

OWEN SOUND RINK WON FIRST EVENT

Hahn and Star Trophies Went to Scenic City, While Special Event Went to Mount Forest.—Local Tournament Last Thursday Was Well Attended, With Keen Competition.

The annual tournament of the Durham Lawn Bowling Club held on the local greens Thursday of last week, may safely be classed among the most successful ever held here. Thirty-six rinks were in attendance, not a record number by any means, but considerably more than the weather conditions of early morning would prophesy. The morning broke rather poorly for a bowling tournament, after a hard rain during the whole of the previous night, but though rain threatened during the whole day, none fell, and the bowling was continued until after midnight.

The Hahn trophy was won by the Wilkinson rink of Owen Sound, the Star trophy by McGill, also of Owen Sound, and the winner of the Special Event was Yule of Mount Forest. Play was close in all events, some of the Durham rinks being runners-up only to be vanquished by the visiting teams.

Following is the score by rinks:

HAHN TROPHY	
Toronto Simpson 8	Owen Sound Kennedy 10
Lucknow Allen 8	Mount Forest Yule 6
Arthur Hawks 11	Walkerton Eidt 7
Durham Pickering 16	Hanover Zinn 9
Chesley Reid 14	Owen Sound N. Simon 8
Mount Forest Allen 12	Chatsworth Clark 7
Meaford Rumsey 14	Durham Cross 11
Hanover Titmus 9	Holstein Fenton 5
Owen Sound Bars 11	Durham MacBeth 5
Hanover Schilling 11	Durham McIlraith 7
Civil Service Firth 6	Owen Sound Wilkinson 13
Meaford Chapman 14	Durham Henderson 6
Owen Sound McGill 11	Brussels Willis 10
Mount Forest Lamont 13	Durham Hahn 8
Chatsworth McFarlane 12	Owen Sound McLinden 9
Hanover Scarborough 14	Fergus Hamm 8
Owen Sound Wilson 13	Durham Spurling 9
Arthur Hawks 12	Durham Goodchild 7

DURHAM MASONS HELD ANNUAL INSTALLATION

Rt. W. Bro. J. F. Grant Was Installing Officer at Important Ceremony on Monday Evening—Banquet Followed Ceremony.

The annual installation of officers of Durham Lodge No. 306, A.F. & A.M., was held Monday evening, the ceremony being featured by an excellent turnout of the brethren to this important annual ceremony. Rt. W. Bro. J. F. Grant, P.D.D.G.M., was the installing officer, who performed his duties with due solemnity and with his customary efficiency. Following the ceremony of installation the members repaired to the banquet hall where tables had been set and an excellent spread of many good things was enjoyed by the brethren. The banquet over a pleasant hour was spent in the proposal and responding to the usual Masonic toasts and in listening to other addresses by members of the craft. Following are the officers installed:

- W.M., Bro. C. H. Moffat; L.M., Bro. W. F. F. McIlraith; S. W., Bro. W. H. Hunter; J. W., Bro. D. McCallum; S. D., Bro. W. H. Kress; J. D., Bro. H. C. McKechnie; I. G., Bro. T. Henderson; Tyler, Bro. J. Burt; D. McKechnie; S. S., Bro. J. Burt; J. S., Bro. J. C. Howell; Chaplain, Bro. J. Kelly; Secy., V. W. Bro. E. A. Hay; Asst. Secy., W. Bro. J. Morrison; D. of C., W. Bro. E. D. McClocklin.

It will pay you to advertise in The Chronicle.

James Smyth, D. D., LL. D., of Montreal, president of the British Immigration and Colonization Association and the chairman of the Protestant school board of Montreal, who is now in Great Britain promoting the suggested scheme of making 19 years the age limit for boys coming to Canada free for land settlement. The present limit is 17 years. "Ninety-seven per cent are successful," declared the doctor, speaking of boys who had come out to Canada.

