## Driver Charged With Reckless Driving

Truck Driver Alleged Responsible For Accident at Allan Park on Saturday Will Have Hearing This Week .- Injured All Doing Well, According to Latest Reports.

Last Saturday afternoon about 3.30 a rather serious accident occurred at Allan Park when a truck driven by Gordon Keeling of Owen Sound, engaged in hauling crushed stone from Durham to Walkerton, is said to have gone out of control on the Allan Park hill, causing injuries to two or three persons in other cars at the scene.

Ahead of the Keeling truck was a car owned and driven by Norman Ritchie of the Bank of Commerce staff, here, with whom was R. McFadden of the same bank, both going to the ball at Hanover. Approaching from west was a car driven by Carl Larsen of Walkerton, with whom was James Heffernon. Both Ritchie and Larsen slowed down when approaching the narrow bridge at this point, the latter finally coming to a stop on the west side of the bridge. The truck, loaded with gravel, and driven by Keeling, was coming behind Ritchie, and contained, besides the driver, the Rev. Dr. Dickie of Elora, on his way to preach at Walkerton on Sunday, and who had arrived in Durham at noon by bus. The truck, apparently, was unable to slow down, struck the back of the Ritchie car, and then crashed head-on into the Larsen machine, the impact throwing the gravel over the top of the cab. Rev. Dr. Dickie, Heffernon and Larsen were all injured, the former the most serious, having his scalp laid open and torn from his head, necessitating a dozen or more stitches at the Durham hospital, to where he was taken.

Traffic Officer Hood was on the scene in a few minutes and as a result of his investigation has laid a charge of reckless driving against Keeling, who will appear for hearing this Friday afternoon.

#### A Week of Accidents

Particularly free from accidents this year, the past week has broken the record locally. On Wednesday of last Porcupine, with whom was Mrs. Gunn, struck some loose gravel went into the ditch, one of the lady ocwhile all of the party received minor injuries.

On Sunday morning Mrs. T. D. the game became a rout. Kennedy received severe head wounds that confined her to hospital here for a time. Mr. and Mrs. Kennedy and Mrs. R. C. ### GREY COUNTY JUDGING CONTEST

The Annual Grey County Judging Competition, which will be held at Markdale on June 24, promises to be one of the largest which has ever been held. The girls and boys from all over the county have intimated that they will be in attendance.

The girls are being coached at the present time by Miss E. E. Zavitz, a member of the Women's Institute staff. She has gone to places where the young people have applied for this class. Altogether eight places will be visited.

The boys will judge livestock, poultry and grain. Many prizes for both boys and girls have been secured.

In the evening the boys and girls are putting on a banquet in the Armouries. Besides speakers from Toronto it is expected that the members of the County Council will be present as guests of the boys and girls. Complete program arrangements have not been made as yet but we expect an interesting one provided largely by the members of the Junior Institutes and Junior Farmers.

### GIRLS' TEAMS ORGANIZED

Since the High School girls organized a team and captured the second prize at the Holstein tournament, interest among the local feminine players seems to have undergone a rejuvenation and on Monday evening the first local game between two girls teams took place. A team representing Knox church took on the High School girls or the "D.D.D.'s" as they are known, and found that they were too much to handle. We can't say for certain what the correct score was as the scorekeeper went on strike when it passed twenty. However the game has started an interest in girls' teams and we hear rumors that Queen street church is organizing a team also. These church teams will in all probability enter the United Church Grey Presbytery League and games with teams from other points are a likelihood in the

near future. The D.D.D.'s will be at home to the Wawanekas of Owen Sound on Thursday, June 23 and a good game is prom-

ised all who attend. The line-ups for Monday night's

game were as follows: Knox Church—A. Ritchie, p., B. Boyce, c., W. Blyth, 1b., H. Young, 2b., L. Jamieson, ss., E. Baird, 3b., D. Mc-Donald, R. Willis, rf., B. Ritchie, cf.,
