A nasty accident occurred Monday noon when Grace Carter, a public school girl, daughter of Mrs. Carter, who is residing with her parents, Mr. and Mrs. Jos. Horsburgh, was struck by a car driven by Arthur Smith, Mr. Smith was proceeding south while a truck driven by Mr. John Leith was going north. School had just been let out and the pupils were crossing the Main street when the accident occurred. Grace was attempting to cross the street behind the truck, which obstructed her view of the car and also of that of Mr. Smith with the result that she ran in the path of the car. She was knocked down, the car passing over her, but luckily not by the wheels of the car. When picked up she was dazed and was taken home in the car. She is badly bruised about the head and body and will be confined to her bed for a couple of weeks.
We are thankful that nothing more serious happened and is a warning to all to be careful when driving near a school.

R. H. ISAAC DIED THURSDAY IN TORONTO
Former Resident of Durham and Egremont Passed Away After Long Illness From Heart Trouble. Interment Made Saturday in Toronto.
On Thursday morning at 8:15 Mr. Robert H. Isaac, Toronto, succumbed from heart trouble in his 60th year. Five years ago he had an attack of the flu which affected his heart. After this he gained and for two years was able to enjoy life. Three years ago he had another attack from which he never recovered. Since a year ago he has had several attacks which weakened his vitality. However, he was able to be up most of the time. He was of an exceedingly cheerful disposition, very fond of company, an ardent lover of music and always looked on the bright side of everything.
He was born at Dromore, the son of James Isaac, and in the year 1894 was married to Janet Paton, only daughter of the late Robert Paton of Flesherton. They farmed successfully until fourteen years ago, when they moved to Durham where they lived until three years ago, then removing to Toronto. Mr. Isaac was a Liberal in politics and in religion a Presbyterian and was seldom absent from church when health would permit. He is survived by his widow and two children, Dr. James Isaac, professor of History in the University of Colorado, and Margaret, at home, also six sisters and one brother. They are Mrs. Bunston, Dromore; Mrs. Baird, Coleridge; and Mrs. Baird, Toronto; Mrs. McIntyre, Port Arthur; Mrs. (Dr.) Fettes, Calgary and Will of Toronto.
The funeral service was held from his late residence, 71 Melrose Avenue and was conducted by his pastor, Rev. H. E. Abraham, assisted by Rev. W. Stewart, a close friend of the deceased. Interment took place in Mount Pleasant Cemetery. The many floral offerings bespoke the respect in which the deceased was held. There were: pillow from the family; wreath, Rev. R. W. and Mary Paton; wreath, Canadian Inspection and Testing Co.; sprays from Mr. and Mrs. W. J. Isaac, Mr. and Mrs. Coleridge, Mr. and Mrs. Baird, Mr. and Mrs. W. F. Ray, Mr. and Mrs. J. Isaac and Beatrice, Mr. and Mrs. Kelly, Mr. and Mrs. Carson, Mr. and Mrs. Duncan, McLeod, Mr. and Mrs. Vipond, Miss A. M. Grosland, Miss Pepper, and Miss Lewis. The pall bearers were James Baird, nephew.

Luther Phillips, Henry Near, Albert Connell, Pideu Connell and Robert Ronald, all cousins of the deceased.
Friends from a distance were Dr. J. P. Isaac, Colorado; Rev. R. W. and Mary Paton, Flesherton; Mr. and Mrs. John Bunston, and Miss Snell, Dromore; Mr. Henry Near, Stratford; Mr. and Mrs. Robert Ronald and son Earl, Galt; Messrs. Albert and Pideu Connell, Harris-ton and Mr. and Mrs. Earl Baird, Galt.
"He suffered patiently and long his hope was bright his faith was strong; the peace of Jesus filled his breast and in His arms he sank to rest."
LONG AGO
I once knew all the birds that came
And nestled in our orchard trees;
For every flower I had a name—
My friends were woodchucks, toads
and bees;
I knew where thrived in yonder
glen
What plants would soothe a stone-
bruised toe—
Oh, I was very learned then—
But that was very long ago.
I knew the spot upon the hill
Where checkerberries could be
found;
I knew the rushes near the mill
Where pickered lay that weighed a
pound!
I knew the wood—the very tree—
Where lived the poaching, saucy
crow.
And all the woods and crows knew
me,
But that was very long ago.
And, pining for the joys of youth,
I read the old, familiar spot.
Only to learn this solemn truth;
I have forgotten, am forgot,
Yet here's this youngster at my
knee
Knows all the things I used to
know
To think I once was wise as he—
But that was very long ago.
I know it's folly to complain
Of whatso'er the fates decree;
Yet were not wishes all in vain,
I tell you what my wish would be;
I'd wish to be a boy again,
Back with the friends I used to
know;

