Mrs. W. B. Wilson, of Toronto, spent last week with Mr. and Mrs. John White.

Messrs. J. D. and Alexander Brown, of Owen Sound, accompanied by their cousin, Mr. Wm. Butchardt, of Lions' Head, spent Sunday with Mr. and Mrs. A. Hastie.

Miss Florence Hammond, of Chesley, is spending a few days with her grandparents, Mr. and Mrs. G. Subject.

Mr. and Mrs. R. Fiddes, of Brant, spent a day recently with the Boyce and McDougall families.

Last Friday evening the young people of Zion presented their play, "Eyes of Love," in the United church here. Owing to the busy season the attendance was not quite so large as might otherwise have been expected. The play was admirably directed and given, all the members of the cast taking their parts in a splendid manner. We hope at some future time to be favored with another visit from these friendly young folk of Zion. Messrs. Hickling and Bennington favored the audience between acts with two lovely duets, Miss Ruth Bedford accompanying them on the organ. Mr. E. Brigham also contributed accordion music which was much appreciated.

A quiet spring wedding took place at the United church manse in Chatsworth last Wednesday, April 27, at 2.30, when Rev. Mr. Martin united in marriage Margaret, third daughter of Mr. and Mrs. John White of Bentinck township, to Lindsay Lawrence Goldsmith, youngest son of Mr. and Mrs. John Goldsmith of Massie, Holland township. The youthful bride, who was given away by her father, looked charming in her lovely wedding gown of white silk flat crepe, with gloves, hose and kid shoes to match, and carried a bouquet of Ophelia roses, lily-of-the-valley and maidenhair fern. She was attended by Mrs. W. B. Wilson, of Toronto, matron-of-honor, who was attired in grey silk flat crepe with grey silk lace trimming. The bride's mother was attired in black satin and wore a corsage bouquet of sweet peas and roses as did the groom's mother, who wore black silk crepe. After the ceremony the bridal party motored to the home of the bride's parents at Crawford where a very dainty wedding supper awaited them. The table was pretty with its pink and white decorations and the bride's beautiful three-storey cake adorned it. Later in the evening the happy couple left for a short trip and visit among relatives, the bride traveling in an anchor blue silk crepe dress with sand trimmings, blue coat and hat and matching accessories. The very best wishes of the community follow this young couple to their new home at Massie.

On Monday evening of this week about 100 neighbors and friends of the bride gathered at her parents' home and showered her with many beautiful gifts showing the high esteem in which she is held, and to extend to the happy pair their good wishes before they left to take up housekeeping on the groom's farm at Massie.

George Whitmore and Lawrence Chapman on behalf of the No. 9 friends presented the young couple with a wicker rocker and a hearth rug, while Mr. Reg. McFadden read the address expressing good wishes. Mr. Bell, on behalf of himself and wife, thanked the friends for their gift. Mr. Robt. McFadden made an efficient chairman. Short speeches were made by Messrs. John McGirr, James Mather, T. V. Bell and Lawrence Chapman. Music was supplied by Messrs. Jack Teeter, Bryson Morlock and Mrs. Clark Watson.

**Listowel Publisher Meets**  
WITH PAINFUL ACCIDENT  
Mr. Cyril W. Bamford, of the Standard staff, met with a painful accident on Friday morning last and will be confined to his home for some time.

Mr. A. W. Zurbrig had arranged to have a load of wood put into the cellar at his bake shop and the grate on the sidewalk had been removed for that purpose. The grate was a solid piece of iron which in appearance was very much like the uncovered opening.

Mr. Bamford was going to the post office for the morning mail, one of his daily duties and did not notice the grate had been removed. There was no protection at all at the opening and he had a nasty fall into the hole striking his leg and face on the cement.

Although in a somewhat dazed condition he managed to return to the Standard office and surgical aid was hurriedly called. He was taken to the hospital where an examination showed that his injuries were worse than at first appeared. His mouth was injured, some of his teeth were loosened and his lip was badly cut, requiring a couple of stitches. His right leg was most seriously injured. In addition to painful flesh injuries his right shin bone was chipped and had to be scraped. He was later removed to his home. Although for a few days he suffered intense pain he is now making a satisfactory recovery.—Listowel Standard.

FOR HEMP PRODUCTION  
Hemp, once a profitable crop in this country, has dwindled in importance, and the vehicle through which it has lost its market was the principal market in former years. It is estimated that in the early Colonial days it took the product of 1,000 acres of hemp to make the ropes necessary to outfit a single vessel of any size.

Now ships bring jute from India and importation, due to its much lower price, has driven hemp from the market to a large extent. In spite of this loss of market, glowing pictures of prosperity to be had from hemp growing are painted for farmers who have had no experience with the crop. Agents with something to sell have induced many farmers to attempt crops, but little hope of success is held out by Department of Agriculture officials,

who point out that by no means is the general run of land suitable for hemp production. Even if it were, there still remains the fact that the demand for hemp is more than filled by present sources, with the result that the prices are too low to make a crop an attractive proposition financially for the grower.—Washington Star.

DURHAM HOCKEY CLUB for 1931-32

Herewith the Durham Hockey Club presents the financial report for the season just closed. While the season was a good one financially, heavy expenses accounted for all the receipts, and while a small cash balance is shown several outstanding accounts more than cover it and leave the club with a deficit on their hands. Eight O. H. A. games and four Northern were played by the seniors and six Northern

by the junior. While the juniors had certain receipts from their games their expenses far outbalanced them, and as it is a recognized rule that the senior club must carry to juniors, this proved a big drain on the senior finances. Owing to the late start of the season and the uncertain weather no insurance fund was made this year and the balance from last year remains as is.
