Softball

FIRST SCHEDULE GAME WIN FOR HIGH SCHOOL

Lack of Practice Tells on Oddfellows and High School Takes Game With a Score of 32-8.

The opening game of the Durham-Holstein Softball League was played on Tuesday night at the High School grounds, and despite a cold wind that caused spectators and players alike to shiver, was witnessed by a fair number of spectators. While, as the score indicates, the game was largely walk-away for the High School team it went to show that when the Oddfellows get more practice and discover their batting eyes, they will be dangerous contenders in the race for league honors.

Circuit clouts by Arnett and McCulloch, for the High School were a feature of the game, both hitting one of their homers with the bases full. McCulloch pitched a nice game for the High School and McIntyre started for the Oddfellows, but retired in favor of Garrity in the fourth.

Passed balls and fumbles played a large part in the high score as may be seen by the fact that while the High School had 32 runs they had only 21 hits. The Oddfellows pitchers issued 7 passes and in almost every case these were turned into a run.

Following is the box score:

Table with columns: Oddfellows, A.B.R.H.O.A.E. and rows for Westlake, Ewen, Garrity, Traynor, Moorhead, Ritchie, Matthews, Westlake, McIntyre.

High School

Table with columns: A.B.R.H.O.A.E. and rows for Wilson, McFadden, McCulloch, McFadden, Arnett, McIlraith, Smith, Murdock, McIlraith, Wilson.

\*Batted for S. McIlraith in 5th.

Home Runs—Arnett 2, McCulloch 2; 3 base hits—Arnett, Smith; 2 base hits—Garrity 3, McCulloch 2, McIlraith, N. 2, Westlake, A.; left on bases, High School 1, Oddfellows 4; bases on balls—off McIntyre 5 off Garrity 2, off McCulloch 1; struck out—by McCulloch 2 Umpires—Fender and Duffield.

Score by Innings: High School 1 2 3 4 5 6 7 R. H. E. 4 7 10 5 0 4 x 32 21 6; Oddfellows 0 0 0 4 2 0 2 8 12 10

The following are the rules governing play and eligibility of players as adopted by the Durham-Holstein League:

Playing rules of the Ontario Softball Association to govern.

Teams are to select umpires and if they fail to agree, must notify Secretary at least two days before the game, in which case the Secretary will name the umpires.

All games must be commenced not later than 7.00 p.m., or they will count a loss for the team not prepared to take the field, if the umpires decide the weather is favorable.

Any new player for any team must be resident in Durham or Holstein at least three weeks before playing a game.

Players must have played at least one league game before participating in the finals.
