CHURCH FINANCES ARE IN GOOD CONDITION

Annual Meeting of Baptist Congregation Showed Good Progress in Year Just Passed.—Congregational Supper Opened Programme.

The annual business meeting of the Durham Baptist church was held on Wednesday evening of last week, with a good congregation in attendance. Supper was served in the school room at 6 o'clock and at 8 o'clock the pastor, Rev. J. T. Priest called the gathering to order and the business part of the meeting was commenced.

Marked improvements were features of the reports presented by the different departments, the church having had a most successful year. A new roof has been put on the church and Rev. and Mrs. Priest are settled in the fine new parsonage built last fall. Every officer was re-elected by acclamation for 1930 and a hearty vote of thanks was tendered Rev. and Mrs. Priest by the congregation for the splendid progress made by the church since they settled here last June.

QUEEN STREET W. M. S.

The January meeting of the W. M. S. of Queen Street church was held in the school room of the church on Thursday, Mrs. Groves presiding. The opening hymn "Come my Soul Thy Suit Prepare" was followed by the Lord's prayer in unison. The devotion-leaflet, "Pentecost, a Fulfillment" was read by Mrs. Twanley. After giving a short talk introductory to the new Study Book, Mrs. Groves offered prayer. The minutes of the previous meeting were read, also the annual statement showing that our objective had been reached. Mrs. Gagnon read a letter from Mrs. Alder, Presbyterian Secretary of Christian Stewardship and Finance in appreciation of work done, also bringing a message for the new year. The missionary allotted to our society for special prayer is B. Chone Oliver, M. D., secretary of National Christian Council, Banswara, Central India. Mrs. Gagnon invited the society to meet at her home in February. A beautiful duet, "The Touch of His Hand on Mine" was sung by Mrs. McCrae and Mrs. Knechtel.

Mrs. Fiddes took the first chapter of the study book, "From Jerusalem to Jerusalem", which traced the spread of the Gospel through the Old and New Testaments and until the "Edict of Toleration" by Emperor Constantine which brought to an end the persecution of Christians. Mrs. Slack recited a poem entitled, "The Church" which gave in concise form the value of the church and the place it should have. The meeting was closed by singing, "O God Our Help in Ages Past" and prayer by Mrs. Wolfe.

HELD PROGRESSIVE EUCHERE

The members of Trinity church held a progressive euchre at the rectory on Tuesday night which was well attended. There were 20 tables in play. The ladies' prizes went to Mrs. G. H. Hymn 318 opened the meeting followed by prayer by E. Hutton. Secretary, Miss M. Metcalfe gave the report of the December meeting which was adopted. The roll call was responded to. It was decided to change the name of the society from Mission Circle to "Auxiliary".

Mrs. Rev. Fiddes gave the first chapter of the new study book, "From Jerusalem to Jerusalem". This book is a study of the "Expansion of Christianity" and is extremely interesting. The devotional reading, "To you and to

your children and to all who are afar off" was taken by Miss Violet Snell.

After hymn 95 was sung Mrs. William Slack gave a splendid reading showing the confidence Christ's followers entertain for the future of the church.

Following an illness of six months' duration, Mr. Alex. D. McLeod, a respected resident of the Priceville vicinity, passed away Monday evening at the home of his daughter, Mrs. Neil Cameron, Ceylon. Mr. McLeod was 85 years of age and his death was due to the infirmities of old age. One of the best known residents in his community, the news of Mr. McLeod's death will be received with regret by his many friends. For a number of years the deceased conducted a farm in the Priceville vicinity and subsequently engaging in the sawmilling business, and retiring some years ago. Surviving are two daughters and four sons, Mrs. Nell Cameron, Ceylon; Mrs. S. Standen, Durham; David, in the West, and Martin, James and William in Tilbury. Interment was made Wednesday.

DOUGAL MACPHAIL

Mr. Dougal Macphail passed away at his home in the village of Ceylon at 1 o'clock on Friday morning following an illness of about seven weeks. Previous to that time he had not been in the enjoyment of the best of health, suffering a great deal from bronchial trouble, but seven weeks ago he had one of his toes amputated, and since that time had been confined to his bed, gradually becoming weaker until death ensued on Friday morning.

The late Mr. Macphail, who was 65 years of age, was one of the best known auctioneers in the southern part of Grey county, for over 20 years, and was held in the highest regard by all who had any business dealings with him, as he devoted his time for that period almost exclusively to his auctioneering business. He was also a successful farmer. He was born in the township of Proton, and came from one of the pioneer families of that district who had previously moved out from Scotland. He eventually moved up into Artemesia township, and four years ago moved into the village of Ceylon, where he resided up to the time of his death. He was married 41 years ago to Henrietta Campbell, who also came from one of the old pioneer families of that area of the old pioneer families of that area of the old pioneer families of that area.

