How They Run

She was an old Irishwoman and was being closely cross-examined with regard to the position of the doors, etc., in her house. "And now, my good woman," said counsel, "tell the court how the stairs run in your house." "How do the stairs run?" repeated the woman. "Yes," said the counsel. "Sure, when I'm oop stairs, they run down, and when I'm down-stairs they run oop; but when the old man comes home late, he says they run all over the house."

CHURCHES

PRICEVILLE PRESBYTERIAN CHURCH

The beautiful sunshine of last Sabbath continues to remind us of God's goodness and His command, "to forsake not the assembling of ourselves together for worship" and in obedience to this command the congregations both morning and evening were fine.

Next Sabbath our services will be at 11 a.m. and 7.30 p.m. (Note the change in time of evening service.) Rev. Mr. Curran, a former minister in Priceville attended our evening service and took part, the many friends were glad to again meet him.

The first regular meeting of the Guild was held last Wednesday evening when a fine gathering listened to the papers by Miss Irene McLean on "Friendship" and the second paper by Rev. Mr. Corry on "The Value of the Church to a Community". After a brief discussion the meeting was closed by Mr. McKenzie, president.

We regret to announce the death of Miss Irene McLean, who departed this life on Saturday evening. The funeral will take place on Tuesday afternoon when a brief service will be held in the McKinnon Hall conducted by Rev. Mr. Corry.

On Saturday afternoon Mr. Neil Gordon McLeod was united in marriage to Miss Irene Gladys Ferguson, daughter of Mr. Archie Ferguson, Profon township. The ceremony was conducted by Rev. J. Corry on the lawn of the bride's home. A large gathering of relatives witnessed the ceremony and were entertained to supper by the bride and bridegroom who plan to leave in a few days for the West.

RUPTURE EXPERT HERE

F. H. Seeley, of Chicago and Philadelphia, nationally famous expert, will himself personally be at the Paterson House Hotel, and will remain in Owen Sound Tuesday only, September 4th, from 9 a.m. to 5 p.m. Mr. Seeley says:

"The Spermatic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over all former methods—exemplifying instantaneous effects immediately appreciable and withstanding any strain or position no matter the size or location. Large or difficult cases, or incisional ruptures (following operations) specially solicited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions, with distinguished personal patrons of all nations." "His method has always been most satisfactory." Late Dr. Edward Shippen, former Medical Director, U. S. Navy.

This instrument is the same as supplied to Surg. Genls. Bureau, U. S. Naval Hospital.—Penn. R. R., Etc. Etc.

He will be glad to demonstrate without charge or fit them if desired. Business demands prevent stopping at any other place in this section.

N. B.—Every statement in this notice has been verified before the Federal and State courts.—F. H. SEELEY.

CAUTION—All cases should be cautioned against the use of any elastic or web truss with understraps, as same rest where the lump is and not where the opening is, often resulting in strangulation. Home Office, 117 Dearborn St., Chicago, Ill. 1pd

HOW TO MAKE A BED

(For the man whose wife is away)

Peel off all the sheets, then pummel the mattress thoroughly. Don't be afraid of it, it can't hit back. Punch the pillows as well, but don't let the feathers fly out in the street and get lost. Put the sheets back one by one, and tuck them in carefully, then when night comes sleep on the sofa. You'll find it much softer.

THE GAME BUT NOT THE NAME

Toronto Globe boasts of its independence. Let it have all the kick out of it, which they may get, but it does not apparently get the name if our ears did not deceive us the other day. A local man No. 1 left a Globe on the seat of his car as he went to do some shopping. A friend, No. 2, standing by, asked if he might read the paper till he came out. "Sure" No. 1 replied, "but it is a Grit sheet, and it'll do you no good." "Well" says No. 2, "if that's so, you may keep it, for I couldn't sleep at night with the d-d thing in the house." And such is life in a small town.—Warton Echo.
