Quite a number from her attended the funeral of the late Mrs. Wm. Eccles at Mount Forest on Monday.
Rev. Winfield Hunt of Winona, preached very acceptably in the United church on Sunday morning.
Miss Matilda Christie and friend, Miss Crow, of Toronto, spent last week with the former's parents here. Miss Margaret Christie spent the week-end. All three returned to Toronto the first of the week.
The field day sponsored by the Booster club on June 3 was a great success. Although the weather was threatening beforehand the afternoon was fine and a big crowd turned out to see the games. The hall was packed to capacity for the dance at night.

At a recent meeting in Chatham, W. P. Macdonald, Agricultural Representative for Lambton County, said that Lambton alone could produce enough sugar beets to supply the factories at Chatham and Wallaceburg. That would mean 30,000 acres. Less than one-tenth of all the sugar consumed in Canada is made from beets. The remainder is refined from raw imported cane.

HOLSTEIN FIELD DAY DREW LARGE CROWD

(Continued from page 1.)
Following score by innings:
Mount Forest 1 0 2 2 1—6
Durham 4 0 1 1 1—7

The final, naturally, was the big game of the series, and was contested by Canada Life of Hanover, and the Durham regulars. The final score was 10 to 2 for Durham, a rally in the fifth inning bringing in 9 runs for the locals, who added one more in the sixth and did not need their half of the seventh at bat. It was a snappy contest, with Hanover leading 2 to 0 at the beginning of the fifth, when a homer by Bill Wilson started the merry-go-round. From then on the Hanoverians were completely outclassed and failed to score during the remainder of the game.

The score by innings:
Durham 0 0 0 0 9 1 x—10
Canada Life 0 0 0 1 1 0—2

The line-ups used in this series was:
Durham Students—Burnett, Ritchie, Schutz, Tucker, C. McGirr, McFadden, Goodchild, G. McGirr, McKechnie, Hopkins, Arnill.
Canada Life—Weigel, Ready, Paten, Snider, Wendorf, McGeah, Calvin, Widmeyer, Hacking, Russell, Weichman.
Holstein—Hunter, Gibson, Christie, Mercer, G. Henderson, L. Henderson, Campbell, Cowan, Fidler.
Durham Regulars—R. McGirr, Elvidge, Murdoch, McDonald, K. Wilson, Long, C. McGirr, McIlraith, W. Wilson.
Robbown—Robb, Taylor, W. Lamont, Gilles, Drimmie, C. Lamont, L. Henderson, G. Henderson, H. Keith.
Mount Forest—Muldoon, McGillivray, Deverell, Morrison, Noonan, Murphy, Raper, Perry, O'Connell.

The prizes were \$15 and \$5, won respectively by Durham and Hanover.
Good Football Games
Perhaps the piece de resistance from a Holstein standpoint was the football tournament. While the citizens of the village enjoy other sports, football has the big hold, and every year sees the Holstein team go far in the W. F. A. Naturally, the tournament between the Holstein, Camp Borden, Cape Croker Indians, and Mildmay teams created a great deal of interest. The captains of the teams met at 1.30 when the draw was made. Camp Borden was drawn to play Cape Croker, winning by 3 goals to 1. Next followed Holstein and Mildmay, who battled away for the full-time period to end in a tie and had to go 10 minutes overtime before Holstein scored the winning goal. This eliminated two of the teams, and the final game between Camp Borden and Holstein after the supper hour, and continuing after the softball championships had been decided, drew the whole crowd of spectators.

It was a nice game, with clever playing over the whole hour, which ended a tie, and it took 15 minutes of overtime to decide a winner. Camp Borden scoring the only goal of the game. The score just about indicates the play. Holstein has a good team and will be heard from in their district games, but they were unable to score on the older and more experienced exponents of the game from the Camp.
Both teams staged spectacular plays at times, the Holsteinites by their speed and aggressiveness time and again beating back the Camp Borden rushes, but were themselves unable to score. Camp Borden, on the other hand, played a slightly more systematic game, seemed surer of their combination plays, and uncovered more experience. On the game they were just enough better than Holstein to get the winning goal, but no more. At the close they were a badly faded team, with Holstein the fresher of the two. It was a good game and a fitting close to an afternoon of real enjoyment, where the competition was keen, the winners modest, and the losers possessed of the proper sporting spirit to take defeat in a sporting manner. Camp Borden took first place and \$25, Holstein second and \$10.

