Dromore

(Our Own Correspondent)

The regular monthly meeting of the Dromore Women's Institute was held on Wednesday, July 3, at the home of Mrs. Alex. Milne. This was the "Canadian Meeting" and the contributions to the afternoon program were of a patriotic nature.

After the opening ode and business, all joined in singing "O Canada." The ladies of the musical committee supplied two pleasing quartettes. The roll call, "A Canadian I Admire and Why" was well responded to.

We had with us on this occasion Miss A. C. Macphail, M.P., who gave a very fine address on "Canada in the Making." She stated that she would probably get away from her subject a good deal, but that she had some things she simply must say. She believed that Canadian mothers and fathers, faithful teachers, doctors, nurses and many others were worthy of admiration as well as the many who had been mentioned in the roll call. The speaker dealt at length upon the legal and illegal exportation of liquor to an officially dry neighboring country. It was not conducive to good will and might prove dangerous. Had it not been for the 100 years of peace behind us, the case of the "I'm Alone" might easily have led to war. The speaker was in favor of having women lobbyists in parliament. Canada was one of the very few countries in which there are none and until we had them she did not think that much could be done with regard to getting laws more favorable to women through the House of Commons. Maternal welfare was mentioned as another condition of affairs that was not as it should be. Four Canadian mothers were lost every day, a death rate which is much too high. The prevalence of goitre in Grey County is alarming. Grey having more cases of goitre than any other county in the province. The speaker believed that a search should be made to try to discover the cause and provide a preventative. She intends to see what could be done. The Institute expressed itself as being glad to help if they were shown how they could do so.

A vote of thanks was extended to Miss Macphail, the hostess and others who had helped. Lunch was served by a number of ladies and the meeting was closed by singing the National Anthem.

Traverston

(Our Own Correspondent)

Haying will be in full swing next week and a fairly heavy crop.

Fall wheat fields in Glenelg never looked more promising. The 10th concession leads in acreage.

Messrs. James Nelson (a former No. 5 boy and liked by all) and James McGeachy, his nephew, of Puslinch, spent a few days at the beginning of the week among the old associates.

Miss Mary Hastie of R. Simpson Co., is enjoying a couple of weeks with kindred and among the scenes of her girlhood.

Mrs. W. J. Allan of Chesley returned to her home on Tuesday after visiting with her daughter, Mrs. Clifford Cook, for the past four days.

Mr. and Mrs. Jos. Patterson and family and Mrs. J. Atkinson of Chesley were guests of Mr. and Mrs. J. R. Edwards the first of the week. The latter and Master Cecil remained on a visit.

Miss Rena Barbour of Egremont, a former popular teacher of No. 5, is spending some days among old associates and enjoying a merry time.

Mr. R. Jackson left for Galt the first of the week to assist his uncle, Mr. W. Nelson, with haying, before tackling the home crop.

Misses Elsie and Isobel Mays of Guelph are enjoying a week's holidays at Grandma Firth's at Zion's Corner. They are a sunny pair of twins.

Mrs. Philip Harrison and Miss Eileen of Swinton Park were guests of the Nelson home the first of the week.

Mr. and Mrs. Colin McArthur, Miss Merron and her brother, Colin, met with a serious accident near Brampton on Sunday evening when returning home from a visit to Toronto. Colin, who was driving, slowed up to avoid a

collision with a car coming out of a sideroad. A motorist following, going at high speed dashed into the rear of their new Ford causing a bad scalp wound on Mrs. McArthur's head and giving the others a severe shaking up. Mrs. McArthur was taken to Brampton hospital and the wound required eight stitches. A phone message was sent to Mr. Archie McArthur of Owen Sound, who motored down and brought the other members of the family home. The new Ford was completely demolished.

"The best ever!" That was the general expression regarding Zion's picnic held in the Edward's grove on Monday afternoon. A big crowd from far and near was present, mingling in merry mood. The clouds rolled away and the weather proved ideal, so warm and quiet and peaceful under the musical maples. So many musical notes have been played under their branches, that they have absorbed the melody.

