

Durham Wins Two From Owen Sound

Defeats Northern Team for Second Time Here Tuesday Night by 2-0.—Teams Showed Lack of Practice.

The Durham intermediates demonstrated that their victory in Owen Sound on New Year's night was no "fluke" win by defeating the Owen Sound team 2-0 in the return game in the local arena on Tuesday night.

After being postponed for nearly a month the recent cold snap enabled the rink management to get a very good sheet of ice ready and the game took place as advertised. It was the first game of the season as far as the local fans were concerned and a very fair sized crowd turned out to see the boys "do their stuff".

And the locals did not disappoint them. While the hockey displayed was by no means of the kind usually expected at this point in the season, it was very good considering the fact that it was the second game this year and that the team has only been able to have about half a dozen practices all season.

The rise in temperature Tuesday somewhat softened the surface of the ice and while it did not cut up much, it made carrying the puck somewhat difficult and slowed up the play to some extent.

Durham scored their two goals in the first period, Irving Elvidge being responsible for both of them. The first one came after five minutes of play, when Elvidge shot from just outside the defense, and then rushed in close to flip in the rebound just as the goalie dove to smother the puck. The red light went on with McKibbeon flat on the ice, looking around to see the rubber in the net. The second counter was scored just before the bell rang. Dean got the puck near his own blue line, and staged one of his rushes up the boards. Eluding two checks he closed in on the Owen Sound nets but was carried into the corner by the defence. Outfighting Couture for the puck he centred it out to Elvidge who was close in on the net and he made no mistake. The bell rang before the puck could be faced off.

The second and third periods could be described as about even. No goals were scored in either session but the locals had a good edge on the play in the second, while Owen Sound, with four and five man attacks had the balance of the play in the final stanza. Both goalies were tested at long range and close in but were equal to all occasions. McKibbeon for Owen Sound had several close calls in the second period, once especially when Clarence McGirr was right in on top of him and then shot the puck into his pads. "Ern" McDonald in the local nets had some hot ones to handle especially in the last period, but came through with colors flying.

It would be hard to pick out any stars in either team. Elvidge scored the goals for the locals, but the others were all effective. The second line of Murdock, Rowe and Bill Wilson seemed more aggressive for they tore in and mixed it up with everybody, but the first line of C. McGirr, Elvidge and McIlraith, were in there every bit as often but they side-stepped their checks and stick-handled their way through. Dean and K. Wilson combined nicely on the defence, and while not as effective body-checking as the Owen Sound defence, were much better clearing the puck. S. Grant and McLellan seemed the most effective for the visitors, and Winfield and C. Couture handed out some stiff body checks defensively and were dangerous whenever they rushed.

Referee Ward of Harriston handled the bell and kept the game well under control, handing out twelve penalties, six to each, two of which were majors, to W. Wilson and C. Couture for fighting. Before the game commenced, Manager Charles Lang announced to the crowd the ruling of the O.H.A. this year which permits kicking the puck between the 60 foot lines. This was announced, he said, so there would be no misunderstanding on the part of the fans.

The teams lined up as follows:
Owen Sound—goal, McKibbeon; def., Winfield and C. Couture; centre, McLellan; wings, S. Grant, McConachie; alt., J. Couture, Henderson, J. Grant, Bourke.

Durham—goal, McDonald; def., K. Wilson, Dean; centre, C. McGirr; wings, Elvidge, McIlraith; alt., Murdock, R. McGirr, Rowe, W. Wilson.

PUTTING IT OVER THE RAILWAY

C. P. R. baggage checks now bear the number of the passenger's ticket. This was made necessary by people going to a depot with baggage and under one pretext or another inducing the baggage man to check their belongings to their destination, usually stating the passenger was a stranger returning to some other part. The baggage would be forwarded but the passenger would make the trip in an automobile.

NORTHERN HOCKEY LEAGUE BULLETIN

The Executive of the Northern Hockey League met in Walkerton on Friday afternoon, January 22nd, for the purpose of re-arranging the schedules which have been upset by the extremely adverse weather conditions, and to deal with applications for certificates.

All games played will stand, and group convenors are ordered to draw up new schedules as soon as the weather conditions warrant. It is again pointed out that the point system must continue to govern games. No playoffs for group title, except in case of tie in points, will be allowed under any circumstances. The schedules will be February 13.

Referees are requested to send in the reports of games played as promptly as possible to facilitate the task of the League secretary in clearing his records.

W. H. Rodgers, of Southampton, who has removed to Palmerston in order to obtain employment, was granted permission to play with the latter town.

Mount Forest players were granted certificates to play with Harriston. These players had previously expected to play for a Mount Forest club, but due to the fact that no rink facilities are available in the latter town are quite eligible to play with the Harriston club.

Four Paisley players of junior age—Dryden, Dudgeon, Ellis and McArthur—were given the option of playing either with Chesley Juniors or with Paisley seniors, which is their right according to rule 3 of the Northern League regulations. However, a certificate for each series will not be issued to them. The choice is strictly up to the players themselves.

Referees are again instructed to see that each and every player on the lineup of participating teams has a certificate properly filled in and signed by the League Secretary.

Is Another Shape-up Coming?

It is almost a quarter of a century ago, almost to a day, since there has been any break in the smoothly-oiled machinery of the O. H. A. At that time the trouble was caused by charges of professionalism against the senior and junior clubs of Guelph who were setting the world afire by putting both Stratford teams out of the running. With the disqualification of the Guelph clubs, the Stratford club went on to capture both junior and senior titles, a feat which has not been duplicated by any club since that time. The charges against both Guelph clubs were clearly proved but there was such a row raised in hockey circles that many much-needed changes were made and open violation of the amateur code was frowned upon. Today the charge is made that certain amateur clubs are indirectly controlled by interests who are at the head of professional hockey. It is not at all likely the large city dailies will give very much attention to the charges which have been made and which require investigation if there is to be any pretense of effort to keep big-money interests from having control of amateur sport.—Palmerston Spectator.

