CHURCHES

PRICEVILLE PRESBYTERIAN
Rev. J. Corry, Minister
Our services were well attended last Sabbath, which was very gratifying. We hope that this may continue. Let us all plan to be present next Sabbath. Services at 11 o'clock and 7:30. Sabbath school at 10 o'clock and Bible Class at the same hour.

SWINTON PARK
We had a nice attendance last Sabbath at church, yet we missed a few whom we expected. Don't disappoint us next Sabbath. Service D.V. at 2:30.

KNOX W. M. S.
Owing to the inclemency of the weather on Thursday of last week the monthly meeting of the Woman's Missionary Society of Knox church was postponed until Friday afternoon when it was held at the home of Mrs. Thomas McGirr on Lambton street. The meeting opened with hymn 531 and the Lord's Prayer in unison. Mrs. Middleton read the Bible lesson from Matthew xvii.

Mrs. W. H. Smith gave the report of the conference branch meeting in Toronto in Deer Park Church. Mrs. Smith spoke for an hour and a half and her subject was of absorbing interest. She read Mrs. Lancelotti's, the president of the Toronto Conference Branch, address on a review of the work done by the branch and the tasks that needed to be done. In the Strangers' department, she quoted the words, "To those whom God loves He gives not a crown but a task," and the work in this department was great. Some of the subjects which were untouched, are to be given at a later date.

The roll call was answered with a favorite text and Mrs. McGirr closed with prayer.

GLENELG MISSION CIRCLE
The Glenelg Centre Baptist Mission Circle met in the home of Mrs. James McGillivray. This was an Easter service and the topic for study, as well as the readings, were all lessons on Easter. The topic was taken by Mrs. J. McGillivray and the Bible reading by Miss Flora McFarlane. Mrs. E. Trafford gave an Easter poem and readings by Beth McGillivray, Winnie Binnie and Mrs. H. Beaton were all of interest. The open board letter on Mission work in Toronto was read by Mrs. A. Beaton. A duet was sung by Mrs. J. McGillivray and Miss W. Binnie. The membership is small, but each one takes an active part, thus making a helpful, interesting service.

QUEEN STREET MISSION CIRCLE
The Young Ladies' Mission Circle of Queen Street United church were entertained at the home of Mrs. Charles Moore on Tuesday evening, March 12. The president, Mrs. R. Padfield, presided over the meeting, which opened with hymn 99 "From Greenland's Ice Mountains" followed by the Lord's prayer repeated in unison. The secretary then read the minutes of the February meeting, which were adopted. The roll call followed. A devotional paper on "Budget Making" was read by Miss Holmes. Mrs. C. Kinnee led in prayer and all joined in singing hymn 49 "Saviour breathe an evening blessing". Mrs. Kinnee was appointed vice-president in the place of

Miss Etta Twamley, who resigned on account of ill health. The Circle ladies sympathize with Miss Twamley and wish her a speedy recovery to health and strength.
The next chapter of the study book "Flashes of Color" was carefully and enjoyably presented by Mrs. (Rev.) Fiddes, who also read a very interesting and instructive letter from the missionary stationed at the Kolakreeka. Hymn 224, "All for Jesus" followed by the Mizpah closed the meeting. Lunch was served by the hostess.

HELD FATHER AND SON NIGHT
The Monarch Trail Rangers of the Queen Street United church held a Father and Son banquet on Monday evening, when a most interesting couple of hours were spent. The boys took part in the opening devotions this being followed by an excellent program of addresses and songs. On behalf of the Rangers, Frank Ritchie welcomed the fathers.

One of the features of the evening's addresses was that by George Glass, who spoke on the subject, "Dad Through a Boy's Specs". The address was good one and received much favorable comment. Dr. Grant took the subject, "The Boy Through Dad's Specs." Another interesting address was that of Lorne Wright, who spoke on "Why I Am a Trail Ranger."
This was followed by a "fun" period partaken of heartily by both fathers and sons, after which the boys served the lunch.

ADDRESSED B. Y. P. U.
The B. Y. P. U. held their regular meeting in the school room of the Baptist church on Monday evening, when an excellent and varied program was presented. The feature of the evening was an address by Dr. A. M. Bell. Dr. Bell's subject dealt with the what to do in the case of accidents of various kinds and, with a live subject to work on, he demonstrated many methods in saving life that should be of great value to those who were present. He told of the various ailments such as fainting spells, epilepsies, hemorrhages, what to do in case of accident such as a broken limb, how to resuscitate a person after drowning, the treatment of cuts, and other methods of treating accidents to tide the patient over until the doctor arrived. His address took about half an hour and was very much appreciated. A vote of thanks proposed by the Messrs. Holmes and Erwin was unanimously carried by the assemblage.
