

HYMENEAL

TORRY—HENDERSON

A pretty spring wedding was solemnized at the Knox United church manse Wednesday morning of this week when Rev. W. H. Smith joined in marriage Miss Muriel Henderson, daughter of Mr. and Mrs. W. G. Henderson of Normanby township to Mr. George Clark Torry, son of Mr. and Mrs. Clark Torry of Bentinck. There were no attendants. The bride looked charming in her wedding gown of blue flat canton crepe with matching accessories. After the ceremony Mr. and Mrs. Torry left on a motor trip to Stratford and other points, the bride travelling in sand costume, with sand coat and hat, and matching accessories. They will return this Friday evening when a reception will be held at the bride's home in Normanby.

Last Friday evening former schoolmates of the bride assembled at her home and tendered a miscellaneous shower, after which the evening was most pleasantly spent in cards, games and dancing.

The Chronicle tenders the best wishes of the community to Mr. and Mrs. Torry, who will take up residence in Bentinck.

Mulock

(Our Own Correspondent)

Mulock is a busy place these days. Scores of cars are parked each evening around the church and school house. The centre of attraction is the evangelistic mission in the Baptist church. The meetings in charge of the Fraser party from Scotland are deepening in interest daily, and the evangelists, Mr. John and Mr. and Mrs. Robt. Fraser are winning for themselves a large place in the heart of the community. Very large congregations have been a feature of the mission in its later developments. On Sunday last emergency seating facilities had to be used in order to house the overflow congregation. Each night there have been parties arriving from many surrounding churches one party coming as far as from Owen Sound in which city the evangelists conducted their last mission. Thursdays and Fridays, which are dialogue nights, are proving of special interest. On these evenings the evangelists instead of preaching ordinarily, present their messages in the form of dialogues. The singing of the trio has been immensely enjoyed, several requests having been made for repeat numbers. The farewell gathering is to be held Sunday evening, June 5, when it is expected that many will gather to bid our friends God speed.

Mr. and Mrs. John Long, Toronto, Mrs. Long, Walkerton, Mr. and Mrs. Wm. Beaton, Flesherton, Mrs. W. H. Patterson, Priceville, were Sunday visitors at the home of Mrs. Wm. Fulton. Miss Eva Redford, Durham, is the guest of Mr. and Mrs. Reginald Sharpe this week.

Knox Corners

(Our Own Correspondent)

Not so many out to the service on Sunday as usual. Our pastor gave a good message on "Service." We are saved to serve. Jesus came not to be ministered unto, but to minister, and gave His life a ransom for many, so if we would follow His example, we must spend and be spent in unselfish service for His sake, and our fellow-men. There will be many surprises in heaven, for as the scripture says, "The last shall be first and the first last." The choir sang "Face to Face."

Next Sunday, June 5, it is to be re-opened with special services at 3 o'clock, the Fraser Bros. from Mulock assisting at the service. A big crowd is anticipated. Mr. Alf. Sproule has had the contract and has made a neat and artistic job.

Potatoes and corn are being placed in their earthy bed this week, while quite a number of fields of mixed buckwheat and barley is still to be sowed. This is getting to be a very popular crop as it yields heavily and smothers the sow thistle.

Mr. Cameron McIntosh, M.P., of North Battleford and his brother, Angus of Dornoch, called on the Robson and Greenwood families on Sunday. They attended Zion's evening service and someone, in error, took the talented M.P.'s \$10 silk topper after the service. Mr. McIntosh has been very successful since going West, has been a power in securing transportation facilities for Battleford and most helpful to the settlers of the district.

All agree that Zion's anniversary services on Sunday were the best in the history of the church. We are not quite sure whether it is the 70th or 71st anniversary. Rev. W. Matthews of Owen Sound had charge in the morning and rarely has the congregation listened to so eloquent and inspiring a sermon. The Zion choir, under Mrs. T. Glen-cross's training excelled their best efforts and added much to the service. The church was beautifully decorated with house plants, garden flowers and wild lilies of the woodland. The church was crowded at night with the aisles filled as well. Queen street United church choir were out in full force and a goodly number from the congregation as well. They seemed to fill the old sanctuary with melody and a devotional spirit. The numbers by the choir and by Mrs. Shipman and her sister, Miss Margaret Lawrence, and Messrs. Padfield and Stauffer, were especially good. Rev. R. Mercer, of Holstein, delivered a most eloquent message and was warmly congratulated by many of the congregation and officials.

A big crowd from far and near gathered to the old-fashioned tea meeting on Monday evening. Durhamites were out strong. The baseball match between a team from town and Zion lads was keenly contested and resulted in 12-11 favor of the urban huskies. Supper was served outside in picnic fashion and there was slushings for two meals and then some. The program was a happy union of town and country talent. Zionites gave the play, "The Eyes of Love," for the second time in the church and drew rounds of applause for their clever impersonations. Miss Clara Jack made a winsome bride and throughout the three acts by voice, gesture and dramatic ability held the closest attention of the crowd. Each character seemed especially chosen for the part and acted it well. The male quartette from Queen street United church sang thrice and their last number was the sweetest of all. Miss Margaret Lawrence is a gifted soloist and rendered three numbers. Mr. M. H. Bailey played two cornet solos and won warm plaudits from the big crowd. That funny man, Padfield, can convulse an audience at any time and the crowd shook so heartily that a second supper had to be served. Rev. W. C. Ailmack by his tact, wit and pleasantries makes an ideal chairman for such an occasion. Mr. Hugh McCrae conveyed the good wishes of Queen Street United church for its sister church at Zion and spoke feelingly of the kindly feelings and helpful spirit actuating both churches. A very hearty vote of thanks was tendered by the Zion people to the friends from Durham for their generous help and inspiring numbers, after which the National Anthem was sung and everybody went home happy. The proceeds of the evening and Sunday services were over \$22.00.

