Glenelg & Priceville
(Our Own Correspondent)
As was seen in last week's Chronicle the death of our sister, the late Miss Christine McDonald, is needless for us to add much this week.

Many thanks to the Editor for his report of same. Our sister was ailing for a number of years with heart trouble but always when relieved from an attack, attended to her household duties. She was always faithful till laid up from her duties in attending to the home, which is now left lonely with only one member of a family of ten. The funeral on Thursday, the 27th of December, 1928, was largely attended to McNeill's cemetery and she was laid to rest beside her twin sister, Mrs. Campbell who passed away many years ago.

The Rev. Mr. Corry, who officiated at the funeral, in his preliminary remarks eulogized the noble life and character of the deceased during her long career. At the old home she spoke from the 90th Psalm and the 12th verse.

Many thanks to the two brothers are extended to those who so kindly attended to their faithful sister during her long illness. The pall bearers were Malcolm McInnis, Robert Shortreed, Alex. Stonehouse, William Leith, Arch. McKinnon and Hector McDonald, the last two nephews.

This Monday, the last day of the year is Nomination day but Glenelg is lucky that they had their Nomination and election some time ago.

Those complaining are getting better again. We see that our noble King is not out of danger yet. We are told that the prayers of the righteous availeth much, so we hope the prayers of the many millions of his subjects will be heard and he be spared for a long time. This is the last day of 1928 and to many a home it brings sadness

in reminding of the departure of members of the different families at the beginning of the year. Miss McLean is in the hospital in Durham yet and her many friends wish her a speedy recovery from her ailment. Miss McLean often denied her own comfort for the care of others.

Tonight will hear the bells ringing in a New Year. Here's hoping that it will prove happy and prosperous to all.

Leibolt Bros. have been busy the past few weeks hauling wood to Mount Forest. Today is Nomination day. All those interested in the election will be in Ayrton.

We are very sorry that Miss Florence Fischer is under the doctor's care, but hope for a speedy recovery. The "flu" is still on the go, confining all it attacks to their beds for several days.

Darkies' Corners

(Our Own Correspondent)
(Intended for Last Week)
Despite the number in the neighborhood who have been victims of the flu, the Christmas concert and play held in the schoolroom, Thursday evening, drew a good crowd.

The school children presented their songs, drills and recitations in the forepart of the program. Then the two hour play, "The Eyes of Love" was well put on and each player took his part quite acceptably. Those taking part included: Trusty Jim, Archie MacDonald; Gloria, Donald Nicholson; Royal Manton Reg. Arnott; the Judge and his wife, George Collinson and Dorothy Arnott; Clark, the detective, Arthur Lindsay; Carolina, colored maid, Mary Bell; Laura, a maid, Ethel Hargrave and friends of the family, Mary Hopkins and George Bell.

The players received compliments on their able presentation of the play. Then the part of the program that brought the smiles out on the children's faces was when Santa Claus arrived and distributed the gifts from the beautiful tree. Mr. J. McGirr acted as chairman.

Miss Mimma Hargrave of Toronto arrived home on Saturday evening to spend the Christmas holiday at her home here. Mr. David Hamilton spent Christmas with his daughter, Mrs. Murray Ritchie.

There was a family gathering at Mr. John Lawrence's on Christmas day. Mr. and Mrs. W. B. Patterson spent Christmas at the latter's home near Chesley.

Miss Janet McLachlan was a holiday visitor in Toronto. Mr. and Mrs. George Noble and Mr. and Mrs. Vic Noble and Mr. and Mrs. Albert Noble and family had Christmas dinner with Mr. and Mrs. John McGirr.

Mr. and Mrs. J. C. Hamilton spent Christmas with Mr. and Mrs. Hugh Firth. Mr. Ernest McGirr, B. B. Oshawa, Mrs. T. McGirr and Misses Margaret and Christie were visitors on Wednesday with Mr. and Mrs. John McGirr.

There was a meeting of the school section on Wednesday morning. W. G. Lawrence was appointed trustee in place of William Jacques who has held office six years. Messrs. James Brown and Albert McNally still hold office. Mr. Lawrence Chapman was appointed Secretary and the contract of the wood was let to Mr. Herb. Atkinson.

