

Dornoch

(Our Own Correspondent)

Mrs. C. Lawrence returned home on Monday after spending a week or so with her daughter, Mrs. P. Ledingham. Mr. and Mrs. Albert Livingstone spent Sunday with Crutchley's. Congratulations are extended to Mr. Alex. Symon Jr. and his bride, who were married last week. The Dornoch Women's Institute held their regular monthly meeting at the home of Mrs. J. Crutchley. There were 12 members and three visitors present despite the disagreeable weather. The meeting opened in the regular way. A letter was read from Mrs. Long of Meaford telling that the special work for the Institutes this year was the Prevention of Goitre among school children. Two ladies were chosen from each section to meet the trustees regarding the matter. The autograph quilt was sold to Mrs. A. McIntosh for \$5.25 and including the money for the names makes a total of \$40.75. Thirty-five dollars of this was presented to the Durham hospital to be used to purchase a bassinette and bed supplies. Splendid papers were read, some being "The Fine Art of Adaptation," by Mrs. Fred Heft, and "Praise and Appreciation" by Mrs. A. McIntosh. Mrs. J. Heft conducted a contest on "Things Seen in the Kitchen." This proved quite interesting and it was worded rather unusual. Miss Reta McIntosh was the lucky one who had the most points correct and received a stamped buffet scarf as a prize. The next meeting is to be held at the home of Mrs. B. Dargavel. The National Anthem closed the meeting, after which lunch was served. Mr. and Mrs. J. Ellison visited with Mr. and Mrs. Wm. Smith recently. Mr. Allan Bell is visiting with his father in Berkeley. Miss May Skene returned home on Thursday after spending several days at Dromore attending her sister, Mrs. Renton, who was very ill and has since passed away. The deepest sympathy of the surrounding community is extended to the bereaved family and friends. Mr. Nelson Schafer and Miss Lena spent an evening with Mortley's last week.

We are all looking forward to Spring. Mr. John Heapl and sister visited with their cousins, the Heapl family in Bentinck, recently. The cold stormy weather hasn't hindered our neighbors from doing business. W. Kenny shipped six head of fat cattle, J. McKechnie sold a horse to a Mr. Lawrence, and Alec Vaughan sold his fine two-year-old colt to C. McDonald. Mr. and Mrs. Mike Kenny and family spent Sunday with the Kenny family. Our patrolmen have all been moved. Mr. Morrison is in R. Braun's place, W. Kenny in N. Melosh's place. Mr. and Mrs. Herb Trafford and son Gordon, and Mr. and Mrs. J. Boyd, spent Sunday with Mr. and Mrs. Bert Marsalles. Coming from town in one of our heavy snowstorms, one driving a team, the other a cutter, had a mix-up. The storm was so great that the man in the cutter did not see the sleigh ahead so drove right onto it. The result was that he was upset and pitched out. No harm was done, only two whips lost. Finders of whips please leave at Mr. McLean's stable.

A number from here attended the skating party at Mr. Fred Torry's on Friday evening of last week. (Intended for last week.) Sorry to hear Mrs. Ralph Brunt of Hanover had the misfortune to fall on the ice, spraining her ankle. Mr. and Mrs. Archie McKechnie and family of Durham are spending several weeks' holiday with the latter's parents, Mr. and Mrs. S. C. Vickers. Mr. A. Jacklin, Chesley, is a welcome guest at the home of Mr. and Mrs. Geo. Brown this week. Miss Christina Livingstone is at present visiting at the home of her nephew, Mr. Herbert Livingstone, Elmwood, helping to cheer and comfort their little son Willie, who is still not able to be around. This bright little lad's many friends sincerely wish him a very speedy recovery. Members from here belonging to the U.F.W.O. Club attended the meeting held at the home of Mrs. George Alexander on Friday of last week and report a good meeting with a large attendance. Next meeting will be held at the home of Mrs. Joe Porter on Friday, February 23. Visitors and members welcome. We join with the community in extending sympathy to the bereaved family and friends of the late Mrs. White, Crawford, and Mr. William Torry of Ebenezer, who have passed on, leaving fragrant memories.

