Quite a fall of snow here on Tuesday night!

Congratulations to three of our former pupils in old No. 3, Bentinck in winning municipal honors on Monday—Messrs. H. W. Hunt, Chas. Bailey and Rob. McCaslin. 'Twas a fine club we wielded in those by-gone days and the results are evident now.

Miss Mary Beaton of High school spent the week-end at Mrs. John O. Greenwood's.

Miss Mary Torry returned home from Toronto on Thursday last, after a happy fortnight's visit with friends.

Everyone is more or less busy getting up the year's supply of wood and gathering up the fallen stuff before the snow covers it. The majority of farmers are taking more care with the wood lot.

From all reports, there is a good prospect of an all round municipal contest in old Glenelg. Most of the aspirants are feeling the pulse of the electors.

There will be a large number of telephone and hydro poles taken out this winter as the demand is good and prices fair. Mr. Smith has over 20 out already, on the Hall farm on the 10th con.

A former well-known, most highly respected and one of the oldest pioneer sons, Mr. John Bell, passed away at the home of his daughter, Mrs. Alex. Ellison at Elbow, Sask., on Sunday, November 20, at the ripe old age of 89 years and 10 months.

Mr. Bell was born in the Lowlands of Scotland and in early youth the family came to Glenelg, settling on what was long known as the "Moffat Farm" now the property of Mr. D. Robinson on the 2nd con.

When grown to manhood, he bought lot 3 on the 10th concession and was happily wedded to Miss Eliza McCallum over sixty some odd years ago, who passed on before nine years ago.

Four children blessed the union, Fanny, (Mrs. Sandy Ellison) with whom they made their home; Janet (Mrs. Weir), an efficient nurse, who lost her only son in the World War; Sarah, (Mrs. James Bartley) all three of Elbow and district and one son, Will, at Regina.

The deceased was a genial, lovable character, honest, God fearing, and most thoughtful of others, retaining his activity, his wonderful memory and physical powers well up to his last illness. Interment took place in Elbow cemetery. The floral tributes were specially beautiful. A grand, old man gone on.

We notice today, Tuesday, that the trustees of Maplewood cemetery were putting the finishing touches to the new fence which they have erected this summer. The chain fence, something new in this community, and the heavy cement corners and gate posts, make a fine appearance and the Trustees are to be complimented on their choice of fence for Maplewood.

The Ladies' Aid held their monthly meeting at the home of Mrs. Wilbert Blyth Wednesday of this week.

Mrs. Dennett spent this last week with her old neighbor and friend, Mrs. J. Patterson.

Edgar Morice, who is assisting Milford Matthews, of Egremont, spent Sunday at his home here.

Among those who have had the phone installed recently are, John Morice, of Varney; Geo. Smallman, David Marshall, Andrew Marshall, William Carson, 2nd and 3rd of Normanby.

Messrs. Jas. Wilbert and Elgin Blyth, James Leeson and Wm. Bogle motored to Guelph Tuesday to attend the fat stock show.