Miss Lilly Dnske, 36-year-old Yugoslav woman, who was badly hurt when she fell while attempting to descend the Niagara gorge rapids, intending to swim to the United States shore. She was found after lying at the water's edge all night. She is shown in her uniform as a Red Cross nurse during the war, at the conclusion of which she came to Canada via Halifax, intending to go to Winnipeg and the west. She got a job at Montreal, then went to Toronto. Work failed, and, as a desperate resort, she planned the swim to get her into the States.

COUNTY GRADER HERE; DOES GOOD WORK

New Road Maintainer Looks Like Good Machine, and Is Now Being Used to Level up County Link and Roads in Town.—County Council Session Closed Last Week.

In charge of T. V. Bell of Glenelg, the new Grey County road maintainer has been working in town this week, starting Tuesday, and after finishing up the county link will be used to take some of the pit-holes out of Durham's front boulevard. This machine, which is a combination of an ordinary wheeled road scraper, is run by gasoline engine and from what it has done in Durham looks like a very good machine for any municipality to have for the purpose of keeping its roadways in condition.

As was formerly told in this paper last week, the County Council held their June meeting, closing the session last Saturday. This session, while a busy one and with a lot of routine work to be gone through that took a lot of time, was not one of any particular accomplishments. The 9th Line of Euphrasia Township is to be the County-Provincial Road instead of the 7th. This matter has been a bone of contention for some years, the 4th, 7th and 9th line residents wanting it. By the decision last week, the village of Rocklyn, the only village in the township and an important centre, is left out of the road scheme.

The County Rate is 8 mills, 3 for county roads and 5 for general levy. The assessments throughout the county remain as last year. Reeve Bell of Durham was given the Chairmanship of the Finance Committee, being elected over Reeve Buchanan of Collingwood. That bone of contention in Egrement, the route of the County-Provincial Highway across the township is still unsettled. It is likely to remain as it is, however, and enter Holstein from the south, and enter Holstein from the north, as there has already been considerable work done on it. Residents of the central part of the township thought the road should have come straight out to the Provincial Highway at Orchard instead of entering Holstein; others wanted it to come out to the 2nd concession and then turn south to Holstein. When the decision was left over to the November session it is generally felt that the road as now designated will stand. Reeve Hunt of Bentinck thought it was time for the County to follow the example of the provincial authorities and have "stop" signs erected at all intersections entering on the County Roads system. This was also laid over.

Thornbury residents approached the Council when on tour through their town asking certain aid in the construction of their county link, and they almost got it. They would have had it but not for Reeve Bell of this town reminding the Council that they had entered into an agreement with him that if he would not press for the construction of the county connecting link at Durham this year they would do the work in 1929. The reason was considerable work and lack of funds. This he had agreed to and he thought it unfair to now enter into an agreement with Thornbury or any other municipality. Thornbury, like Durham, will have to wait.

Next year work on the Durham connecting link is to commence and we are informed we will have the choice between concrete and penetration macadam. This year we have to be satisfied with the work we have to be satisfied with the grading and application of calcium chloride as a dust layer.

NOT MANY ATTENDED MEETING LAST WEEK

Woodworth-Oliver-Miss Macphail Meeting in Town Hall Last Wednesday Night Drew Small Crowd to Hear Local Members Discuss Business of Last Session in Parliament.

The meeting called by the South Grey U. F. O. Political Association last Wednesday night in the Town Hall did not draw as large a crowd as was expected, but at that the hall was in the neighborhood of half full when the chairman, Mr. Joseph Crutcheley, called the meeting to order and called on the first speaker, F. P. Oliver, M.P.P.

Mr. Oliver took half an hour and in his address reviewed the last session of the local Legislature. He first commended the town on the renovated town hall, claiming that the big meetings held on by the United Farmers made this necessary and he thought they should get some of the credit for the improvements made. Reviewing the Legislature, he spoke on the educational and rural hydro questions, and the work of the Agricultural Committee, which he said did practically nothing during the past session in which they held but four meetings. There was to be something more doing next year and it was altogether likely the committee would be put on a more efficient basis.

