**Hockey Club And Furniture Co. Win**

Both at Expense of Students.—Tuesday's Game Best Yet.—Students Show Reversal of Form.

Since last issue the standings in the local Softball League have again undergone a change. The Hockey Club is again on top, and the Students have dropped from a first place tie to third position, with the Bachelors in second place. Losing two games in a row did it. Last Friday the Students lost to the Furniture Co. 18-4, and on Tuesday evening they again met defeat, this time at the hands of the Hockey Club, 4-2. The game, however, showed a complete reversal of form on the Students' part and was the best seen on the local diamond this year. There was not two runs difference between the teams and the game was anybody's until the last man was out. Hopkins and C. McGirr, the opposing hurlers, both turned in excellent efforts and were given first-class support.

**Furniture Co. 18—Students 4**

Some people contend that position means a lot in this world, but position in the league standing in the Durham Softball League doesn't mean a thing. More often than not the team in bottom position proves as good and better than the leaders. This was exemplified twice in the last two games. First the Bachelors, who up to that time hadn't won a game, took on the Hockey Club, the first place outfit, and trimmed them to a frazzle. Then last Friday night the Furniture Co., who had lost three games in a row and seemed destined to occupy the bottom position all summer, turned on the Students, who were tied for first place, and administered an 18-4 setback. If one were to try and call the winners according to their standing in the league, he'd be further out than the fellow who picked race horses because he liked their names.

Friday night's game was a perfect example of a contest between a team who could do nothing wrong and one that could do very little right. In three of the seven innings the Factory retired the Students in one, two, three order and in two others the side was retired with only four men being at the plate. Only in the first and the seventh innings were the Students able to get a man across the plate and they scored two in each. In comparison the factory scored in every inning but the third and fourth, and the seventh which was not played. The Students had thirty men at bat and one walk, while the Factory had thirty-two men at bat and eight walks. Hopkins, pitching for the Students, was far off his usual good game, and this coupled with poor fielding, played a large part in the Students' defeat. In addition it might be stated that the Furniture boys had their best batting eyes on hand and collected a total of twelve safe hits including two doubles and a homer, which hit the school building. The score by innings:

	1	2	3	4	5	6	7	R.	H.	E.
Students	2	0	0	0	0	2	4	9	9	
Furniture Co.	3	5	0	0	7	3	x	18	12	1

**CHURCH SOFTBALL LEAGUE ORGANIZING**

In order to promote closer unity and greater inter-church social activity the Young People of the Grey Presbytery of the United Church are organizing a Softball League which will include both girls' and boys' teams. At time of writing no definite information is at hand as to how many teams are entering but locally Queen St. and Zion churches have boys' teams and Hanover is understood to be organizing a team. Queen street and Knox both have girls' teams, and prospects are bright for several other teams in this vicinity. Queen Street and Zion young men's teams have played two games to date. The first, played at Zion on the occasion of the anniversary tea meeting, resulted in a win for the Queen Street boys by a one-run margin, the score being 12-11. The second game was played on the local diamond last Wednesday evening, when the town boys were again victorious, this time by a much larger margin the score being . . .

The Zion boys were unable to field a full team owing to seasonal activities on the farms and several town players were used to fill out their side. Plans for further games are going forward and the Hanover young men's team is expected to play here in the near future.

**Knox 17—Queen St. 5**

The second game between local girls teams took place Thursday evening when Knox Church girls trimmed the Queen Street ladies 17-5. As may be expected in a new organization no spectacular plays were witnessed but evidences of real ability were plentiful and with practise and coaching these

teams will develop into smart ball players. Neither team was able to field a full side and some members of the D.D.D.'s who were present filled the vacancies.

The lineup were:

Knox—Jean Murdock, Helen Young, Dorothy McDonald, Christine McCulloch, Olive Black, Thora Black, Evelyn Baird Norma Kelsey, Eileen Tucker.

Queen Street.—Elsie Goodchild, Ann Campbell, Clara Thompson, Mona McDonald, Lorraine Campbell, Genevieve Saunders, Susie Bell, Lucy Robins, Marion Moore.
