On Friday evening the Bible class and teachers of Edge Hill Sunday school met at the home of Mrs. E. Greenwood and presented her with an electric reading lamp in appreciation of her services as Bible class teacher for a number of years. Mrs. Greenwood in reply thanked them sincerely for their gift. The remainder of the evening was very pleasantly spent in music and games.

The weather on the statutory Arbor Day was not very favorable, so the work was postponed for one week when an ideal day was secured. Some trees were planted, the grounds nicely cleaned up, after the work was over lunch was served, picnic style. The teacher, Miss Beaton, provided a generous treat of oranges.

CHURCHES

HELD BAKING SALE

Trinity church Guild held their Spring sale on Saturday last in their rooms. Although the weather was disagreeable there was a good crowd.

QUEEN STREET MISSION CIRCLE

Miss Clara McCrae entertained the Queen Street Mission Circle in her home on Thursday, May 9th. About twenty-five ladies were present and enjoyed an excellent programme. Mrs. Rees Padfield, the faithful president, presided over the meeting as usual. Several hymns were sung and prayer offered by Mrs. (Rev.) Fiddes. Miss Mary Metcalfe gave the devotional reading, "The Needle's Eye". Misses Gertrude Glass and Genevieve Saunders showed considerable musical talent in the rendering of a piano duet. A real treat was enjoyed by all when Mrs. Mark Wilson sang a beautiful sacred solo.

The speaker for the evening was Mrs. (Rev.) Smith of Knox United church, who gave an excellent report of the convention held in Toronto. Mrs. Smith proved herself a very efficient delegate, not only by so faithfully noting all that was given at the Convention but by her fluent delivery making it all so interesting and so real to her hearers. Mrs. Smith made it plain to all, that it is only by as many Mission Circles and Auxiliaries as possible, not merely reaching their allocations, but by going far beyond them, can we hope to make up the deficit in the total amount, which is the great difficulty faced by mission leaders. A hearty vote of thanks was given Mrs. Smith.

Lunch and a social time closed the meeting.

KNOX W. M. S.

The May meeting of the W. M. S. of Knox United church was held at the home of Mrs. Thos. Brown on Thursday, May 9th, with Mrs. Mather presiding. The meeting opened with the doxology and the Lord's Prayer in unison. A brief service followed in memory of one of our former beloved members, Mrs. Farquharson, who passed to her reward a few days previously. Hymn 625 was sung and the 23rd Psalm read by Miss B. Mackenzie. A beautiful "In Memoriam" written by Miss Belle McGirr was read. Miss McGirr told something of Mrs. Farquharson's life and work while she lived among us; of her unselfish and devoted interest in the Master's work and of her patience and cheerfulness in all her times of trouble. Truly it can be said of her "Her works do follow her". A few moments of silent prayer followed by Hymn 607 and prayer by Mrs. Allan brought this service to a close.

Mrs. Stonehouse read the devotional leaflet "The Needle's Eye" which brought out the importance and sac-

redness of our stewardship.
The roll call was answered by a text on "Help".

Miss Margaret Hunter had the topic from the study book and gave a most interesting account of the many encouragements of the missionaries' work. The paper was greatly enjoyed by all. Mrs. Derby and Mrs. Ramage led in prayer and after hymn 582 was sung Mrs. McGirr gave the closing prayer.

Mrs. Brown and her assistants served tea.

70TH ANNIVERSARY SUNDAY, MAY 19

The 70th anniversary of Durham Presbyterian church is to be held this year on Sunday, May 19, with the Rev. Dr. Drummond, of St. Paul's church, Hamilton, as the special preacher. Dr. Drummond is one of the outstanding clerics of Ontario and of the Presbyterian church and the announcement that he is to occupy the local pulpit at both morning and evening services will insure a big congregation on both occasions.

Special music by the choir is another feature of the annual meeting. On Monday evening there is to be the usual entertainment in the church for which the Seaforth Paramount Quartette as well as a high-class elocutionist have been engaged. These will present one of the best concerts given in Durham in a long time. Everybody come and bring your friends. Supper and concert, 50c.

Canned Fodder for Careless Cows

This new corn-stalk paper is all right—but it has its drawbacks. Not very long ago a drayman attempted to deliver several reams of this paper to the P. V. office. The door was locked, so the drayman just left it in front of the office. A cow wandered down the street and had a wonderful feast off this new-fad paper. The owner of the cow took her home, milked her as usual and delivered the milk. The next day all the milk customers were spitting paper wads.—Windsor (Colo.) Poudre Valley.

His Sole Souvenir

"Yes, I was driving alone in Sicily when robbers came and took everything—money, watch and even my car."

"But I thought you had a revolver with you?"

"Yes, I had, but they did not find that."—Der Lustige Sachse (Leipzig).

Was In Bed All Summer

"I have to work in the store and do my own housework, too, and I got nervous and run-down and was in bed nearly all summer. The least noise would make me nervous. I was told to take Lydia E. I am looking after my store and housework and my four children and I am getting along nicely now."