The defeat of the Old Age Pensions scheme was also a matter of regret to Mr. Oliver, who felt that the province of Ontario should line up with the rest of the Dominion in looking after their older citizens. The Widows and Orphans Act was also discussed, but the main charge against the Ferguson Government was its Liquor Control Act. The speaker said of the workings of the L. C. A. at last session, bootlegging was still going on as badly as ever, and that while the government claimed there was no politics in the enforcement of the L. C. A. he could see the politics in its administration on every hand.

Mr. Woodworth Spoke

Mr. Woodworth's address was more a review of the situations that had arisen to cause the formation of the farm block in the West, and in his remarks explained with the aid of a map the different conditions that made it difficult for a Government at Ottawa to legislate for the whole of Canada. He divided the country into different sections and showed that the requirements of one particular section would not suit another. He showed how the banks controlled the greater part of the business of the country and claimed that a mere handful of men controlled the business situation in the Dominion. He referred to the antipathy of some of the population in regard to the adoption of any new ideas such as the wheat pool and the new situations that arose in a new and growing country, and closed with a appeal to his hearers to get behind the new ideas and see them through.

Miss Macphail

The address of Miss Macphail, the local member, was short, and, as usual, to the point. She felt plainly distressed at the small attendance that had turned out to greet Mr. Woodworth, especially among the laboring men in Durham, but said that if they would not attend these meetings she could not help it. She said there were two or three men in Durham who have too much to do with these things, and asked, "Where are the ministers?" Miss Macphail's address in the main was a review of the past five months at Ottawa and said the session was noteworthy, not for what it had, but for what it had not done, considering that they had had "oceans of talk" in the past five months. She took credit for the Progressive party by saying that it was this group that had stopped the passing of the Bell Telephone bill, and said that there had been more money spent this year than ever.

C. O. F. MEMBERS ATTEND CHURCH

Worshipped As a Body in Trinity Church Last Sunday Evening and Listened to Excellent Sermon by Rev. E. Hayes.

Members of Court Durham Canadian Order of Foresters attended Trinity church in a body last Sunday on their annual church parade. About twenty-five members of the order were present and joined with the Anglican congregation at the evening service. Rev. E. Hayes, rector of the church, preached his sermon from the parable of the prodigal son and in his interpretation of this portion of the scriptures gave a most edifying address that was very much appreciated by both the visiting Foresters and the congregation.

"Pa, did you go to Sunday School when you were a boy?" "Yes, my son, I always went to Sunday School." "Well, Dad, I think I'll quit goin'—it ain't doin' me any good, either."

SECOND ANNUAL PICNIC DREW LARGE CROWD

Three Thousand in Attendance at Annual U. F. O. Picnic at Flesherton Last Friday Afternoon and Evening.

A crowd estimated at over 3,000 assembled in J. A. Lever's grove, a mile north of Flesherton, last Friday afternoon, the occasion being the second annual U.F.O. gathering to be held in this location. The spot is an ideal one for such an affair, a large maple bush, and surrounding fields where every kind of sport could be indulged in. During the afternoon the big crowd enjoyed itself in watching the numerous games, baseball, softball, football, horseshoe pitching and speeches, there being something for everybody and plenty of room to see it in. The speeches during the afternoon and evening were delivered by J. S. Woodworth, M. P., for Winnipeg North, and by the local members, Miss A. C. Macphail and F. R. Oliver. During the afternoon a full programme was put on by the Harvey Lloyd concert troop, and this company also entertained the crowd in the evening. For the evening's programme, in addition to the concert and the speeches, the Markdale Pipe Band also entertained the gathering with good music, and when all this was over the big dancing platform held the multitude until well after the midnight hour, the music being supplied by the Cedarville orchestra.

The day was an ideal one, all seemed to enjoy themselves, and when the receipts were counted up it was found that they were well over the \$4,000 mark, with over \$4,200 taken in at the gate.

MOFFAT ELECTED BY LARGE MAJORITY

Majority of Conservative Candidates May Exceed 1,000 According to Report at 10 o'Clock Last Night

A telephone message to The Chronicle from Walkerton last night at 10 o'clock gave the information that Foster Moffat, the Greenock Conservative farmer candidate was leading M. A. McCallum, disaffected Progressive member by a large majority in the election in South Bruce. Asked what that majority might be, The Chronicle was told that it was not known definitely, as all the returns were not yet in. When last computed Moffat was leading by 1,800, and it was reasonable to assume that his majority would be at least 500 to 1,000, and perhaps more.