The following officers were elected to office: President, Mr. Walter Kennedy; vice-president, Mr. Fred Bailey; secretary-treasurer, Miss Mary Hazlitt. A social was planned by the losing team for July 8 at the home of Thomas Brigham where the losing team will act as hostess to their rivals. An appetizing lunch was served by the ladies and the meeting was brought to a close. The next meeting will be in the Orange Hall on June 24 and every fourth Friday evening of the month throughout the summer.

FAMOUS MISSANABIE OPEN TO FISHING

Waters Closed for Several Years to Protect Against Total Depletion.—Will Open This Year.

Anglers all over will greet with delight the news just received that the formerly closed fishing waters at Missanabie, Ont., on the line of the Canadian Pacific Railway will be opened this year. For a number of years the Game and Fisheries Department of Ontario protected and stocked these waters for the purpose of increasing the supply of bass and pickerel.

The Province acted on the well-proven theory that the best way to insure against total depletion is by acting properly before it occurs. Therefore, all the waters of Dog Lake, north of the Canadian Pacific Railway, were closed for several years against fishing at any time of year. While these wilderness waters were not actually threatened with depletion, they were regarded by Mr. McDonald, Chief of the Game and Fisheries Department of Ontario, as ideal ones in which to plant small mouth bass, as well as Crooked Lake, which, however, is on the other side of the Height of Land and sends its waters to Hudson Bay, though divided by a portage of two hundred yards long from Dog Lake, which ultimately finds its way via the Michipicoten into Lake Superior.

Recent investigations on the part of Ontario authorities showed that the result of the planting of bass warranted opening to the public this vast area of splendid fishing territory.

Most of the region comes under the term of Missanabie waters and the announcement of its opening will be greeted with tremendous enthusiasm by anglers and canoeists. It is the famed route from Missanabie to Hudson Bay through the Chapeau Game Reserve, where moose, deer, beaver and other wild life have increased marvellously within the last few years. The old historic Brunswick Post of Hudson's Bay Company at the very head of Lake Missanabie is now used by the guardians of the preserve as headquarters, and may be regarded as the real starting point on the canoe trip to James Bay, ultimately passing through the celebrated Conjurung Falls and Rapids on into Moose River and finally ending in the big waters of James Bay, thus providing a direct route of tremendous interest and scenic beauty to Moose Factory. The regulations permitting fishing are bound to be additional attractions to those who are looking for something out of the ordinary for their vacation hours.

BAPTIST CHURCH DECORATED

The folks of the Glenelg North Baptist church on the Tenth, are rejoicing in a newly decorated building. The interior of the church has been much in need of re-decorating for some time, and now—thanks to the newly-organized Ladies' Aid Society—sufficient funds have been raised to have this done. The work was executed by Mr. Sproule of Markdale, and is of a very high order. Re-decoration services are to be held on Sunday afternoon at 3 o'clock and will be conducted by the pastor, Rev. J. Galloway, also the Fraser party who are at present conducting special services in the Mulock church.

ODD FELLOWS HALL DEDICATED THURSDAY

(Continued from page 1.) the representative of the Grand Master.

The Grand Marshal, W. A. Thornton, expressed his pleasure at being present, brought the regrets of Grand Secretary Brooks at his inability to be present for the service, and pointed out the duties of both individual members and the Odd Fellows at large if they were to be to the world what was intended of them.

Rev. E. Hayes of Wingham, with Mrs. Hayes, the first Noble Grand of the local Rebekah lodge, were present, the former giving a short address.

During the programme fitting tribute was paid to the late Arthur H. Jackson, one of the early members of the lodge here, and for years the efficient treasurer of the lodge, to whom was given the major credit for the excellent financial position in which Grey Lodge found itself today. Due to his financing, the local society was in a most envious position, and when the opportunity arrived was able to secure a home for its own free of all indebtedness, and this without affecting the finances on hand. In commemoration of his interest in the lodge, Mrs. Jackson presented a beautiful and expensive Canadian ensign, which was unfurled for the first time on this dedication night, accepted gratefully by the lodge, and will in the future enjoy a prominent place on the lodge floor at all future meetings.

Notice was also taken and the thanks of the members conveyed to J. B. Duffield, who trained the dedication team, and who, while a member of Owen Sound lodge, has taken a great interest in the society since coming to Durham.

Lord Dawson, of Penn., relates this in the Atlantic:

A farm laborer in England had been out of work for many months and had been living on the dole. He remarked to his physician one day:

"Doctor, do you know I had an offer of work some days ago which would have given me five shillings more a week than I am getting from the dole, but after giving it thorough reflection I preferred to remain independent."