Traverston

(Our Own Correspondent)

Everybody hereabouts is immensely pleased to see February sliding speedily by. Wasn't Saturday a snipper? The rural mail couriers had a fierce gale to face. Large numbers of live stock were shipped out this week, cattle predominating. Messrs. W. Atchison and Lawrence McFadden of Darkies' Corners hauled some monster loads of maple logs from Mr. J. J. Peart's bush the past week. We don't believe they waited for the porridge pot to boil in the mornings. Sorry to report Mr. Will Timmins confined to bed the past few days. It seems but a few short years since Mr. John Haley moved to Osprey township. However during that short period he wedded, is owner of a fine farm and has a bright family of seven boys. Recently he visited among his many cousins in Glenelg. Mrs. John O. Greenwood and family visited Mr. and Mrs. Henry Beaton of Bunesan the first of the week. Mr. Beaton has a large pile of logs in Traverston mill yard ready to be converted into lumber for his new home. Mr. Harry Gray is architect and contractor for the same. The Davis family visited with Mr. and Mrs. Harold Lawrence in Egremont on Tuesday. Zion Women's Institute celebrated St. Valentine's Day on Thursday evening in a unique way. The young people provided the programme and the married folk the eats. 'Twas a splendid success. They had the church nicely decorated and Mr. W. R. Jick ably filled the duties of chairman. Cute and catchy were the recitations given by Misses Viola Neely, Lily Black, M. E. Lyons and Katie M. Firth. Two choruses were well rendered by the young people. Specially good were the numbers by a quartette of young men, Messrs. Clarence Robinson, Howard Ritchie, Melville Anderson and Charles Robson. A trio by Misses Hazel Beaton, Armonell Glencross, and Catherine Timmins was a taking number, and a duet by Misses Ruby and Aleda Staples received warm applause. A pantomime was ideally portrayed by Miss Glenna Firth and Miss Myrtle Glencross. The two "skits", "Crossing the Railway Tracks," and the "Silent Orchestra," were among the most interesting numbers. The orchestra, composed of members of the Staples family, Messrs. Howard Ritchie and Jim Peart, supplied the sweetest of music. Two contests followed the programme, the winners being Mrs. J. C. Cook and Bruce Clark, in one, and Miss K. M. Firth and J. E. Edwards in the other. A big feed followed. The collection was over \$7.00 and will help to swell the Institute's slim purse. Mrs. John Ellison of the 10th Concession has been quite ill the past week. We wish her a speedy recovery.

Wedding bells are ringing! Mr. Chester Sockett and Miss Ethel Sockett, Woodland, spent the week-end with their uncle, Mr. and Mrs. Robert Sockett, Gleneden. Mr. John Adair and the Misses Adair of Fairbairn spent Friday with their brother and sister on the 6th concession. Liebold Bros. are hauling logs to Neustadt. Mr. and Mrs. Thomas Burke spent last Tuesday in Ayton. Mr. Chris. Kaufman buzzed Mr. Lawrence Horrigan's wood one day last week. The Melville church will dispense the sacrament of the Lord's Supper next Sabbath morning.

The weather is again mild after the severe cold on Friday and Saturday. The joint club meeting which was to have been held last Friday evening, but was postponed on account of the storm, will be held on Friday night of this week at the home of Mrs. James Lawrence. Heartiest congratulations are extended to Mr. and Mrs. Addie Symon, who were married last week and have taken up housekeeping in our neighborhood. Mr. James Young purchased a fine working horse at Mr. Edmund Noble's sale on Friday. Mr. Wm. Hill left Saturday to accept a position in Guelph. Misses Agnes and Florence Ewen spent a day recently with Miss Myrtle McLean. Sorry to hear that the young son of Mr. and Mrs. John Braun has been seriously ill, but under the skilful treatment of Dr. Smith he is improving nicely. The euchre and crokinole put on by the club at the home of Mr. and Mrs. L. McLean was a decided success. The night was fine and there was a good crowd. All seemed to enjoy the night's fun. The proceeds were \$21. Mr. May McArthur has not been in good health lately. We hope soon to hear she is recovering. Miss Catherine McLean spent the week-end with her friend, Miss Corinna Lawrence.

