Buy-at-Home Campaign

Community Buying Directory and Business Guide

Through the co-operation of the Business Men listed below, we will reproduce a series of educational articles endeavoring to bring about a better business relationship between resident and merchant in the town, and thus bring about a more progressive community in which to live.

PRICE AND QUALITY

the cheapest suit of clothes you have in the house."?

price is not the only consideration and that you

must demand quality for what you buy, whether it

money, and the same theory applies to all other lines

of merchandise. The mere fact that you go to

another town and buy a suit for \$10.00 does not

mean that you have saved money. Your home mer-

chant could have given you a suit for \$10.00 that

would probably be better than the one you bought.

He could probably have given you the same suit for

satisfy you and give you your money's worth. He

will not sell you something that is not worth the

money you pay for it, because he wants your trade

when you come again. The merchant in the other

city does not care. He doesn't expect to ever see you

again and will try to get all he can out of you while

whether or not you are getting a bargain. It is the

quality of goods that you get for your money that

counts. The next time you think of buying anything

outside Durham, if you ever thing of such a thing,

go first to your home merchant and ask to see the

article or articles which you are thinking of buying.

It is a courtesy you owe your community as well

as your merchant and yourself, and it always pays.

It is not the price you pay that determines

This means that your home merchant wants to

is a house and lot or a paper of pins.

Did you ever enter a store and say "Give me

You certainly did not because you realize that

You want the best suit you can buy for the
