popular official in his township, is a member of the Fairbairn Presbywho is responsible for the holding British subject. of the annual ploughing events in Egremont, which each year attracts more entrants and spectators.

We look for great things from Warden Calder this year, and have no hesitation in saying that under his guidance the deliberations of our County Council will be conducted in a sane and sound manner and in the interests of the county as a whole.

We congratulate Egremont Township on the honor bestowed this year, and hope for a most successful year's business activities under the guiding hand of Warden Calder.

NOTES AND COMMENTS

We would respectfully call attention to the following from the Arkansas Gazette: A certain Arkansas road is said to be "in good condition as a whole." Many a road is all right as a hole.

Somehow we can't help thinking of him as Santa Claus, says the Dallas (Texas) News. To which a good many people in Durham will answer, "Amen".

It is now said that a movement is

SCENE IN A BODY

County Road Out of Meaford Again Causes Trouble, Despite Fact That Last Year's Council Thought They Had Settled It. Council Advocated Government Taking Over WARDEN CALDER

The case of the notorious 7th United States of America, \$2.50 per Line Highway in St. Vincent and Euphrasia Townships was again in the limelight at the session of the Grey County Council last week, and now the decision is that the Council Member Canadian Weekly News- go over this roadway in a body and see whether it shall be the 7th or the 9th lines that shall be designated a County Road. This question seems to be a hardy

> ago. Then a deputation and petition from the 9th was formed, and substitute the residents of the 4th saw saw say and other questions, and gave those who are only infirm. what was going on they, too, got up a petition to have the road built throughout the County of Victoria regarding this limbs will all only limit.
>
> There is a resolution from the back on the road again had her clear grasp of the situation county of Victoria regarding this limbs will assisting to get them along their line. They admitted dress, which was referred to the to give deep thought. that they were perfectly satisfied with the selection of the 7th, but if lows: also wante d consideration. Last year the road selected was the 7th and it was thought everything was settled until it was brought up

However the Minister is gratified and it ain't out yet."

Finance

The Finances of our County are still in good shape and although we will have a report from our Treasurer showing a deficit of from and it is to be hoped that the latter the County Clerk of Hastings \$1,200.00 to \$1,500.00, it is not as large a deficit as we had thought.

At this time I want to press upon the minds of you Members the fact spend more than the amount set

Bridges

We are gradually replacing the old narrow bridges with new bridges sary for the increased traffic caused

County Roads

Although we are spending considerable money each year on our County and Provincial Roads, yet I believe we are getting value for the money spent and the end justifies the expenditure.

I expect we will have deputations here this Session requesting tem, but I believe if we make one though we may recommend changes, they have to be approved by the presented every year. However,

MAID: "There's a policeman downstairs, ma'am, says the dog "Tell him we're sending it to bed without any -Happy Magazine, London, Eng. supper."

Education

The cost of Education is increasa trol. We cannot say that the education we received was good enough for us and should be good enough for our children. The Government says this is not a fact, but is working on the principle that but is working on the principle that a good education is the best asset we can give the youth of today to mackenzie will accompany her to start out with, and looking at the New York.
