Swinton Park

(Our Own Correspondent) The rapid growth the past month has made a great improvement to the spring crops and also to the roots. Hay is an average crop but not as heavy as last year.

Dr. Campbell of Markdale, Conservative candidate for Grey South-East held a meeting in the Hall here and was attended by a large crowd. The topics of the day were well discussed. The farming public are taking a firm stand and are very much interested in the welfare of the country and are beginning to see a protective policy would be of much benefit to the farmers. Mr. N. Perdue of Chatsworth and Mr. J. F. Irwin of Durham and the candidate were the speakers of the evening.

We notice that Mr. D. L. Wright of Dundalk has declined to run as a Liberal. Well this has been a great disappointment to his Liberal friends as they looked forward for a candidate to stand and win this riding but with Mr. Wright not in the field it looks as if Dr. Campbell will get a good many more supporters.

Dominion Day passed very quietly here. A few took in the U. F. O. picnic while some went to Eugenia. Others drowned fish worms in the Saugeen.

Mr. J. Ferns of Goring visited the past week with friends in these parts. Miss Hardy of the West is visiting the Hardy and Martin families here.

By order of the Managers of Salem cemetery, the ground is being levelled and cleaned of all stones, weeds and shrubbery. This is being looked after by Mr. J. McNulty. The work is progressing very rapidly and when done will be a very neat and tidy resting place for the pioneers of these parts and all others who have answered the last summons. This move has been a worthy one and has had much discussion for a good many years.

The Salem United church intends holding their annual garden party on Tuesday, July 15. Good program. Supper served from 6 to 8.

The annual garden party in connection with the church will be held at the home of Mr. Donald Stewart on July 18. Mr. and Mrs. Cecil Noble and family, Ebenezer, were visitors this week with Mr. and Mrs. Thos. Reay and family.

Miss Annie McArthur, Durham, visited this week with Miss Myrtle McLean.

A Hardened Criminal Judge: "Were you ever in trouble before?" Prisoner: "Well, I—er, kept a library book too long once and was fined ten cents."

Glenelg & Priceville

(Our Own Correspondent)

This Monday morning, July 7, 1930, is fine and cool after the showers of Saturday night. A number of the farming community will be taking out their mowers this morning to cut alfalfa, which, in general, is a fine crop. Crops are doing well. Fall wheat is well filled and will be changing color this week.

Visitors this week are Mr. and Mrs. James Black of Oak River, Manitoba, to their friends, Mrs. McCannel and sister, Lambton street, and other relatives in the surrounding locality. It is a long time since they visited the old homes of their birth and have found many changes since.

A car load of McArthurs from Toronto, former residents of Priceville and Glenelg here, were also visitors at Mrs. McCannel's and sister's.

Mr. McPherson is home again after spending some pleasant time with friends in Toronto.

Sunday was a fine day and afforded opportunity to church goers to be in their different places of worship. The Presbyterian congregation had communion and a fairly good attendance were there on the solemn occasion. The pastor, Rev. Mr. Armstrong, gave a good sermon for the occasion. The Presbyterians of Priceville had communion also last Sunday, so the Great Weather Author favored both congregations with beautiful weather showing that the Lord didn't forget the ancient church of old.

Some one said it was only a habit for some to be regular attendants at church. That may be, but it is a good habit. It's a habit to many to stay at home and might be pronounced as a different habit.

We notice of late so many deaths from accidents. Before there were such machines as autos, accidents were very few and far between.

Election is the general talk at present—Miss Macphail and Mr. Campbell. Woman is prohibited to speak in the church as stated in the Holy Book, but it doesn't prohibit them from speaking in the big house in Ottawa; and then to read farther on, if she wants any information, to ask her husband. Luckily our lady member has no husband. She can talk as she likes without a severe whack from a husband if he were of a different opinion to her views. So it will be a good fight between the two as the good old Reformers of old are letting the two parties fight the good fight.

Many of the different churches will be pleased to come and hear the Rev. John Bell, an old Glenelg boy but now of Rivers, Manitoba, preach during the month of August in Knox church, Durham. It is a good act of the Presbyterians and Baptists to exchange pulpits, giving each the privilege of holidays.