The program was varied and more than bright. Musical numbers were splendidly given by the Staples family; Mr. George Ritchie, son Howard and Mr. Jim Peart and mouth organ selections by Masters Archie McCauley and Clifford Binns, of Harkaway, promising young laddies. Recitations of more than ordinary merit were given by Miss M. E. Lyons, Miss Lily Black and the following pupils: Mary Anderson, Mary McNab, Clara Jack, Daisy and Eva Street, Elvie and Essel Hastie, Velma McNally and Gordon McNally. Some good community singing and a well-rendered solo by Mrs. John O. Greenwood were woven among the others.

Mr. Alfred Staples of Pasadena made a neat, pithy speech and told a good "yarn". 'Tis twenty-four years since he left the old township and now he returns for a brief visit, a successful business man, with a most charming and lovable partner, a winsome, 17-year-old daughter and a specially bright boy, "Jack".

Mr. and Mrs. Elwood Smith (she was formerly Miss Eliza McClocklin) of Pasadena had made the 3,000 mile motor trip and when called upon were warmly received. He expressed his pleasure and that of his wife at being present and promised to come back again.

The National Anthem closed a very bright program, after which followed a bounteous supper, a big candy treat to about 80 children and a fine program of keenly contested sports, some exciting intense interest, especially the fat man's race between Mr. Mark Wilson of Flesherston and Mr. Hugh McArthur of Zion. They made a new record in speed, but finished a dead tie. After the sports a game of softball between teams from Edge Hill and Wauddy was played, the former winning by a wide margin owing to the absence of two of Wauddy's best players. There is something inspiring and encouraging to see so large a group of people from different communities meet and mingle so happily and so well-behaved. Mrs. W. J. Greenwood, superintendent of the school and all those associated with her are to be congratulated on the afternoon's success. Your scribe was in charge of the ceremonies and was proud of the fine spirit and helpfulness of all.

During the past week there has been a most happy reunion among members of the McClocklin family at the old home on the 4th, where Charlie and his better half, welcome the others. Mrs. Elwood Smith (Eliza), and her husband had motored from Pasadena, Calif., Mrs. Mark Wilson (Lillie) and Mark were over from Flesherston, James came from South River near North Bay, Fred was up from Toronto. Then there were present, also Mr. and Mrs. Alfred Staples, daughter and son from

Pasadena, Calif., Mr. and Mrs. Ross Thibadeau of Detroit, and three members of the Lauder family from Toronto, namely Mrs. Boynton (Maggie), Mrs. Fraser (Minnie) and Mrs. Frank Livingstone (Lizzie), who formerly lived across the road. There was a lively time around the old home.

Headlights That Blind

Have your headlights tested frequently, or test them yourself. Be sure they do not glare.

To drive at night with glaring headlights is to endanger your life and the lives of others.

With only one headlight, you are also a night-time menace on the highway. Always carry spare bulbs.

The law demands that your lights shall always be in proper condition. You are liable to a fine if they are out of focus or not burning.

GOOD PROGRAM INSTITUTE

Held Last Thursday Afternoon of Mrs. J. C. Hamilton. Miss Macphail, M.P., Speaker of Afternoon.

The July meeting of the Institute was held on Thursday at the home of Mrs. J. C. Hamilton. Despite the heavy storm, noon, there was a fairly large attendance. In the absence of Miss M. J. McGirr, Mrs. W. son took charge of the meeting. The program consisted of singing, a solo by Mrs. Priest, who made her first at these meetings and an audience and a duet "Hope" by Mesdames Giles was also much appreciated. Mrs. McGirr gave her "Pioneer Days" commenced arrival of her father and some children to Canada during their pioneer days ago. Once here, there hardships to contend with 3 miles from school, six church (and no automobiles) days). They got a week the neighbor who came brought it back, and as come to their home to be read. Bees of all descriptions order of the day and a good time to make up in other ways. Miss Macphail was a and spoke for a few minutes she had not any title dress, but wished to bring of the members of the Institute three things, and its prevalence: "Greeting credited with more any county in Ontario) us to better ourselves, to Prison reform, in which interested and interested liquor question of which should educate ourselves and vote to make our place for the youth and land to dwell in. Machin away from us much of the pioneers, but we have of fore us as women. The meeting was closed Save the King after which served by the hostess, ants.