Edge Hill

(Our Own Correspondent)
Miss Marjorie Ritchie was home from her school at Swinton Park over the week-end.

Miss Catharine McLean, teacher in No. 10, Bentinck, visited the MacDonald family the first of the week.

Mrs. Hale and daughter, Miss Gladys and Miss Jane Ritchie of Grand Valley are visiting friends in this neighborhood at present.

Mr. and Mrs. Arthur Edge and family attended the McArthur-Melosh wedding at Dornoch on Wednesday.

Mr. and Mrs. Thos. Ritchie gave a family party on Tuesday evening in honor of Mrs. Ritchie's sister, Mrs. W. J. Collier of Austin, Manitoba, who is on a visit with her many relatives in this part. Mrs. Collier leaves next week to visit her daughter in Quebec.

The first meeting of the Edge Hill Community Club for this season was held in the school on Tuesday evening with a large attendance. Mr. T. S. Cooper gave an interesting and instructive address on co-operative marketing and also exhibited some lantern slides.

Mrs. Adam Anderson spent a day in Owen Sound last week.

Miss Alma Robinson was home from Owen Sound for a short visit.

The township auditors, Messrs. Arthur Robinson and Pat McMillan are carefully verifying the many vouchers and documents which passed through the treasurer's hands during the past year.

Varney

(Our Own Correspondent)
Congratulations to Reeve Bell of Durham, who was honored last Tuesday, January 26, by his fellow members of Grey county council, who elected him Warden of the County of Grey for 1932. In this locality over the radio at 12 o'clock noon on January 25, the voice

of His Excellency Earl Beesborough, Governor-General of Canada, speaking from his desk in the Parliament Buildings at Ottawa, was heard clearly and distinctly in the Dominion-wide telephone hook-up over C.F.C.A., C.F.R.B. and C.K.C.L., Toronto, speaking to the Lieutenant-Governor of the nine provinces over the Bell telephone line, when he officially opened the first all-Canada telephone line spanning the Dominion from Halifax to Vancouver on entirely Canadian soil. Each lieutenant-governor then in turn spoke on the greatness of the telephone. It will be of interest to those here who have sent help to the needy in Saskatchewan that the lieutenant-governor of that province, when it was his turn to speak, besides emphasizing the greatness of the complete telephone system from coast to coast, took an opportunity to thank the people of the Eastern Provinces who sent car loads of vegetables, fruits, preserves and bales of clothing to the dry, stricken area of Saskatchewan, and stated it was a kindness never to be forgotten by the people of the West.

The annual meeting of Maplewood cemetery was held Wednesday, January 27, in Varney hall. The same committee was appointed for 1932.

It will be of interest to our farmer friends to know that Hon. T. S. Kennedy, Ontario Minister of Agriculture, in addressing a local club at Lindsay last Wednesday, January 27, asked farmers to come to his office to talk over their problems with him. He said during his 15 months in office he had never received a resolution passed by a group of farmers and asked the County of Victoria and other counties to appoint representatives from their midst who can go to Toronto at his call and at his expense to talk over farm matters.

It will pay you to advertise in The Chronicle.

Holstein

(Our Own Correspondent)
Mrs. Fred Rothwell of Palmerston, spent a few days last week with her mother, Mrs. W. T. Pinder.

Miss Agnes Dunn of Durham is visiting her sister, Mrs. John Pinkerton.

Mr. Alex Sim was in Guelph and Owen Sound last week speaking in the interests of the Tuxis and Trail Ranger work.

On Tuesday evening last the choral society was re-organized with a good membership. Professor Baxter of Palmerston is engaged as leader.

The annual meeting of the public library was held last Wednesday evening at which the directors of last year were re-elected.

Mrs. W. T. Pinder entertained the Women's Association of the United church on Thursday last. There was a good attendance. Mrs. Thorne, the president, was in the chair. After the usual business proceedings the hostess served refreshments and a social time was enjoyed.

The annual meetings of both the churches are being held this week. The United church on Tuesday evening and the Presbyterian on Wednesday evening.

The Ontario Department of Agriculture is holding a month's course in Agriculture and Home Economics here beginning February 2. This course is free and no doubt it will be of great interest to the men, women, boys and girls of this district.

On Sunday morning Rev. Mr. Mercer took for his subject "the church in relation to the world disarmament conference" which meets in Geneva this month. His text was found in Isaiah the second chapter. He spoke of the great importance of prayer for the success of the conference and quoted startling figures in regard to the armaments of the nations. The sermon was most interesting and timely.

The Community Circle on Monday evening took the form of a peace service. There was a good attendance as usual. R. Haas occupied the chair. Myra Allen read the scripture after which several of the young people led in prayer for the success of the world disarmament conference now being held at Geneva. A splendid address was given by Mr. Tilden on the subject, "Some Developments of History During the Past One Hundred and fifty years. Current events were given by Lorne McMurdo. Art Haas gave a fine talk on "Peace or War? or the Part I Have in Bringing About World Peace". Rev. Mr. McMillan then led in prayer. Mrs. J. Brown rendered a fine solo. The hymns chosen were all in accordance with the rest of the meeting. A very interesting discussion took place on the subject "Will Disarmament End War?" and caused a good deal of thought, quite a number of the young people expressing their ideas

on the subject. A contest followed and the meeting closed by singing the National Anthem.