Mr. and Mrs. James Brown and family spent Christmas Day at Mrs. William Hargrave's. Mr. William Jacques is spending a few days at Stratford and Ingersoll. Miss Ada McLean of Toronto was a Christmas visitor at Mrs. McCannell's.

Mr. and Mrs. W. Williams and children of Mimico are holiday visitors at Mrs. R. Bell's. Mr. and Mrs. John Renwick and Mr. and Mrs. Harold Atchison of Toronto were visitors the first of the week at Mr. W. S. Atchison's.

We wish Editor, staff and readers a Happy and Prosperous New Year.

Varney

(Our Own Correspondent)
The New Year passed off very quietly on account of flu being prevalent in and around our burg. A great many spent their New Year's festivals at the many different homes. One thing that made our Christmas and New Year of a more cheerful nature was the white harvest of snow, enough to make good wheeling or sleighing. Some chose wheels and some the horse and sleighs with their jingle

1. The Trans-Canada special train takes the tourists across the Dominion by one route and back by another. 2. The scenery at Banff, enjoyed by the traveller, is among the most beautiful on the continent. 3. The trees in Stanley park, Vancouver, were growing before Columbus discovered America. 4. One of the C.P.R.'s most powerful locomotives, used for transcontinental traffic. 5. "Woolly Westerners" leading a wild life.

So successful and popular have the trans-continental expeditions of past years proven and so excellent have the results been proclaimed, that this summer the Fifth Annual "Across Canada and Back" tour, promoted by Dean Sinclair Laird of Macdonald College, Ste. Anne de Bellevue, P.Q. over the lines of the Canadian Pacific Railway, will be undertaken this year, it has been announced by the C.P.R. offices in Montreal.

This tour leaves Toronto on July 23 by special train, traveling west via Sudbury, Port Arthur, Winnipeg, Indian Head, Moose Jaw, Calgary, Banff, Windermere, Nelson, Pentticon, Vancouver, and Victoria; and returning east by Emerald Lake, Yoho Valley, Lake Louise, Edmonton, Saskatoon, Winnipeg, and down the Great Lakes by steamer from Fort William past Sault Ste. Marie to Port McNicholl, and thence by rail to Toronto.

Of Educational Value.
Although the traveller is interested chiefly in the attractions of the tour such as scenery, "sights" and novel experiences en route, the educational phase is one highly considered by its promoters. The bulk of the minor difficulties and differences that arise within the Dominion are the result of lack of mutual understanding by the various component parts of the country in the problems of the others. Mutual understanding and appreciation can only be achieved by interest and knowledge, and these are best acquired by travel and personal visits to the other parts of Canada and intercourse with one's neighbours.

Passengers on board the C.P.R. special "Across Canada and Back" train will not only enjoy the glories of western scenery, the invigorating breezes of the Pacific, and the delightful voyage down the Great Lakes; but they will also become acquainted with the life of their Western compatriots. As they pass through the country they will see the industrial and agricultural activities in progress and enjoy Western hospitality as well as scenery.

Under the leadership of one of the most prominent and popular educationalists in Eastern Canada, Dean Sinclair Laird of Macdonald College, and composed chiefly of travellers from Eastern Canada, the visit will accomplish much in the way of furthering common knowledge and making the Easterner better acquainted with the Westerner, and vice versa.

Motoring Included.
The twenty-one day tour will give the tourists participating a comprehensive and attractive view of the west. Arrangements have been made to break the journey in many interesting ways. Motor drives will be taken between Banff and Windermere over the famous 104 mile highway; along the new "Great Divide Highway" from Field, B.C., via Emerald Lake and the Yoho Valley and Wapta Bungalow Camp and through the quaint Kootenay country and the fertile Okanagan valley.

Steamships will not only be taken down the Great Lakes, but also on Kootenay Lake, and across the Straits of Georgia between Vancouver and Victoria on the Pacific coast. The equipment of the special train will include dining cars, sleeping cars, drawing room and compartment cars, a special baggage car fitted with dressing rooms and wardrobe accommodation, and observation cars, which will be an open-top type during the journeys through the mountains. The train will even have special news bulletins and receive copies of local newspapers along the route.