Holstein

(Our Own Correspondent)

Mrs. John Hamilton of Mount Forest spent a couple of days last week with her parents, Mr. and Mrs. Hiscock. Miss Stella Woodyard is spending holidays at her home here. Mr. Marshall Burroughs returned last Wednesday after a six weeks' visit with his daughters at Riverview and Horning's Mills. Mrs. George Hostetter is visiting Mrs. Hildyard at Grand Valley and taking in the chautauqua concerts being held there this week. Miss Isabel Hastie and Miss E. Davidson spent the end of the week in Guelph, the former trying a musical examination. The teachers and pupils enjoyed a St. Valentine social in the school on Thursday evening. The Women's Institute are preparing a good programme for their At Home on Thursday evening. The young people of the Community Circle held a very enjoyable skating carnival at the rink here on Saturday evening. The St. Valentine's social in the Presbyterian church on Friday evening was quite a success. The programme consisted of music by the South End orchestra, readings, sextettes, etc. Refreshments were served at the close of the programme. The annual meeting of the Holstein Public Library was held last Tuesday evening. The following directors were appointed: Messrs. W. Hastie, G. Burrows, E. Dingwell, C. Fenton, N. McGuire, Mesdames Tuck, Arnill, Irvin, and C. Fenton. Hon. Directors: Mrs. Coleridge and Mrs. Hostetter, the two resident ministers and principals of the schools. After the annual meeting the first Board meeting was held at which the following officers were elected: Chairman, Rev. Mr. Mercer; Secretary, Alex. Sim; Treasurer, D. P. Coleridge; Librarian, Mrs. George Burrows. The Board decided to issue new catalogues to stimulate interest in the library. Also sides were chosen, with Messrs. G. Burrows and E. Dingwell as captains, to canvass for new members.

Announcing:
An Improved Pan-a-ce-a with a new name
Dr. Hess' Poultry PAN-A-MIN
HELPS MOULTERS MOULT Pan-a-ce-a has helped millions of hens through the moult. Pan-a-ce-a hens have been quick moulters, promptly back on the egg job.
To the moulting hen the new PAN-A-MIN is of even greater benefit. It has more tonics to promote appetite. It has more minerals to help grow the new plumage.
EGG PRODUCTION. Pan-a-ce-a kept hens in laying trim. Egg production has thus been increased for the Pan-a-ce-a user.
The new PAN-A-MIN goes even further in helping to maintain a high level of poultry health—more song, scratch and cackle in the poultry house.
REDUCES CHICK MORALITY. One of the greatest services of Pan-a-ce-a was that of saving the baby chicks.
The new PAN-A-MIN maintains the same high level of chick health, and supplies more minerals for bone, feather and tissue development.
Dr. Hess' Poultry PAN-A-MIN is not a substitute for good feed and proper care. Yet feed and care will not take the place of PAN-A-MIN. They supplement each other.
PAN-A-MIN helps to utilize feed and thus gives you greater returns from every feed dollar.
PAN-A-MIN helps to make your efforts count for more profits.
Make Dr. Hess' Poultry PAN-A-MIN a part of your regular feeding program—add just three pounds of PAN-A-MIN to every 100 pounds of mash. The cost is less than a penny per hen per month.
3 lb. pkg. 65c. 7 lb. pkg. \$1.25 15 lb. pkg. \$2.25
OUR GUARANTEE:—If you do not find it profitable to feed Pan-a-min you have but to return the empty container and get your money back.
