

SUNDAY VISITORS NOT WANTED

Mr. S. B. Roberts, who has a summer home at Hayward Falls, has asked us to advise the public that the private lane leading from the road to the falls will be closed on Sundays during the coming season. This action is necessary because so many have abused the privilege and made it almost impossible for Mr. Roberts and his family to get their own car to and from the highway.

OUT-OF-TOWN CALLS—QUICKER AND CHEAPER THAN EVER

Less than a ticket to the talkies!

Mrs. Mills was thrifty!  
She would dearly like to talk to her mother back home, as her friend told her she was doing every week, but think of the expense—  
She was astonished when she learned that a call for the distant number during the day would cost only 60 cents, and after 7 p.m. only half a dollar.  
She actually made her call after 8.30 and it cost her only 35 cents — the night rate!  
Now the weekly 3-minute talk with her mother is a regular thing. And what a joy it is both to Mrs. Mills and her mother. Both declare it is almost as good as a visit!  
Many people are like Mrs. Mills — they think long distance expensive!  
Just run over the rates quoted in the opening pages of your telephone book — especially those for "Anyons" (station-to-station) calls during the evening and night periods! It will convince you.

A complimentary address was read by Miss Emma Oliver and the presentation of two lovely pie servers were presented by Misses Mabel Walter and Margaret Turner. Large numbers from this neighborhood attended the funeral of Mrs. Thos. Cooke at Markdale on Friday afternoon last. Rev. Mr. Bowes, a former pastor and personal friend from Toronto, assisted by the Rev. William Couits, conducted a most impressive service and Rev. Mr. Bowes paid high tributes to the life work and character of the departed. Owing to the washouts on the railway at Sudbury, Mrs. J. Love failed to get through in time for her mother's funeral; but the casket was placed in the memorial chapel until the following day, when she arrived. The funeral was a very large one and kindred were present from London, Toronto, Maple Hill, Owen Sound and other places. The floral tributes were exceedingly beautiful.  
Zion added another successful picnic to the history of the many held in the past on Saturday afternoon. A big crowd was present from surrounding centres and 'twould be hard to find such a large group of young folk in a country place as were present.  
There was a bright program of recitations, songs and music, presided over by the pastor, Rev. H. S. Fiddes. The Staples family and a trio of boys from Harkaway supplied the sweetest of melody. A big supper of good things, the usual treat of sweets to over three score children followed by a program of hotly contested races that brought warm applause from the crowd and a local baseball match closed a most delightful afternoon's outing. Supt. Mrs. W. J. Greenwood and helpers are being heartily congratulated on the success of the annual affair.

Knox Corners

(Our Own Correspondent)  
Mr. Miller preached at Knox on Sunday. He is a son of the late Jas. Miller who preached for a number of years in Holstein. Though quite a young man in years, Mr. Miller has seen a good deal of service having been in Western Canada and also in India. He gave a splendid sermon on Jesus' opinion of God and the picture He gave to us of the heavenly Father, in His teachings. What wrong ideas we have of God. Some even think of Him as a stern judge who delights to punish us, while His heart overflows with love toward us and if we do not enter into the fellowship of that love it is our own fault. We understand Mr. Miller is open for a call.  
Mr. and Mrs. Albert Marshall, Miss Barbara and Miss Myrtle are visiting over the holiday with relatives in Toronto.  
Our W. M. S. meets Wednesday of this week at the home of Mrs. Andrew Picken.

Mr. and Mrs. John Caswell of town visited Sunday with Miss T. E. Byers.

McWilliams

(Our Own Correspondent)  
Mr. Frank Hill, recently from County Wicklow, Ireland, is engaged for a term with Mr. William Moore. He is a likely looking chap and likes this country fine.  
After one week and one day of intense suffering Mrs. Carl Harrison passed away at her home on Friday last. Her early demise is mourned by the whole community. Her sunny expression, cheerful disposition and pleasing personality made her a winner of friends who will sadly miss her. She has been cut down like a flower in early bloom. No one will miss her more than her husband and small children who are left to mourn. The funeral to Amos church burying ground on Monday was very largely attended.  
Rev. Mr. Sullivan of Priceville conducted the services in the church and at the grave side which were impressive and instructive. The floral tributes were many and beautiful. We join the community in extending our sincere sympathy to husband and family. We expect a full obituary will appear in another part of the Chronicle and so we will be brief.

Playwright

"What do you think of my new play? It has a very happy ending, hasn't it?"  
"Yes, everybody was glad when it finished."

We might lighten our own load by helping a brother tote his. Life—One thing after another. Love—Two things after each other.
