the result of poor judgment in passing, or the need for additional practice and training.

The line-ups: Hanover (1)—Goal, Dobler; defense, Ries, Hertle, J. Wendorf; centre, Exal; home, Maligny, H. Wendorf, Wiedemer, Magee; outside, Brown; inside, Forster, Spares, Welchman and Bolmert. Durham (4)—Goal, McEachnie; defense, Hahn, Jamieson, Wilson, J. D. Murdoch; centre, F. Murdoch; home, N. McIlraith, N. Dean; outside, Becker; inside, Bolger, Spares, Goodchild and McDonald. Referee—Saunders, Durham.

Conductor: Do you like cabbage? Brakeman: Yes, I don't. And Conductor: Well, I don't. And Brakeman: I'm glad I don't. Because if I did I'd be eating it all the time; and I hate the darn stuff!

HELD REGULAR JULY MEETING

The July meeting of Knox United W. M. S. was held in the school-room of the church on Wednesday afternoon the 13th inst. The meeting opened with a hymn, and prayer led by the President, Mrs. Mather. The programme followed the Canadian Jubilee outline. After a short introduction on the choosing of the name Dominion for Canada Mrs. Bourne read the Scripture lesson, the seventy-second Psalm, from the eighth verse of which our Country got its name. The Mission Band then gave a patriotic chorus, followed by a short sketch of the growth of the Women's Missionary Societies' work in each province since Confederation, given by several members of the Young Women's Auxiliary. Mrs. J. J. Smith gave a paper, "Canada, the Land of Dreams" showing the progress made in nation-building the past sixty years. Miss Reta Wilson then read a paper on "The Citizens of Tomorrow" if the hope of the nation is in the children then surely the work of the W. M. S. through its school-homes, etc., is the foundation work of the people. At the close of the meeting the ladies entertained the Y. W. A. and Mission Band to tea and a social hour.

TRAILERS

The world's too full of fellows who just trail along behind, and simply do the things they are told. The leader with the proper sort of spirit's hard to find. The world's too shy of men who take a hold. The knock of opportunity is wasted every day on people who are filled with uneasiness. Where real hard work is needed, they just turn their lives to play—and find it out at times too late to learn.

You can't hand out much credit to the man who falls in step and shuts his real ambition to the shelf. He soon becomes a plodder, and he slowly loses pep. A weakling, when he cannot lead himself. Come on now, "boss up" yourself—do you travel with the mob, and is the

RUN-DOWN AFTER BIRTH OF BABY

Ottawa Woman Made Strong by Taking Lydia E. Pinkham's Vegetable Compound

Ottawa, Ontario.—"I was terribly run-down after the birth of my third baby. I had awful bearing-down pains and was afraid I had serious trouble. I was tired all the time and had no appetite. My sister-in-law is taking Lydia E. Pinkham's Vegetable Compound and cannot praise it too highly and asked me to try it. I have had splendid results and feel fine all the time now. Any one who needs a thorough pick-me-up soon learns from me what to take."—Mrs. RENE FAQUIN, 312 Cumberland Street, Ottawa, Ontario.

Terrible Backache

Hamilton, Ont.—"After my baby was born I had terrible backache and headaches. I could not do my work and felt tired from the first minute I got up. But worst of all were the pains in my sides when I moved about. I had to sit or lie down for a while afterwards. I could keep my house in order, but many things had to be done at the time, because of my ailments. I was told by a neighbor to take Lydia E. Pinkham's Vegetable Compound, as she said it would build me up. I was relieved before I had taken the first we bought and have not had any trouble like it since."—Mrs. T. MARKLE, 60 Burton Street, Hamilton, Ontario.

thought in mind to no avail? If you are just a straggler, you're the only one you rob. SUCCESS is gained by those who blaze the trail.

The largest meteorites known are the immense black iron stones found in northern Greenland. One of these weighing 3 1/2 tons is on display in the Museum of Natural History, New York City. The chief constituent of these so-called stones is nickel iron.

"She puts Kellogg's Corn Flakes on the table every morning—and we just eat all we want!"

No wonder kiddies love Kellogg's! It's wonderful flavor and crispness!

Serve with milk or cream—and add fruits or honey. Always easy to digest. Sold by all grocers. Served at hotels, restaurants. On dining-cars.

Made by Kellogg in London, Ontario. Oven-fresh in the inner-sealed red-and-green package. Imitations cannot equal such wonder-flavor. Demand the genuine!

Kellogg's CORN FLAKES

Ontario Exterminate Weeds

Many million dollars worth of farm products are ruined annually by weeds. The loss in rental and sale value incurred by weed-infested farms is incalculable. The weed pestilence has become intolerable.

Exterminate weeds on every square foot of land on your own property, on unoccupied lots and farm lands, on every highway and lane, in city, town or country.

WARNING

Under the provisions of The Weed Control Act 1927, now in force, the destruction of noxious weeds is no longer optional. The destruction of noxious weeds is now compulsory.

Every occupant of land and every owner of unoccupied land is required to destroy all noxious weeds before their seeds ripen. Municipal councils are required to destroy all noxious weeds growing upon the highways. Let everyone co-operate to end the weed nuisance.

Jonteel Cold Cream Face Powder Is Best for You to Buy

Jonteel Cold Cream Face Powder contains 5% of Cold Cream. Yes, it's in there. I have seen them put it in.

Notice how exquisitely fine this powder is, that it stays on, does not keep brushing off. Has a texture unlike ordinary powders. "Body" is the only word that seems to describe this texture of Face Powder Jonteel.

It is delightfully perfumed with Odor Jonteel, and comes in three tints—flesh, white and burnette. The quantity is generous, and thousands of boxes have been sold to ladies of refinement in every country where Rexall products are known.

Price 50c. a box McFadden's Drug Store The Rexall Store Successors to Macfarlane & Co.
