Does the Stock Market Shut Anyone Out?
Anyone can buy shares of the Bell Telephone Company because they are listed on the stock exchange.
Anyone thus can become a shareholder and exercise whatever rights shareholders may have in purchasing new issues of stock.
Bell Telephone stock—old and new—has always been available to anyone who wants it. And it is available to the public now "on the open market".
The Bell Telephone Company is owned by 15,500 shareholders and no individual has as much as one quarter of one per cent of the total shares.