Walkerton gave Moffat a majority of 522, while McCallum's majority in all the rural centres had been reduced considerably some of which had even given a majority this time to the Conservative candidate. At 12 o'clock this Wednesday night, the figures given to The Chronicle over the phone from Walkerton gave Moffat a majority of 1,563 with two polls to hear from but these would not change the figures much. In East Hamilton Morrison the Conservative candidate was elected in a three-cornered contest by over 2,000, and in North Renfrew the Conservatives were also victorious, electing Dunlop by 2,500. This makes a gain of one seat in the Ontario Legislature for the Ferguson Government.

IMPROVING GAS STATION

The Durham Service Station, recently purchased by the Imperial Oil Co. and leased by J. W. D. Evans is being greatly improved by the repainting and refinishing of the building and the installation of lavatories. J. N. Murdock had the contract for the whole work, but has since sublet the contract for the plumbing to Cross & Sutherland.

NEW DEER AT PARK

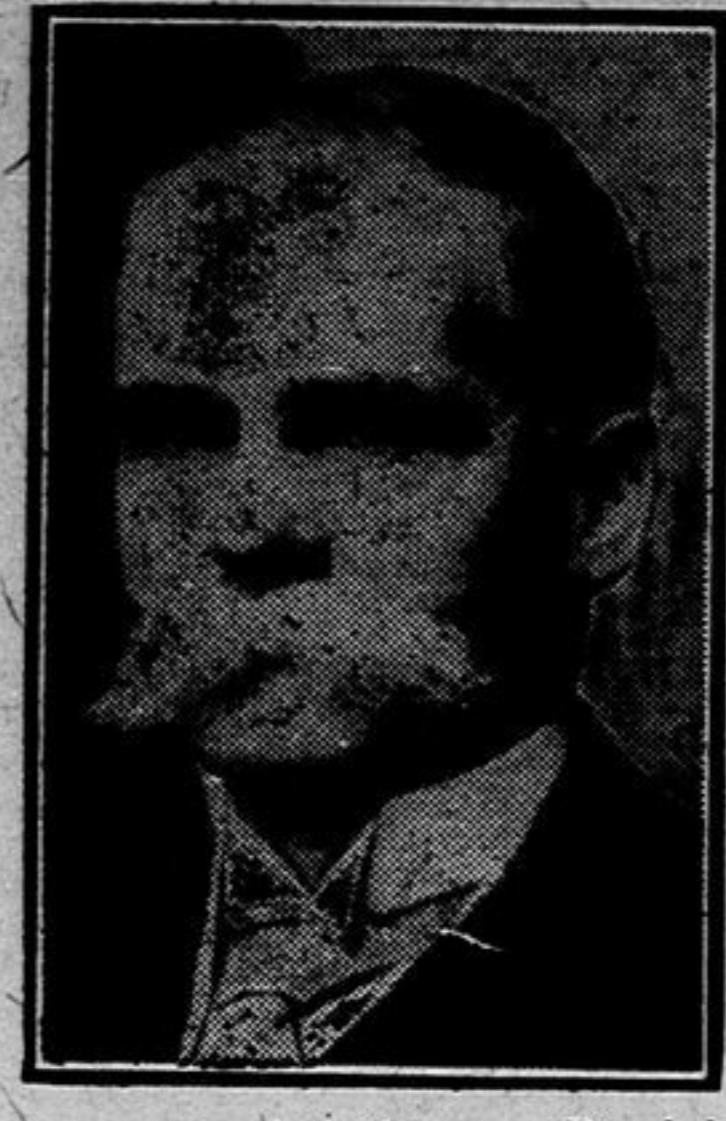

The park at Wilder's Lake had its family increased last week by the addition of a fawn, donated by Mr. Harvey Caswell, who found it in the bush out in Bentinck. The fawn was only a day or two old when captured, and has since been bottle-fed at the farm of Joseph Young, who has charge of the park. It is doing well and will likely be turned loose in a few weeks.