TORONTO LEADS IN STREET LIGHTING
Claims Best System At Lowest Proportionate Cost
Toronto leads all other cities on this continent in the matter of excellent street lighting at the lowest proportionate costs, according to a statement issued by Property Commissioner Chisholm. That city, and printed in the Toronto Press, with a total of 51,015 lamps in use, the cost of street lighting in the Queen City is given as \$483,833. This lights 33 square miles of city and 675 miles of streets. Montreal has only 7,018 lights, with an area of 50 square miles and 760 miles of streets, but the cost per annum is \$435,291. Windsor, with an area of five square miles and a street mileage of 84, has 4,234 lamps, which cost the municipality \$53,720 per annum. London figures are not given in this tabulation.
Anyway, the new freedom for youth requires less preparation than was necessary to establish the old-time alibis.

Rev. Father Joseph Fylyma Rublenian priest, was acquitted at Hamilton, Ont., charged with procuring a feigned marriage between himself and Mrs. Eleanor Ferguson. He formerly held charges in Saskatchewan and Manitoba. Both are shown here. The priest denied the mock nuptials. She was merely housekeeper, he said. The woman being a divorcee, ought to have known the nature of a marriage ceremony, the judge ruled.

THE
VOL. 61.—NO. 3181
GETS HIGH POSITION WITH NEW COMPANY
Harvey W. Wilson, Superintendent of Durham Stone and Sand Company's Plant Here, Is Now Travelling Superintendent of New \$1,200,000 Company to Be Known As Consolidated Sand and Gravel Limited.
The merging of the John E. Russell sand and gravel interests into a new \$1,200,000 company last week has made some changes in the personnel of the managerial staff, and last Thursday the word came to Mr. Harvey W. Wilson of this place, who has been superintendent of the local plant since it started operations here some six or seven years ago, that he had been appointed to the superintendency of the five plants in the merger. These include the plants at Durham, Waterford, two plants at Paris, and one at Fuller, Ontario, near Belleville.
The new company is to be known as Consolidated Sand and Gravel Limited, has an authorized capitalization of \$1,200,000, all of which has been issued. The number of shares authorized to be issued is 100,000. Of these 20,000 have been issued, leaving 80,000 common shares reserved for conversion of preference shares.
The new company occupies an enviable position financially and that it has the confidence of financial men was evidenced by the rapidity with which the stock was purchased when placed on the market. The officers are Messrs. John E. Russell, President; G. C. Robinson, General Manager; F. W. Thompson, Assistant Manager and W. L. Newmarch, Director, and as all are well and favorably known to the trades to which this business caters, and are men of ability and experience, the consolidation gives a bright outlook to the new industry.
The Durham plant is the largest plant in the new company, and since its inception has proved itself a money-maker. It is an asset to this town, and during the early spring, summer and fall seasons employs approximately 200 hands in its operation. The product from the Durham plant, as recorded by the best in Western Ontario, and it is no doubt his outstanding success as superintendent of this plant that led to his appointment as Wilson as the superintendent of all the plants in the consolidation.
Locally, rumors are current that he shall get the position of superintendent by Mr. Wilson's appointment, but this date is unaccompanied by any definite made. We congratulate Mr. Wilson on the position which he has secured, and are pleased to learn that his new position will not mean his removal from town. Since joining the new company in 1920 with his family, Mr. Wilson has not only taken an active part in selling in community work, but has been a member of the Durham Boy's Commission, but is as well an enthusiastic sportsman in the various sports of the town.
His appointment is a popular one generally, and all will join with us in wishing him the same success in his new position as he enjoyed in the past.