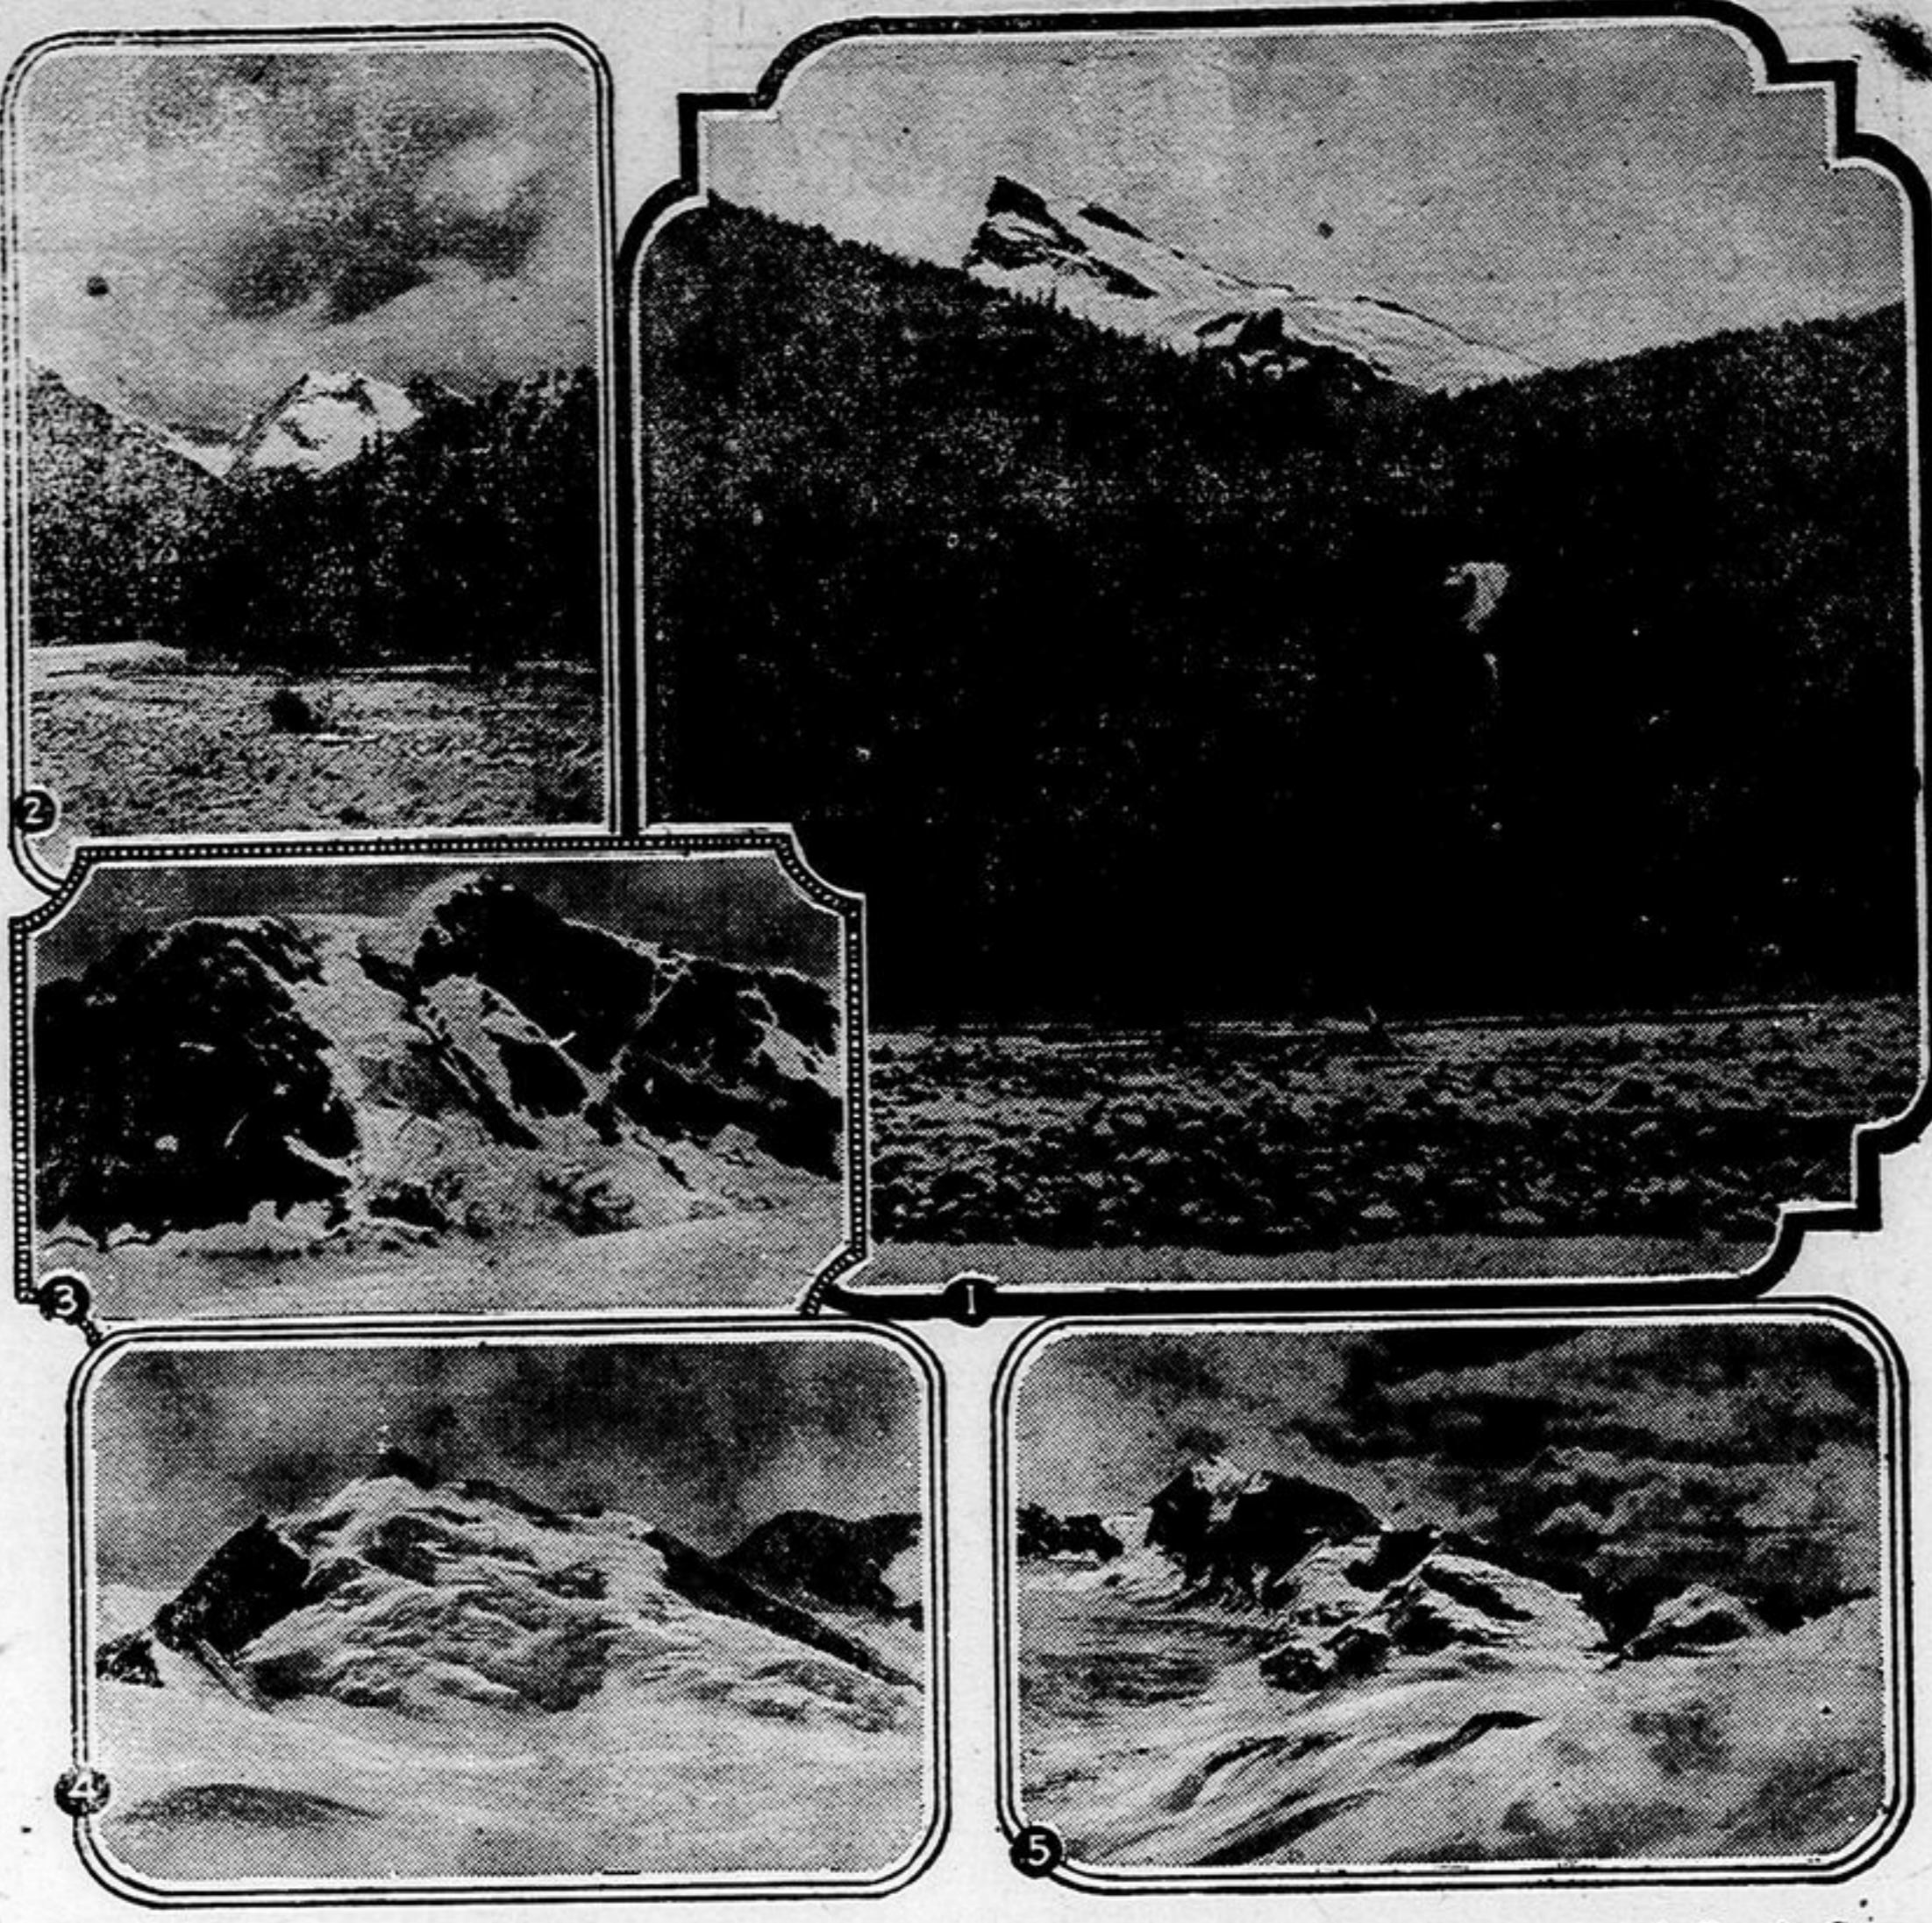

The young people of Varney are practising for a S. S. Christmas concert to be held on Monday evening, December 26.

Messrs. Geo. and Wm. J. Bradley of Mount Forest visited recently with Mr. Wm. Long.

The Kerr Milling Company has purchased a 50-acre farm from Jas. McVein, one-half mile south of Varney and will sell in the near future the 50 acres known better as the east half of the old Riley homestead.

It will pay you to advertise in The Chronicle.

**Mountain Named For Premier Baldwin**

1. The jagged peak of Mount Stanley Baldwin. — 2. Mount Sir Mackenzie Bowell, a pleasant-faced peak of the Premier Group. — 3. Mount Sir Wilfrid Laurier, 11,750 feet. — 4. Mount Sir John Abbot, unconquered peak of the Premier Group in the Canadian Rockies, 11,250 feet high. — 5. Mount Sir John Thompson with its rugged ice sentinels.—Photographs by D. Munday.

Fitting monuments to four former Prime Ministers of Canada and a memento of the visit of the present British Premier, Rt. Hon. Stanley Baldwin, have been set aside in the Rocky Mountains of Canada where a series of peaks have been officially named the Premier Group, and five of them have been named respectively, Mount Stanley Baldwin; Mt. Sir Wilfrid Laurier; Mt. Sir Mackenzie Bowell; Mt. Sir