The month of May brings us again into a season of great activity, of joy, of beauty, and a time of great efflorescence when nature is budding and blooming. The air is full of the essence of freshly ploughed fields, and of the melodious sounds of our great friends, the birds. It is a time which calls the farmers to the land to till their soil and sow their crops, and the women to their task of cleaning and decorating and beautifying their homes, and at this time much of their time will be devoted to the caring of the newly hatched chicks and other fowl, in which so many women take great pleasure.

Since the fishing season has opened many of the lovers of this old time sport can be seen frequenting the streams, and a few good catches have been reported, although the weather has been rather cool for good fishing. The incessant rains of the week-end were very beneficial to the element of growth and the crops should be off to a good start.

The social evening at the home of Mr. and Mrs. Ed. Bailey on Friday last was attended by quite a large number who report an excellent time. The evening was spent in cards and dancing.

Mr. and Mrs. Ed. Bailey and Bruce spent Sunday evening at Mr. M. Donnelly's.

Miss Jean Bradley teacher at Fever-sham, and her friend, Mr. Norman Parker, spent over the week-end with her uncle and aunt, Mr. and Mrs. Alex. Herd.

Many cars are not being taken out this year owing to the increased license fee, the prevailing high price of gasoline and other accessories. The small income of the farmer today is required for the necessities of life and pleasure must be sacrificed; but the dark clouds of depression will clear away sooner or later and the sun of prosperity will shine again.

### Traverston (Our Own Correspondent)

Mother's Day was fittingly observed at Zion church on Sunday. The Sunday School used a Mother's Day program and Mr. Winters had a splendid message for the church service. ### Knox Corners (Our Own Correspondent)

Quite a large number were out to the service on Sunday. It being Mother's Day our pastor had a good talk for the young people and a story of a boy who honored his mother. For the sermon he spoke of Hannah, the mother of Samuel, as an example, for she was a mother who prayed. Samuel's birth was an answer to prayer, and when a child she dedicated him to God, and he grew up to be a wonderful counsellor and a man of God. Multitudes have been saved in answer to the prayers of Godly mothers. Parents should teach their children in the home, and not depend on the Sunday school to give them all their teaching. Children attend public and high school five days a week and a set number of hours a day to get a secular education, and surely they cannot be taught of God in one hour a week in Sunday school. How does the modern mother compare with Hannah, a mother of the Old Testament? Mr. Honeyman is privileged in having his mother still living in Scotland, and spoke briefly of the training he received in his early home. The flowers were beautiful, some being Mother's Day bouquets, and two large baskets were gifts to Miss Margaret Watson, for her graduation. The choir sang "Looking This Way."

Mr. McMullen, of Holstein, son of Rev. McMullen, will take the service at Knox and Amos next Sunday, and also the Bible class.

Mr. and Mrs. Norman Marshall, of Toronto, spent Sunday with Mr. and Mrs. Albert Marshall here, and the Davis family, Egremont, and returned to the city on Monday.

We regret to learn of the serious illness of Mr. James Webber, a former neighbor, now of Egremont. We hope he may soon be restored to better health.

The W. M. S. met at the home of Mrs. Walter McAllister Wednesday afternoon with about 30 ladies present. Mrs. A. C. Marshall read from the Study Book on Formosa and of the diamond jubilee to be held there in June. Plans were made for giving life membership. The roll was answered with scripture verses on "Light." Mrs. C. McAllister was re-appointed president of the Y. W. A. and Miss E. T. Byers leader of the mission band in place of Mrs. John Marshall, resigned. Mrs. McAllister served a lunch at the close.

### A WEEK IN FAIRYLAND

Nobody ever entirely loses that childhood illusion of a land which surpasses in loveliness, surprises and happiness anything that the mind is capable of envisaging; the land of make-believe, which everyone hopes may someday become a reality. It is not too much to say that the glorious Rockies, Canada's great holiday territory, renowned throughout the world, are as close to this elusive dreamland as anything that mortal man is likely to discover. Special arrangements for the coming season now bring a week in this modern fairyland well within the reach of the average traveller, with Banff and Lake Louise, on the main line of the Canadian Pacific Railway, as base-points and a wide range of every varying scenery and cosy bungalow camps beyond. The "six-and-a-half days' tour" has already become a slogan among those planning their summer vacation, embracing, as it does, not only the two famous hotels at Banff and Lake Louise, but such well known points of interest and beauty as Johnston Canyon, Moraine Lake and the immortal Valley of the Ten Peaks; the Lakes in the Clouds; the Plain of the Six Glaciers; the Great Divide; Wapta Lake Bungalow

Camp; Yoho Valley and Bungalow Camp; Takakkaw Falls; the Historic Kicking Horse; Mount Stephen; Emerald Lake and the wonders of the great mountains near Field, B.C. Easily reached from all points by Canadian Pacific Railway, main line points are linked with the camps in the inner mountains by the Brewster Transport Company, past masters in comfort and conveyance for the traveller in the valleys and passes of the mighty Rockies. Automobile drives, trail rides and hikes combine with bright entertainment in the evenings to make the holiday something to be remembered for a lifetime.
