I. O. D. E. Financial Statement

FOR YEAR ENDING FEBRUARY 28, 1929

Foreword of Secretary's Report Read at Annual Meeting of Canadian Greys Chapter I. O. D. E., Durham.

It is now ten years since the organization of Canadian Greys Chapter, I. O. D. E. It was formed in the closing year of the Great War, and during the Peace years that have followed, the old adage, "Peace has her victories no less renowned than War" has at least shown that in Peace as well as War, the desire to be of Empire service—even in a humble way—is uppermost. At this juncture, we as a Chapter—and individually as well,—desire to add our expression of gratefulness to a kind Providence in restoring to health our beloved sovereign, King George and trust that his sane and wise rule over his mighty dominions be extended for many years. The Empire today is "one" in thought and deed for His welfare and from the humble walks of life to those in authority, is also one in spirit that His Empire may prosper.

Canadian Greys Chapter is merely a unit in furthering the welfare of our Empire, and when we work for the welfare of Durham, or otherwise, we are indirectly serving the larger cause. It is to be hoped that each member of the Chapter regards her membership as a wider opportunity for service, remembering that the "Empire" is a priceless blessing and not forgetting the privileges and opportunities for service in our beloved Canada.

ALICE M. RAMAGE, Secretary.

How Many Millionaires Can You Name?

There are 252 millionaires in Canada today, but not one of them is a telephone millionaire.

In forty-eight years of growth the Bell Telephone Company has never exploited the public nor has it itself been exploited.

Its shareholders have never received over eight per cent in dividends and its subscribers today have the lowest rates in the world for comparable service.

The Bell Telephone Company is owned by 15,300 shareholders and no individual has as much as one quarter of one per cent of the total shares.
