The entertainment provided by Group 1 of our Literary Society on Friday evening was very much enjoyed by all those who were fortunate enough to be present. Miss Margaret Anderson who had charge of the program is to be congratulated on her success. There were several choruses. Miss Ethel Anderson gave a splendid recitation of Pauline Johnston's "Cattle Thief". There was a number of other excellent recitations. Messrs. The Ritchie orchestra furnished some excellent music and the step dancing of Mike Kenny literally brought down the house. There was a shadowgraph of a serious surgical operation. Needless to say it was quite successful and the patient is rapidly recovering. Miss Margaret Williams and Miss Arlene Bebb sang very sweetly. The Gazette read by Miss Anderson was quite interesting. ? How Many Eggs Should? A Hen Lay

A world's record was lately announced. A Canadian hen laid 351 eggs in one year.

How many eggs are your hens laying? Are they in the class of average farm layers or the class of good layers—150 to 200 eggs a year. The difference between the low farm average laying, on the one hand, and good laying and record laying on the other hand, lies in the breeding, the care and the conditioning and attuning of hens for laying.

Sixty eggs a year from every hen. If you are getting more, you are making a profit. If less, you are not breaking even.

You can feed as you will, care for as you may—but until your hens are in a good condition to lay, eggs will be scarce.

Dr. Hess Pan-a-ce-a does not take the place of feed and no feed can take the place of Pan-a-ce-a.

Here is our Guarantee

When you buy any Dr. Hess Product, our responsibility does not end until you are satisfied that your investment is a profitable one. Otherwise, return the empty container and get your money back.

Intended for Last Week.

Mr. Gunn, lately from the West, took the service here Sunday and gave a very good sermon speaking on the subject, "Christ the Chief Foundation Stone". He said people built on many different foundations for success, such as money and education, but no matter what our aims or aspirations, if they be not founded on Christ, our lives will be fruitless and in vain.

Mr. Patterson of Toronto preached here a week ago. Some thought he was good, others that he was extra. Sorry we did not hear him.

Our W. M. S. meeting for January was held at the home of Mrs. James M. Marshall on Wednesday, January 8. Quite a number were present and an interesting and instructive programme was given. Lunch was served at the close.
