The brick house of Mr. William Pollock formerly owned by Miss Mary A. Bradley was destroyed by fire last Thursday forenoon. It was supposed to have been started from the stove pipes. The loss is partly covered by insurance.

Some of our neighbors went back to the big fire of McLeod's barns at Swinton Park last Wednesday night. It seemed just over the next hill until they got close to it. This part of the country has had more than its share of fires of late. It is only a week or so ago since the barn on Thos. B. Tucker's place had a close call. Fire was well started when Mr. James Tucker went to let out a horse and discovered it and extinguished it.

THE REALM OF SPORT

BACHELORS 5—HOLSTEIN 4

In the most closely contested game played on the local diamond this season the Bachelors nosed out Holstein by 5-4 scoring the winning run in the last half of the seventh. A very evident improvement in the visitors' fielding was largely responsible for the close score and Irvin's steady hurling helped keep the score down.

The game started off with the Holsteiners retired scoreless in their half of the inning and then the Bachelors started to run up the tallies. Assisted by two walks and two hits they shoved two men over the plate and had two more on bases before the side was retired. Then the visitors lightened down and neither side could score until Holstein got one run in the fourth. That evidently encouraged them for they came right back and got three more in the fifth. This seemingly greased the skids for the Bachelors who could not score until the last half of the sixth when they counted twice. Large excitement prevails among the fans. The score is tied. Now is the time to do or die and Holstein died. The side was retired one, two, three. The Bachelors taking advantage of Ritchie's walk and Millard's single to right put the winning run across the plate and the game's over.

Holstein need have no regrets over losing. They certainly put up a real battle and if they continue to improve to the same extent as they have since the last game here, look out. They'll be heard from before the finals are reached.

Score by Innings	1	2	3	4	5	6	7	R.	H.	E.
Holstein	0	0	0	1	3	0	0	4	5	4
Bachelors	2	0	0	0	2	1	5	4	4	4

DURHAM 4—HANOVER 2

Last Thursday night the Canada Life team from Hanover came over to try conclusions with the local All-Stars, but the locals were too good for them. Fowler, the local hurler set them down with two safe hits, while Rey the Hanover pitcher was touched for four singles. Good fielding marked the play of both teams, especially in the infield. Hanover having but four errors and the locals having three. The visitors' two runs came in the second and fourth innings, both runners scoring on errors. The locals tallied in the first, third and sixth innings.

Score by Innings	1	2	3	4	5	6	7	R.	H.	E.
Hanover	0	1	0	1	0	0	2	2	2	4
Durham	1	0	2	0	0	1	4	4	3	3

SPORTLETS

That boy Fowler sure had the Indian sign on the Hanover outfit. They were swinging high, wide and handsome. One batter even tried to reach up and clout down the high ones.

When Sparling got down to get a low throw from the catcher, the runner's foot hit him in the neck. We have often heard the threat of "a kick in the neck" but that was the first time we ever saw it carried out.

Matthews at third base seems to be in his element. He has figured in more plays than any other player in the league, and in comparison has the least errors.

How about that Inter-town Softball League? Has it died in the shell, or wasn't the incubator warm enough? Outside of the first announcement nothing more has been heard.

The lacrosse practices go better and better. One recently saw twenty candidates on the field chasing the rubber pill. The boys are rounding into shape and with a few exhibition games under their belts, should give a good account of themselves when they meet Fergus.

We have heard nothing this year of a Ladies' Softball team. How come? The girls provided some interesting sport last season and may be certain of the fan's support should they decide to play again this year.

Are foul tips hot? Ask Doug Ewen.

Doug started behind the plate for the Bachelors and in the second got a foul tip from Christie on the end of the thumb on his right hand knocking the first joint completely out. He had the dislocation reduced but it finished Doug's softball for the evening.

Bill Irwin hurled a nice game for the Bachelors. This is the first time we have seen this picture perform this year and he certainly deserved the win. He had two strike outs, three put-outs and four assists. He issued no passes and only allowed five hits all of them singles.

She—"The world is full of rascals this morning. The milkman gave me a counterfeit half-dollar."
He—"Where is it, my dear?"
She—"Oh, I've already got rid of it; luckily the butcher took it."