He has three daughters, Miss Agnes C. Macphail, M.P., who is the eldest; Mrs. W. M. Reany, of Warton, and Mrs. Hugh M. Bailey, of Dundalk. He also leaves three brothers, Ainsworth and Malcolm on the old homestead in Proton, and Alexander of Sedro Wooley, Wash., and five sisters, Mrs. Alex. McKechnie and Mrs. Thos. Stenche, both of Hopeville; Mrs. Jas. Henderson, of Holstein; Mrs. Robert McHardy, of Toronto, and Miss Tena Macphail, on the old homestead with her brothers. The late Mr. Macphail was a Presbyterian in his religious

affiliation. The funeral took place at 2.30 o'clock on Sunday afternoon from the family residence in Ceylon to Priceville, where interment was made.

MRS. FRANK STEWART

The funeral of Mrs. Frank Stewart, who died in the Niagara Falls Hospital on Friday of last week, was held from the Kress undertaking parlors here on Monday afternoon, the service being in charge of Rev. W. H. Smith of Knox church. Interment was made in Durham cemetery.

The late Mrs. Stewart, who was 24 years of age, was born in Durham, the eldest daughter of Mr. and Mrs. Frank Hind, now residents of Owen Sound. About seven years ago she was married to Mr. Frank Stewart of Mount Forest, who, with two children, George and Frances, survive. Surviving also are her parents, three brothers and two sisters, George, Victor, Cecil and Violet, and Elizabeth, at Niagara Falls.

The deceased, who had been ailing for some months, underwent an operation at Niagara Falls a month ago for ulcers in the stomach, but later complications developed which made her condition so serious that a blood transfusion was necessary. For a few days she seemed improved, but took a relapse and passed away last Friday. The remains were brought to Durham Saturday night and the funeral held on Monday afternoon.

POLICE MISTOOK BARTHELMESS FOR ESCAPED CONVICT

Wore Prison Garb for His Role in "Weary River" Under Coat.—Came Near Being Arrested.

It may be safe enough for Richard Barthelmess, First National star, to drive to the studio made up as a prizefighter, a French poli, or an American doughboy, but it's a different matter if he dons the uniform of a convict and takes a different route to the studio, thus missing the officer who recognizes him.

Barthelmess went through Hollywood one day while filming a prison sequence and was in quite a hurry, being rather late for his studio call. As he often does, he had donned his make-up and uniform at home so as to save time. In his haste he commenced to cross a traffic intersection before the signal had completely changed. The officer at the corner rebuked him and in order to divest himself of a lecture upon the traffic law's virtues climbed on the running board. Beneath Barthelmess' overcoat he discovered the convict's uniform. (It was a replica of the kind worn at San Quentin). He also noted the heavy prison shoes, mudcoated and thoroughly in character.

It took fifteen minutes for Barthelmess to prove that he was Richard Barthelmess and that he was made up for his starring role in "Weary River" the new First National feature which comes to the Star Theatre next Tuesday, Wednesday and Thursday. Driver's license, a telephone call to the studio, and a chance friend passing by, helped to establish his true identity much to the chagrin of the officer.

Frank Lloyd directed "Weary River" with Betty Compson in the feminine lead. It is based on the short story by Courtney Ryley Cooper and was adapted by Bradley King.

CORINNE GRIFFITH GOES HUNGARIAN BUT NOT HUNGRY

Corinne Griffith goes Hungarian but not hungry in her latest picture, "Prisoners" the Ferenc Molnar story laid in Budapest which William A. Selter directed. Miss Griffith plays a cashier in a bakery-cafe, where she drinks huge tankards of beer with the actor-students who frequent the place, and encourage them to buy quantities of Viennese pastries by joining them at the tables. The great round loaves of bread in Kore's shop measured a foot wide by a foot long, and the dainty First National star, in addition to eating great chunks of this fattening staff of life, also has to consume untold quantities of buns and rolls.

Others in the cast are Bela Lugosi, Julian Johnston, Ann Schaeffer, James Ford and Jean Laverty. "Prisoners" will be shown Friday and Saturday at the Star Theatre.

RURAL POSTMASTERS ASK HIGHER RATES

Claim Return to Penny Postage Has Seriously Reduced Their Income.—Protest to Government.

The reduction from three-cent to two-cent postage four years ago has so cut into the revenue of rural and small town postmasters that they are asking for a substantial increase in the percentage allowed them on the sale of stamps. A resolution to that effect was passed at their annual meeting in Toronto.

Such a case does not apply to any of the cities of the province, according to local authorities. In the cities and the larger towns, the postmaster is paid on a straight salary basis, although sub-postmasters and the officials in villages and smaller towns work on the fee system.

Vendors in cities are not affected either. They receive payment on a straight salary basis. However, in some of the smaller centres the vendors work on a percentage basis.