ENTRANCE EXAMS. OVER

Monday, Tuesday and Wednesday of this week were busy ones for public school pupils trying the Entrance to High school examinations. All the papers were written off by yesterday afternoon. This year at Durham centre 63 pupils wrote, 25 from Durham school and 38 from schools in the vicinity. The presiding officials were Principal Robb of the High school, and Principal Graham of the Public School.

A writer says there's no law against saving money. There's that little law of necessity.

Learning to be a bachelor of arts is much easier than learning the art of being a bachelor.

Hon. Frank Oliver, Dominion railway commissioner appointed to the board in 1923, is slated to retire this fall, it is reported, because he has reached the age limit of 75, even though he will have served only one-half of his ten-year period. Other rumored replacements are Dr. S. J. McLean, assistant chief commissioner, and Chief Commissioner Hon. H. A. McKeown. During this month Chief Commissioner McKeown and Commissioners Oliver and Norris are holding hearings in the prairie provinces. They will return to Ottawa about July 9.

HYMENEAL

MacLEAN—JELLY

At the home of the bride's parents, Melancthon, at 3 o'clock on Saturday, June 16th, 1928, the marriage was solemnized of Beatrice Alberta, daughter of Mr. and Mrs. W. J. Jelly, to Mr. Raymond MacLean, son of Mr. and Mrs. D. G. MacLean of Priceville. Rev. R. P. D. Hurford officiated. The bride wore beige georgette and carried pink roses. Miss Torrie Jelly of Toronto played the wedding march. After luncheon they left on a motor trip to North Bay, and upon their return will reside in Priceville.

Those present from a distance were: Mrs. D. G. MacLean, Priceville; Mrs. MacDonald, Owen Sound; Mr. and Mrs. John MacLean and son, Edmonton; Mr. and Mrs. Herman MacLean, Miss Olive MacLean, and Miss Marjorie Tyrrell of Toronto.—Sheburne Economist.

Mr. and Mrs. MacLean have returned from their honeymoon (taken up residence in Priceville) and The Chronicle joins with their friends in extending a welcome to the bride with a wish for a long and happy married life.

McRONALD—CORLETT

A pretty June wedding was solemnized on the 20th inst., at the home of the bride's parents, Mr. and Mrs. R. J. Corlett, Dornoch, when their elder daughter Gladys Myrtle, was united in marriage to Mr. Norman T. McDonald, eldest son of Mr. and Mrs. J. C. McDonald of South Bentinck.

At 12 o'clock, high noon, the groom took his place under the arch of evergreens and white streamers and, to the strains of the wedding march played by the groom's sister, Miss Janet E. McDonald, the bride entered the living room on the arm of her father, who gave her away. The marriage service was conducted by Rev. W. A. McWilliams, Presbyterian minister of Dornoch. Only the immediate friends of the bride and groom were present. The bride's gown was of honeydew georgette trimmed with satin and gold set in gold lace. She wore a rhinestone band in her hair and carried white carnations and fern. The groom's gift to the bride was a white gold bar pin set with a diamond and to the organist a gold ring with her birthstone.

Immediately after the ceremony, the guests sat down to a sumptuous wedding dinner. Amid confetti the bride and groom left for Toronto where their many friends of that city waited them at the home of the groom's cousin, Mr. and Mrs. A. J. Cresswell.

On their return a reception is being held at the bride's parents on Tuesday of this week. Mr. and Mrs. McDonald will reside on the groom's farm in South Bentinck.

SMITH—MERYN

A pretty summer wedding was solemnized at the home of the bride's parents, Mr. and Mrs. George Mervyn, Bentinck, on Tuesday afternoon at 2 o'clock, when their daughter, Edith, was united in marriage to Mr. Fred Smith, also of Bentinck. Rev. Dr. Morrow of Hanover was the officiating clergyman. The ceremony was performed in the presence of a large number of invited guests. Miss Lottie Mervyn of Durham, a cousin, was bridesmaid, and the groom was supported by Mr. Carl Smith. Miss Marie Bailey was flower girl. Following the ceremony the wedding dinner was served and the evening most pleasantly spent by the large assembly. Mr. and Mrs. Smith left on a honeymoon trip to Toronto and other points and on their return will reside on the groom's farm in Bentinck.

