Corner Concerns

While we like to hear of any man's advancement in the world, we are a bit partial to Egremont raised boys. Mr. Howard Mead was born and raised here to Elgh school age but on moving to Unity, Sask., continued and took a certificate for teaching, which profession he engaged in for a few years before entering the University of Saskatchewan to study research work in plant pathology.

Mr. Ernest Andrews of Mount Forest spent over the week-end with his brother Wesley of this place. Mr. Elgin Wilton and two daughters spent the week-end with Mr. and Mrs. Earl Mead. It is said that troubles seldom come singly and it seems to be so with Mr. John Brown as a week ago Friday he had his leg broken at the ankle while going to the bush for wood it slipped off the sleigh and came in contact with a stone.

Mr. and Mrs. James Marshall has purchased a nice Durham bull to improve his stock. Admirers of that breed of cattle urged him to make the venture. Farmers have different opinions of what kind of cattle pays best.

Mr. and Mrs. William Hincks visited Sunday in Markdale. Mr. and Mrs. Allie McLean spent Sunday with her parents in Fiesheron.

Mr. and Mrs. John Nichol (Sr.), Mr. John Cook and Miss Mabel Nichol, visited last week at A. L. Hincks'.

Mrs. Ben McKenzie received the sad news that her nephew, Mr. Andrew Galbraith had passed away in a hospital in Toronto.

Mr. Robert McConkey went to Toronto a week ago and is in Christie Street Hospital. His shoulder is troubling him again. The effects of the war. Mr. Bert Aussum is in charge of the post office.

Mr. Clifford Hincks of Egremont motored home Friday night and spent the week-end. He had to go around by Dundalk and found the road very good. Only in places was there much snow. Mr. and Mrs. Nell Cameron visited Sunday at Dan Campbell's.

Miss Margaret McDougall arrived home from Montana where she has been training for a nurse and graduated last fall. She is going to spend a month with her parents, Mr. and Mrs. Donald McDougall and other friends and relatives.

Sorry to report Mrs. Farquhar McKinnon sick with pneumonia. She and Mrs. Collin McLean attended a funeral in Harrison of an aunt where she caught more cold. Nurses Bradley and Burritt are in attendance. Her daughter Sadie came home from Toronto on Saturday evening. Her many friends are anxious about her.

Mr. Stanley Harrison has rented Mr. William Nelson's farm in Egremont. Mr. Sam Wilson is engaged with Mr. William Hincks.

The Willing Helpers are planning to present their play on Friday night, March 28 at Swinton Park. Hope the weather and wind: are good.

Mulock

The funeral of the late Mrs. Bailey took place Tuesday afternoon from the residence of her son-in-law Mr. Clark Torry, Mulock. There a large number of friends had gathered to pay the last tribute of respect to her memory. The funeral service was conducted by Rev. Mr. Hayes of Durham, who took for the basis of his remarks Job 19: 25 "For I know that my Redeemer liveth and that He shall stand at the latter day upon the earth." He made fitting reference to the sweet patience of the departed one. The casket was covered with beautiful floral tokens bespeaking love for the dead and sympathy for the living, including a wreath in flowers from Lemon Bros., Owen Sound, where her son James was employed; a pillow or roses from the family; a spray from Mr. and Mrs. Walter Bailey and wreath from the grandchildren. The flowers were carried by her four grandsons, George Torry, John Alexander, Walter Kennedy and Clifton Bailey. The pall bearers that conveyed the remains to the last resting place beside that of her husband who passed away six years ago were her five sons, James, Charles, William, Alfred and Walter and a son-in-law Thos. Kennedy. The family were all present except Mrs. Hassanger (Mary), of Virginia and Thomas of Palmer, Sask. Interment was made in Durham cemetery.

A verse that suits her entire life: "A loving mother, true and kind, No friend on earth like her we'll find For all of us she did her best And God gave her eternal rest."
