CHURCHES

PRICEVILLE PRESBYTERIAN CHURCH

"There is a little plant called reverence in a corner of my soul's garden which I like to have awakened once a week."

Services next Sabbath at 10 a. m., Sabbath School. 11 a. m., Service. 7.30 p. m., Service.

Young Peoples Guide held their weekly meeting on Wednesday evening, Rev. J. Corry presiding. After the usual business, the following program was given—Instrumental music by Mr. Archie and Miss Lizzie McCuaig; Song, by Miss Hazel Bender; Reading, by Misses Kathleen McPhail and Helen McVic-ar; Reading, by Mrs. A. L. Hincks; Duet, by Misses Alexander and Gordon McCannell. Afterwards refreshments were served. Everyone present enjoyed themselves and a very pleasant evening was brought to a close. Rally Day will be observed this year on Sept. 30.

BAPTIST MISSION CIRCLE

The Mission Circle of the Baptist church held their open Thankoffering meeting at the home of Mrs. H. D. McIntyre on Sept. 5. With the president, Mrs. Knisley presiding, the meeting opened by singing, "Rescue the Perishing". Scripture lesson was read by Mrs. G. Thompson, followed with prayer by the president. Mrs. Spencer gave a very interesting reading on tithing. Mrs. Giles and Miss E. Redford favored us with pleasing and appropriate solos. The speaker was Mrs. Scott, one of our missionaries in India and now home on furlough at her home at Leith for a much needed rest. She emphasized the need of the children and young people, and their work among them in the schools they had established. They have also thirteen stations, each led by a native preacher and workers who all need our prayers and support. Mrs. Scott is a very able speaker, and a true chosen worker of the Master. We pray many years may be spared her to carry on her noble work among the Tuni people of India, and that we at home will support her with our prayers and offerings. The meeting closed with a hymn and prayer by Mrs. Spencer.

KNOX W. M. S.

The monthly meeting of the W. M. S. of Knox United church was held in the schoolroom of the church on Thursday, Sept. 13th, with Mrs. Mather presiding. The meeting opened with the Doxology and Lord's Prayer in unison, after which Hymn 545 was sung. The business was then taken and it was decided to send one of the five quilts to Mrs. Rice. Mrs. W. Lawson read the Scripture lesson and several members led in prayer. Mrs. McIlraith had the Devotional Leaflet "In the beginning God." The Topic "Our Indian Neighbors," was taken by Mrs. W. H. Smith and this very interesting subject gave a great deal of information about these first Canadians whom we might almost call the joint wards of the Government and the W. M. S. The Roll Call was answered with a text on the "Goodness of God." Hymn 365 was sung and Mrs. McGirr gave the closing prayer.

WHAT IS A BOY?

He is a person who is going to carry on what you have started. He is to sit right where you are sitting and attend to those things you think so important, when you are gone. You may adopt all the policies you please but how they will be carried out depends on him. Even if you make leagues and treaties, he will have to manage them. He is going to sit at your desk in the Senate, and occupy your place on the supreme bench. He will assume control of your cities, states and nation; your prisons, churches, schools, universities and corporations. All your work is going to be judged and praised or condemned by him. Your reputation and your future are in his hands. So it might be as well to pay him some attention.

CAREFULNESS TURNS TO A JOKE

The Grand Valley Star and Vidette tells this one: The latest joke on a Toronto motorist is that reported by a number of our townspeople who were witnesses of a happening on Saturday evening in which the motorist before mentioned figured. Approaching the intersection of Main and Mill Streets he brought his car to an abrupt stop at the red silent policeman in the centre of the pavement. Here he waited apparently with patience. Onlookers became curious at his actions but were later apprised of the fact that the driver of the car was waiting for the signal to turn green before proceeding. After waiting several minutes, the driver of the car realized that the joke was on himself and proceeded on his way.

Though it's never too late to learn, we sometimes learn when it is too late.

A FIGHT WORTH SEEING A charge of assault and battery with intent to kill was recently preferred against a man down in the state of Arkansas. The state produced as evidence the weapons used. They consisted of a fence rail, a gun, a saw and a rifle. But the defence was still to be heard from. Lawyers for the accused exhibited as the other man's weapons a scythe blade, a pistol, a pitchfork, a dog, a razor and a hoe. It is reported that after being out for several hours the jury returned the following verdict: "We, the jury, would have given a dollar to see the fight."
