THE CHRONICLE is an advocate of community buying because it believes that in the theory of buying at home and supporting home industries depends the success and advancement of this town. The merchant is responsible for the position which he holds in the province today. Through his efforts our schools, churches and public institutions have been established as well as all civic rights which we enjoy. He has shown his confidence in the town and in you by establishing himself in business here, assuming the greater burden of taxation and community responsibilities.

HEAVY CIGARETTE PENALTY

I know a young man in Kansas City, Mo., whose parents are my personal friends, and know of his patient two years' effort, since graduation from college, to get into aviation. He had a splendid position as an aviator and had passed his first two examinations. Last month he took the third and last test in mind and body, and was rejected because of a weakened heart from too much cigarette smoking. And, worst of all, as I got it from his father, the young man is barred for two years, and perhaps, permanently. This isn't a mere "frightful example" story. The family is one of the best I ever knew, and the young man was

born in this county. About 15 months ago, I urged him to quit "burning up both health and cash in cigarette smoking," and he told me he would. But, it seems he didn't quit in time, or kept on. Too much of anything is injurious. Many, many years ago, I laid down this dictum, original or assimilated, I'm not sure: "While a taste of pleasure may quicken the relish of life, an unrestrained indulgence is inevitable destruction."—Western Spirit, Kansas.

A thirteen year old girl who says "It is I" has been discovered by an Eastern college professor. She is being guarded from the 'It's me's' of our country.

The philosopher who said there was nothing new under the sun had not heard our latest "stimifier" about reaching for a cigarette instead of a sweet.

"Lundy" Fence

is the Fence you will buy ultimately.
Why Not Now?

Here is a fence that is HORSE HIGH—BULL STRONG and PIG TIGHT. Its closely spaced line wires make it very fine for a barnyard fence. Many farmers find it advisable to use this style along all roads and lanes, and town people also find it advantageous for enclosing their property. Lundy Fence is one that is both Durable and Beautiful.

Examine this Lock closely

Notice its smoothness of design and the completeness of the grip it has on both horizontal and vertical wires. It looks neater and will hold tighter and longer than any fence lock. It will pay you to insist on Lundy Lucky Tie Fence.

Let us quote you on your requirements. We can supply this superior fence at a most attractive price.
