CHURCHES

KNOX MISSION CIRCLE

The Knox Mission Circle held their regular meeting on Tuesday, May 7, in the schoolroom of the church with the president, Mary Brown, in the chair. The meeting was opened by singing hymn 717, followed by prayer by Myrtle Mortley. After the roll call was answered the minutes were read and the business disposed of, the offering was taken. The Study Book was taken by Maude Picken. The singing of hymn 494 and the repetition of the Lord's Prayer and class text closed the meeting.

KNOX W. M. S.

The regular monthly study meeting of the Knox Young Women's Auxiliaries was held in the schoolroom of the Church on Monday evening, May 6th at 8 o'clock. Owing to the absence of the President, the Vice-President, Miss Mary Mather, was in the chair. The meeting opened by singing hymn 607—"Jesus Saviour Pilot Me" after which Miss Margaret Lennox led in prayer. Miss Islay McKechnie read the Scripture Lesson, Luke 18. The roll call was answered by a favorite verse of scripture. The devotional leaflet, "The Needle's Eye" was read by Miss Gerrie. An excellent paper on the seventh chapter of the study book, "Drums in the Darkness", "The Daughters of Africa" was given by Miss Marjorie Ritchie in which a comparison was made between the African woman before and after she became a Christian, showing the marvellous effect that Christianity is having among the women of Africa. Arrangements were made to have as many as possible attend the meeting of Grey Presbyterial to be held in Owen Sound on Tuesday, May 14th in Division street church. Hymn 582 "O Master Let Me Walk With Thee" was then sung. The meeting closed by repeating the class text and the Lord's prayer in unison.

MISS LAMONT IN DURHAM

The Presbyterian W. M. S. held their monthly meeting in the church on May 7 with a goodly number present. Mrs. (Rev.) Armstrong presided and opened the meeting with the hymn "He Leadeth Me" Mrs. Derby led in prayer and Mrs. Gordon Geddes read the 15th chapter of John. Roll call was answered by a verse on "Honor". The minutes of the last meeting were read and approved. Mrs. Harding reported 24 calls made. Miss Lamont, Field Secretary, then gave a splendid address on missionary work. She told of work done by small gatherings of six or eight members and of auxiliaries where all the ladies of the church were members. This should be the aim of all auxiliaries. It has been reached in the country but not in towns or cities. After this inspiring talk three ladies led in prayer. "Lord of the Lands Make Canada Thine Own" was sung. The meeting closed by repeating the Lord's Prayer in unison. Lunch was served.

BAPTIST MISSION CIRCLE

The Woman's Missionary Circle of the Durham Baptist church met at the home of Mrs. Robert McLean on May 1, with the president, Mrs. Knisley, in the chair. The meeting was opened by singing hymn 193, "Simply Trusting Every Day", followed by prayer by Mrs. Kinnee. The minutes of the last two meetings were read and adopted. Miss Moffet read the scripture lesson from John xiv, hymn 271, "Revive Thy Work, O Lord," was sung, and the roll call was answered by a text of scripture on long suffering. Then followed a season of prayer for the missionaries. Miss Grace Ritchie gave a splendid reading, "The Highest Choice". The topic, "Our New Canadians," was taken by Mrs. G. Thompson, and told of the work of the missionaries in the John street Mission, Toronto. Delegates appointed to attend the meeting of the association at Warton were Mrs. G. Thompson and Mrs. W. Moffet, with Mrs. F. Giles and Mrs. Knisley as alternates. The meeting was closed with the singing of hymn 160, "My Faith Looks Up to Thee," and prayer by Mrs. Moffet. Mrs. McLean served lunch at the close.

A. O. T. S.

The A. O. T. S. class of Queen Street church met for a literary and social evening in the church basement on Thursday night. Mrs. Slack, the president, presided over the meeting. In opening, a hymn was sung, followed with prayer by Mr. Fiddes. The Scripture lesson, read by Juanita Holmes, was found in Matthew 10: 1-16. This was followed by a Bible talk by Mrs. Fiddes, who gave the class some worth while things to think over. Mrs. Bailey gave a splendid paper on current events. One of the literary talks of the evening was given by Mr. Fiddes on the interesting life of Francis Thompson, a noted poet. He also read one of his poems, "The Hound of Heaven". Then Miss Fraser told of the life of one of the great artists, Holman Hunt. It was made the more interesting by having with her one of his paintings, "The Light of the World", to show the class. The meeting was closed by singing a hymn and repeating the Mizpah benediction. The rest of the evening was spent in playing games, after which lunch was served.

The Rhyming Optimist

Pan's Return

Pan comes no more, no more, to Earth men say,
To bless the flocks and herds.
No more upon his tuneful pipes to play
And mark the envious birds.

Dawn Came

Dawn came, and when the robins woke
New vision on the spirit broke;
How bright, how far away,
The cares that vexed us yesterday!

With Roses

Not words, but roses, dear, can tell
The thing I wish to say;
Words could not bear my message well,
But roses, frail and gay,
Will add the weight of beauty's spell
To lines I pen today.

Her Letters

Her letters are so filled with love
I cannot let one go,
In every line and word they prove
Such faith as few may know.
They breathe such changeless trust
That when they fall to dust
Still, flower-sweet, they must
Always send up love's vital bloom
From out the dark soil's cold and gloom.

Safety First Hints

Don't, if you are a pedestrian, take a chance which may endanger your own life or a motorist's.
Don't step out from between two parked cars without first looking in both directions. Failure to do this may cost your life.
Don't, if you are a motorist, forget that a pedestrian has road rights as well as you.
Don't neglect to drive in a careful, prudent manner. You have no right to endanger the property of another or the life or limb of any person.
Don't neglect to have your car under control and use extreme caution when turning a corner of intersecting streets. More accidents occur at intersections than anywhere else.
Don't fall, when about to decrease your speed or stop, to warn those following you. Due vigilance prevents accident.
Don't neglect to go slowly where children are in or near the road. You can't even guess what they will do.
Don't back your car unless you are

THE FIRST WATCH

The first watch was about the size of a dessert plate. It had weights, and was used as a "pocket clock". The first great improvement, the substitution of springs for weights, was in the year 1540. The earliest springs were not coiled, but were straight pieces of steel. Early watches had only one hand. They were wound twice a day, and were not expected to keep time nearer than within 15 or 20 minutes of correct time, for the period elapsing

from one winding to the next. The dials were of silver or brass. The cases had no crystals, but opened at the back and front. A watch of that period was four or five inches in diameter. A plain watch cost the equivalent of about \$1600 in our currency, and after one was ordered it took a year to make it.