Unfortunately, we were unable to secure the line-up of the Camp Borden team, but the players for Holstein were: Christie, Irvin, Eccles, James Calder, John Calder, Ross Arnill, G. Patrick, N. Patrick, Haas, Gibson, Sim, McKenzie, Whyte.
Eight Teams Picked Horseshoes
In the horseshoe pitching contest, the prizes were \$5, \$3 and \$2, and the results are given below, the first three being the winners. The points scored by each are also given:
Coxwell, Listowel, 205; Reynolds, Mount Forest, 197; Sharpe, Durham, 176; Shea, Mount Forest, 171; Murphy, Lisowel, 167; Whalen, Riverview, 163; Long, Egremont, 142; Lumsden, Ayton, 82.

Big Crowd at Dance
The closing part of the programme was an interesting one for the younger element, a dance in the agricultural hall to music supplied by Dory orchestra. There was a big crowd, and the enjoyment was kept up until well on in the morning.

Taken as a whole, June 3 in Holstein was an unqualified success, and the committee who had charge of the events is to be congratulated on the manner in which the different games were pulled off.

HOCKEY CLUB NOW LEADING TOWN LEAGUE

Defeated Students 12-5 Tuesday and Stepped into Lead—Bachelors Occupy Celler.

Winning two games in two days the Hockey Club this week stepped up to first place in the Town League standing. Taking on the Bachelors Monday evening the Puck Chasers applied the old whitewash brush to the tune of 7-0. With this victory stowed in the proverbial bag they then took on the leading Students and handed them a 12-5 set-back pushing them out of first place. Judging by the score the Hockey Club would seem to have a decided edge on the play and they did have an edge inasmuch as they made less fielding errors, but the play was more even than the score would indicate. The Students had a bad evening in the field, errors accounting for five Hockey Club runs in the first inning and from then on the Students had little chance of winning. Fred Bolger made his debut as a pitcher in the local league, when he started on the mound for the Hockeyists, and went very well until the fifth when he wobbled badly, and with the bases full walked three men, forcing in as many runs. Clarence McGirr relieved him, but before the rally was stopped the Students had two more. McKechnie and Hopkins shared the hurling duties for the Students.

League Standing
The standing of the teams is as follows:

	Won	Lost	To Play
Hockey Club	2	0	7
Students	2	0	7
Furniture Co.	0	1	8
Bachelors	0	2	7

LACROSSE NOTES

Alliston Wins Lacrosse Game
Alliston lacrosse team defeated Midland quite handily last Friday evening before a fair crowd of spectators who saw the best game that has been played in the rink here this season. The Alliston boys were in the best of form, started off with the assurance that spells success, showed confidence in each other and did some brilliant combination work.—Alliston Herald.

Lacrosse at Elora
While Box Lacrosse is a dead issue in Elora this year Ross Mortimer has taken charge of the juveniles and it is expected that a team will be entered in the Juvenile series, a group being composed of Fergus, Hespeler, Orangeville and Elora. Several very promising boys are attending regular practices and it is hoped that when times are a little better Elora will be able to field a strong intermediate team.—Elora Express.

Speed, Not Roughness
Indoor lacrosse is new in Galt this year, but apparently the game is popular. As the Reporter says of a game last week: "Any fan who felt that the boxo boys didn't give sufficient entertainment last night for the two bit admission charge would hesitate to pay amusement tax on a complimentary ticket to the world's series."

The other night an editor in the county called up to see if there was a lacrosse game in the district, because he wanted to take a couple of American visitors to see the new game. An impression from across the line is given by Grantland Rice, who saw the game between Canadiens and Maple Leafs in New York. He says: "They brought box lacrosse to a pampered New York audience in Madison Square Garden and the result was a revelation. The few prize fighters, who stumbled in by mistake, blushed to the roots of their hair at the punishment those Canadian harriers took without whimpering, and the spectators sat up in the tiers, flipping thumbs up and thumbs down, like Roman emperors of old giving the lions their whims. Most of them played without head guards and from time to time, the onlookers gasped at the free flailing with the heavy sticks that went on with nobody pulling punches."

