Horse Ran Away With Hay Rake

Mr. Joseph Watson of Saugeen Junction had a narrow escape from serious accident and possibly death while working in a field on his farm __ on Thursday morning of last week. Mr. - Watson was busy raking hay in a field when the inside tug on the harness on one of the horses became unhitched and he stepped down in front of the rake to hitch it again. He was wearing a straw hat at the time and an extra heavy gust of wind came, blowing it off his head, causing the horses to Magistrate Dismissed Charges suddenly bolt and run away. Mr. Watson was knocked down and carried field, saw the runaway, but before he William Knox, town. could reach the scene of the accident and render assistance the horses had his legs and also a deep cut on his back belonging to J. BACHELORS CAPTURE FIRST PLACE

In one of the best and most closely contested games this season the Bachelors broke the tie with the Stone Plant and stepped into third place last Saturday evening. The game was not attended as well as it might have been owing to the threatening aspect of the weather but those that did attend were cerainly well repaid.

The final score was 11 to 10 after the game had gone to eight innings, and the score was tied up three times-4-4 at the end of the third, 7-7 at the end of the fifth and 10-10 at the end of the seventh. In the last half of the eighth, with a man on first, Tucker drove in the winning run with a twobase hit.

Timely hitting on the part of both teams was a feature of the game Home runs were hit by "Norm" Ritchie, Bill Irwin and "Punk" McDonald, in each case with two men on bases. Every man on the winning team had one or more hits to his credit.

This win put the Stone Plant in second place and paved the way for the play-off with the Benedicts on Monday night. Score by innings:

Free Flowing Fertilizers

Here are four big reasons why we recommend C. I. L. Mixed Fertilizers to you:

First: Dry, free flowing, they end that costly nuisance, drill-clogging! . . . Save labour!

Second: When you need C. I. L. Mixed Fertilizers -that's when you get them! Drive up and get them -right out of stock!

Third: This prompt delivery service is less costly than the old-fashioned "order-and-wait" method . . . Saves you actual dollars-and-cents, as well as valuable time!

Fourth: Made in Canada.