Glenelg Township Parliament met last Saturday for general business with Brodie as leader.

We are pleased to hear that the ailing ones in Priceville and vicinity are getting better.

Picnics and garden parties should be a thing of the past for some time in the future, during the busy season of haying and harvest.

Mrs. Duncan McDonald and daughter, are expected to visit the old home at Priceville. It's eight years since Mrs. McDonald and family moved to Lethbridge and will find many changes since.

Mr. John L. McKinnon, B.A. of Saskatoon Collegiate, is expected soon to visit his old home at his brother's Arch. D. McKinnon's, of South Glenelg.

The S. S. No. 9 school reunion of olden times was well attended and olden times repeated by the first teacher, Mrs. Bradley, 67 years ago. The writer remembers coming on a back road 80 years next February when the noted school house stands. The road came out at the late Thos. McFadden's and started opposite the Chronicle office somewhere. We don't mean to say that this present Editor was busy taking notes or would be such a paper in the near future as the Chronicle.

Dromore

(Too Late for Last Week) The services in Amos church on Sunday morning were taken by the Rev. J. McBeth Miller, lately returned from India where he had been a professor in one of the Colleges there. He gave a very interesting account of the present situation of the Presbyterian missions in India. Mr. Miller is a son of the late Rev. J. M. Miller who was pastor of the Presbyterian church in Holstein more than thirty years ago. Many of the church members still remember him and were very glad to greet his son here.

Dr. L. G. Campbell, Conservative candidate, held a meeting in Russell Hall on Monday evening. The hall was not very well filled but all present listened attentively to the candidate and also to an address by his brother, Dr. Campbell of Orangeville.

Mr. and Mrs. Sampson and family of London are visiting at present with Mr. and Mrs. John McMurdo.

Mr. and Mrs. Harold Atchison of Toronto visited with her parents over the holiday. Mrs. Atchison is remaining for some time.

Miss Florence Renwick of Dunnville spent the holiday with her parents, Mr. and Mrs. Thos. Renwick, returning to her duties on Wednesday morning.

Mr. and Mrs. Robert Small have their daughter, grandchildren and other friends from Toronto visiting at their home this week.

Mr. and Mrs. Dryden and children from Toronto are holidaying at the

home of Mr. and Mrs. Alex. R. Henderson.

The Philp family picnic is to be held at the home of Mr. and Mrs. Wm. J. Philp on Friday of this week. They are expecting about sixty members of the family.

July 1st passed off very quietly here. Some attended the U. F. O. picnic at Flesherton, some went to Wasaga Beach, some to Sauble Beach and some to other places.

Mr. and Mrs. Robert Renwick had as callers on Monday night Mrs. David Leith of Durham and two cousins, Mrs. McNab of Manitoba and Mrs. Hester of Kansas City. Geo. Renwick of Toronto drove them down from Durham.

A meeting of the Women's Institute was held at the home of Mrs. Samuel Patterson, 20th concession, on Wednesday afternoon, June 25th, with quite a large number of members present, also a number of ladies from Holstein and Normanby. Arrangements were made for having a sewing class in connection with the Institute, beginning July 14th.

Mrs. Alex. Milne, who had been secretary-treasurer of the society for seven years was presented with a silver salt and pepper set in recognition of her valuable services during that time. Mrs. Thorne, vice-president of the District Society, gave a very full report of the district meeting in Durham. Mrs. Hastie of Holstein also spoke and invited the ladies to help with a picnic in Holstein Park on Friday, July 4th.

The ladies were very sorry that on account of the lateness of the hour Mrs. John Hill was not able to give her full address on the peace conference. Mrs. A. Milne gave a patriotic recitation and Mrs. W. Renwick and Mrs. Drimie sang a duet. The next meeting is to be taken by the girls and will be held at the home of Mrs. W. H. Hunter.

The induction of Rev. Robert Honeyman is to be held at Knox church Normanby, on Tuesday, July 8th at 2 p.m. Mr. Honeyman expects to move into the manse early in the week and will be welcomed by the people here.

The managers of Amos church are building new steps at the front of the church this week.