This kind of publicity will probably help to make the game popular across the line, and will tend to strengthen the tradition that Canadians are a hardy crowd of husky northerners, but there is a good deal of bunk to it. After all, hitting with a lacrosse stick on unprotected parts is prohibited by the rules and should not be allowed by the referee. There is enough whacking on the heavy pads to make the game look rough and satisfy the most blood-thirsty spectator and there is also a danger

of accidental injury which may make it necessary for players to wear helmets and goal-keepers to use masks.—Fergus News-Record.

HOLDING DANCE

Durham Hockey Club is holding a street dance on Friday, June 24, with round and square dancing. Good orchestras will be secured.

Priceville

(Our Own Correspondent)
The funeral of the late Kate Baxter was held Wednesday afternoon in the Presbyterian church here and was largely attended by many sympathetic friends who came to pay their last respects to one who held the high esteem of the community. Rev. O. T. Miller of Markdale preached a comforting message from the 90th Psalm, 12th verse. Deceased was born two and one-half miles north of Priceville, across the road from Mr. David Hincks, and spent part of her life in Detroit and Toronto. She had not been in the best of health for the past seven years, but was able to get around. While returning to her home she was taken suddenly with a weak spell and died shortly after. Deceased was in her 60th year and was well liked by everyone. She was accustomed to coming to her farm here for her holidays. Surviving are two sisters, Sara (Mrs. Manson, Toronto), and Margaret (Mrs. Tetlow, Hamilton). A short service was held at the home of her sister in Toronto. The body came from Toronto on Wednesday by motor. The pallbearers were Wm. and John Manson, Colborne and D. Wallace, Peter Ferguson. Friends who attended from a distance were: Mrs. Scobie, Mrs. Mervyn Baxter, Mrs. Alex. McColeman, Mrs. Dick Baxter, Collingwood; Mrs. Peter Baxter and son John, Mrs. Sara McPherson, Mrs. Annie McPherson, Miss Falconer, Calcedon; Mrs. Tetlow, Hamilton, Miss Eva Tetlow, Mrs. Gordon McElhennie, Mr. and Mrs. Wm. Manson, John Manson and Marjorie, Toronto; also Dan Baxter and P. A. Ferguson, Toronto; Messrs. Colborne and D. Wallace and Mr. Rufus, Detroit; Mrs. Betsy Osborne, Flesherston. There were many beautiful floral tributes, which bore silent tributes of love and esteem. Sympathy is expressed for the sorrowing friends and relatives.

On Friday night the Swinton Park people presented their play to a fair sized audience in Agricultural Hall. The play was well presented, the following taking part: Mr. and Mrs. Gordon McLeod, Mrs. Wat Knox, Mrs. Jim Sturrock, Miss Isabel McMillan, George Haw, Fred Knox, Art Richardson, Messrs. Delbert Haw on guitar, George Haw on violin and Bob Black on piano, furnished splendid music between the acts. Lunch was served and the young people enjoyed themselves dancing for a couple of hours. Proceeds were \$23. Mrs. Meuser and Miss Marjorie, of Owen Sound, spent a few days visiting with Mr. and Mrs. Archie McCuaig. Messrs. Allie McInnis, Alex. McLean, Hamilton, and Innis McLean, Toronto, were home over the holiday.

Miss Violet Roberts of Feverisham, spent the week-end with Mr. and Mrs. Allie McLean.

Miss Catherine MacMillan, R.N., Dunnville, is spending a couple of weeks at her home.

Messrs. Chas. Anderson and Howard Page and three other friends visited recently with A. B. McArthur's and Wilfred Watson's.

Messrs. Andy Black and Jack McCannel visited Sunday at A. L. Hinck's. Mrs. H. McDonald, Mrs. Craig, Mrs. Archie McArthur and Margaret, motored to Hanover Wednesday.

Sacrament of the Lord's Supper was observed Sunday, a capacity congregation taking part in the ceremony. Rev. O. T. Miller, Markdale, preached a fine sermon for the occasion. Preparatory service was held Wednesday evening.

Messrs. Murray Watson and Pat Claridge, Toronto, spent over the holiday with friends here.

In Western Ontario fall wheat came through the winter and spring in good condition, but clovers suffered from heaving. Such a result is unusual, but that is what happened.
