The farmers are busy at present getting their taxes gathered as Monday is the last day. A PROMISING YOUNGSTER
Jimmie Ward, a newcomer to the Montreal Maroons, has already proved himself a valuable substitute. He plays at right wing forward.

As a comment upon present conditions in the stock market the following lines are appropriate:
On Monday I bought share on share;
On Tuesday I was a millionaire;
On Wednesday I took a grand abode;
On Thursday in my carriage rode;
On Friday went to the opera ball;
On Saturday came the pauper's hall.
However, this little verse was not penned this week nor last week, but 200 years ago during a frenzied speculation period in France.