John Thompson and Mt. Sir John Abbot. The naming of a mountain after Premier Baldwin in honor of his visit to Canada during the Diamond Jubilee year of Confederation was considered a fitting mark of the Dominion's esteem for him.

These mountains lie within the territory skirred by the famous Triangle Tour of the Canadian National Railways, and to the westward of Mount Robson, highest peak in the Canadian Rockies. The peaks, several of which are snowclad, lie about ten miles south of the railway line which runs from Red Pass Junction to Prince Rupert and about ten miles westward of the Canadian National line to Vancouver. Their peaks can easily be seen by tourists travelling on either route to the Pacific Coast. A dozen or more peaks stretch across a territory which extends from the western boundary of Mount Robson Park westward and south to terminate in the foothills of the Cariboo country.

Mount Sir Wilfrid Laurier is one of the most picturesque of the group, rearing its peak 11,750 feet into the clouds. Mt. Sir John Thompson has an altitude of 11,250 feet, and Mt. Sir John Abbot the same. Mt. Mackenzie Bowell is 11,000 feet in altitude. Slightly eastward and nearer the Vancouver line of the Canadian National stands Mt. Stanley Baldwin, which is visible from the station of Jackman.

While these mountains have not been surveyed officially, several of them have been climbed, the most recent ascents having been made by Mr. and Mrs. Don Munday of Vancouver.

Mr. Alex. Calder of Egremont visited on Saturday with Mr. and Mrs. John Calder.

Mr. Thos. Tucker has sold some bush to Mr. Burrell of Hanover, who has a gang of men at work taking out the logs. They are boarding at Mr. Alfred Tucker's.

The neighborhood was grieved to learn of the death of Mr. Thos. Campbell on Saturday last, after a week's illness from pneumonia. "Tommy" as he was familiarly called, was ever an obliging neighbor and will be much missed. Much sympathy is felt for his young wife and little daughter. The funeral on Monday was held from the Latter Day Saint church in Proton, and interment was made in the cemetery there.

Much would we give to pass again  
Through days as sweet as April  
rain.  
With all Earth chanting Spring's  
return!  
How golden was that time of youth,  
No hint of wrong, no thought of  
ruth;

All light and loveliness and truth:  
But wise men seek to find content,  
However poor their tenement,  
When youth's bright coin has all  
'been spent,  
And memory of bliss gone by  
Leads gleams of brightness to the  
sky  
Whereunder now our paths may  
lie.