NARROW ESCAPE WHEN CAR TURNED TURTLE

O. E. Klein and Party Principals in Spectacular Motor Wreck East of Priceville Sunday Night.—None of Party Seriously Injured Though Confined to Durham Hospital for Time.—Other Hospital News.

Last Sunday night about 10.30, when returning from Wasaga Beach with a party of friends, Barrister O. E. Klein of Walkerton failed to make the turn at the approach to the overhead bridge, one mile east of Priceville, and as a result his big sedan turned over when he applied the brakes and settled on its top with all four wheels in the air. For a time it was thought the occupants were seriously injured and four of the five passengers were taken to Durham Hospital, where they were found to be suffering from minor bruises, cuts and shocks.

The party consisted of Mr. and Mrs. Klein of Walkerton, Mrs. Klein's sister, Mrs. Hetherington, also of Walkerton, and Mr. and Mrs. Klein of Milwaukee, Wisconsin. The party had spent the day at Wasaga Beach and were returning home. It is said that the car was running at about 35 miles an hour and Mr. Klein, who was driving, did not notice the sharp curve ahead of him until too late. It is thought he attempted to make the turn and at the same time applied the brakes, with the result that the car slid off the road and overturned.

Mrs. Klein Sr. was found to have sustained a bruised and cut head and he resister, Mrs. Hetherington, a bruised face and shoulder. The younger Mr. and Mrs. Klein were also injured, the former receiving a scalp wound and the latter an injury to her shoulder. Though shaken up, Mr. Klein remained with the wrecked car, which has since been loaded on a flat car and shipped to Toronto for repairs. All the patients have returned to Walkerton.

Other Hospital News

During the past week several operations have been performed by Dr. D. B. Jamieson at the hospital, four of them for removal of tonsils, and one for perforated stomach.

The four tonsil patients were Rev. Gordon Prosser, of Ceylon, Mrs. Leroy Vickers of Wiarnton and Mrs. Fraser and son, Toronto.

Mr. Richard Genoe of Artemesia, residing near Markdale, underwent an operation for perforated stomach, and is doing very well at present. This is a most dangerous operation and one that requires expert surgical skill and attention.

Rev. Father Rodrigue Lussier, former Quebec priest, whose new charge will consist of mission work in the newly-discovered Flin Flon mine region, Northern Manitoba and Saskatchewan. He has wide knowledge of English, French, Italian and Spanish, which will be invaluable in his pioneer work. He intends to build a house and chapel this fall and a school and hospital next summer. He is starting just as soon as the C. N. R. begins a regular train service between Le Pas and Flin Flon.

The teacher was giving the kindergarten class a lesson in natural history. Turning to one small tot she inquired: "What do elephants have that no other animals have?" "Little elephants," was the surprising reply.

TEMPERATURES OF PAST WEEK

Following are the temperatures of the past week, with the highest and lowest registered every day during the preceding 24 hours

	8 am.	Max.	Min.
Thursday	66	78	62
Friday	63	78	56
Saturday	65	79	63
Sunday	72	78	69
Monday	64	76	60
Tuesday	57	60	55
Wednesday	56	74	50

The Weather

The weather during the past week has been remarkable for its changes. Thursday quite a heavy fall of rain was registered, the precipitation being .67 inches, while Friday was comparatively fine and warm. Saturday afternoon between 1 and 3 o'clock .40 inches of moisture fell, while Sunday was fair and warm. Monday and Tuesday both saw rainfall, .48 inches falling in the first instance and .12 on Tuesday. Yesterday was quite balmy, though Tuesday night turned quite cold. It has been a remarkable week, changeable, but very nice, and as a result of the rains the crops and garden produce are coming right ahead.
