THE LIQUOR CONTROL ACT

It has long been a mystery to us why otherwise apparently sane people usually take such cross-eyed views on important questions that arise from time to time.

In a recent address at Toronto, the Rev. Ben H. Spence scored the Ferguson Government and Mr. D. B. Hanna on the workings of the Liquor Control Act...

Mr. Spence's last remark is of interest in that despite the fact that it was known for a long time that whiskey smuggling was going on through the port of Montreal...

Mr. Spence also had something to say about the true temperance policy of the Government, which he claimed, had degenerated into a "system of strategically placed centres of distribution where over 500 varieties of liquors were sold at cut-rate prices."

We are not concerned with Mr. Spence's temperance leanings. We would be disappointed in him if he ever went to the point of absolute prohibition...

It may be maintained that he would, but his past performances have never shown him in that role.

THOSE "STOP" SIGNS

During the past month we have heard several people make the statement that Durham is the only town where motorists are forced to obey the stop signs...

We cannot understand why people cannot fall in line with legislation that is intended to make for the good of traffic on our highways.

Intersections have been the cause of the great majority of the motor accidents. It is with the idea of eliminating these accidents that the stop signs are erected...

Any motorist who is called before the bench because of an infraction of this bylaw, has no one but himself to blame...

torist will inadvertently run past a stop street, and it seems rather hard that he should have to pay for it...

SOCIAL AND PERSONAL

W. M. S. OF KNOX CHURCH HOLD MONTHLY MEETING

The monthly meeting of the W. M. S. of Knox United Church was held in the school room of the church on Thursday, September 8th...

The meeting was of a jubilee nature and almost a continuance of that held in July, the president opened with singing and prayer...

The questions and replies to these different nationalities entering Canada show the matchless opportunity offered us to do service for the ages to come.

This most interesting meeting closed with the hymn "Lord of the Lands Make Canada Thine Own."

WINSTON CHURCHILL (British Chancellor of the Exchequer) to Stanley Baldwin: "Dash it! There's that man again!" John Bull, London.

PREACHED FAREWELL SERMON SUNDAY

power of sin. It snaps the fetters and breaks the chains of evil thoughts, desires and habits. It gives freedom and liberty. Free grace has secured to man a free, perfect salvation.

The next gift is the gift of God which is love. God's heart was always full of love, but it was not until Christ died that that love could flow in rich unstinted abundance.

The groom shed a new light upon the world and upon our own perplexing experience. To the light of the cross we discover in nature and history the signs of God's care.

The third gift is the gift of the Spirit, which is fellowship. The word fellowship indicates a brotherhood and so the gift of the spirit is a blessing which we must share with others.

Out of that fellowship two things grow. First a unity of purpose, so that Christian people should strive together for the faith of the gospel, and the salvation of the world.

In concluding his sermon, Mr. Taylor said: "In closing, I must speak more particularly to the members of the two churches it has been my privilege to serve."

"I have enjoyed the fellowship of these two churches. There have been difficulties, but difficulties are found in every church and no minister expects to find a church which has no problems—and our difficulties are not to be avoided, for they challenge us to do our best."

"I pray that God's blessing may rest upon you continually and prosper you in your task."

Mr. Taylor concluded his sermon with the quoting of his text: "And may the grace of Christ, the love of God and the fellowship of the spirit be with you all. Amen."

It was a fitting text for the close of a successful pastorate.

Rev. Mr. Taylor is spending a couple of weeks in town on holidays before taking up his pastoral duties in Grimsby.

HYMENEAL

GOODFELLOW-BEATON

The manse of Rev. W. A. Cameron, pastor of Bloor St. Baptist church was the scene of a pretty autumn wedding when Mary, daughter of Mr. and Mrs. John A. Beaton, Grimsby Centre, was united in marriage to Mr. Lorne Byron Goodfellow, Nobleton, Ontario.

The groom was supported by his brother, Mr. Harold Goodfellow.

The groom's gift to the bride was a rope of pearls, the bridesmaid, an onyx bar pin and best man a tie pin.

A quiet wedding took place in Chalmers United Church, Quebec City, Saturday noon, when Rica, only daughter of Mr. and Mrs. F. W. McLean of Toronto, became the bride of Robert Allan Farquharson, youngest son of Rev. Dr. William and Mrs. Farquharson, formerly of Durham.

FARQUHARSON-McLEAN

The Allan Park Institute met at the home of Mrs. Jesse Weis on September 14th. There were 12 members present and five visitors.

ALLAN PARK INSTITUTE

The meeting opened by singing the usual opening ode. Mrs. Byers read the Scripture lesson from the 33rd chapter of Isaiah. The roll call was answered by a nickle collection.

Mrs. Byers gave a report of the convention held in Durham on August 16th. The program consisted of violin selections by Mrs. Allan Weis, community singing, a paper by Miss Blanche Sumpton on "Counting Eggs" and also a paper by Mrs. Jesse Weis on "Mother's Button-box."

The meeting closed with the National Anthem, after which a dainty lunch was served. The next meeting will be at home of Mrs. Andrew Park on October 12th.

ANNIVERSARY SERVICES

NEXT SUNDAY AND MONDAY

The anniversary services of the Queen Street church are being held next Sunday. The usual Monday evening supper is being given in the basement of the church, followed by a program. In addition to local talent on the program the committee in charge has engaged Mrs. Heaney, formerly soprano soloist with the Royal Welsh Ladies' Choir.

KNOX AUXILIARY

The Young Women's Auxiliary, Knox Church, held the first meeting of the season at the home of Miss Alice Ramage with a large attendance. A special feature of the evening was a talk by Miss Florence McIlvride on her trip to the Yukon.

BLYTH WON CASE

The case of Blyth vs Glaser before Magistrate Creaser here on Tuesday resulted in judgment being given for the plaintiff for the full amount involved, \$81. The case arose out of chickens purchased by the defendant who, when he got to Toronto alleged that he was 100 pounds short in weight.

HOLSTEIN SHOW NEXT

Tuesday and Wednesday of next week the annual show of the Egremont Agricultural Society is being held at Holstein. This year, as in the past, patrons can depend upon it that there will be a big list of good exhibits, and as is usual with this popular fair, there will in all probability be a big turnout from Durham citizens, as well as those from all over the adjacent country.

MR. THOS. GRAHAM

Mr. Thomas Graham of Oshawa, Ont., has found the key to health. Writing about it he says: "Just a line to tell you what good 'Fruit-a-tives' has done me. I am 60 years old and tried all kinds of medicines for bladder and bowel trouble which used to keep me from work a month at a time, until I started taking 'Fruit-a-tives'."

THE GOOD OLD DAYS, BUT WHAT A DIFFERENCE NO

Sixty years ago beer was 5 cents a glass and the lunch free. Eggs were three dozen for a quarter and milk five cents a quart. The butcher gave away liver to the cat and treated the kids to a pig. The hired girl was satisfied with \$2 a week and did the washing. Women did not powder, played smoke, play poker or do the Charleston. The men wore boots and when they chewed tobacco and spat on sidewalks, worked eleven hours a day and never went on strike. A kerosene lamp and a stereo con in the parlor were luxuries. No one was operated on for appendicitis; folk lived to a good age just the same, and walked in the same day as they get up. They think they are having a heck of time. This is the day of short long profits, legs and headless pensive taxes and prohibition. Mixed His Cues. Bob Jenks upon his wedding. He handed his bride the man. And tried to kiss the pread.
