

No Paving To Be Done In Grey This Year, County Council Decides

County Council by Decisive Vote De-feated Resolution to Rescind One Passed Last January.—June Session Closed on Saturday.

There will be no paving work done in Grey county this year. This was the final verdict of the county council when the motion of Reeve McCauley of Flesherton to rescind one of last January's petitioning the minister of highways that no construction work be done this year, was decisively defeated. As a result the chances do not seem bright for the opening of the stone plant here this year. But the decision of the council is final, the highways department making it quite clear that there will be no paving in any county which does not want it.

The council had a busy session this June, and authorized a probe into the cost of administration of criminal justice on motion of Reeves Hunter and Philip of Egremont. Reeves White of St. Vincent, Holm of Normanby, and McDonald of Bentinck were appointed members of the committee, and "to take whatever action is necessary to get the required results." Reeve Lemcke of Sullivan and Deputy Haste of the same township had a motion carried to petition the department of game and fisheries to construct a fish hatchery in Sullivan township near Chatsworth.

At this session the council set the tax rate at nine mills, half a mill less than last year, this reduction to come out of the county roads rate. This leaves the general rate at six mills and three mills for county road work.

Although it is usual to pass the equalized assessment figures without change except periodically when special committees are appointed, there was some discussion. Reeve W. H. Hunter protested that Egremont's assessment was too high. Reeve M. J. Dillon stated he did not think the county's policy of levying a rate in one year for expenses for the next year was good business.

Reeve Mercer of Markdale inquired as to how the equalized assessment was arrived at and Reeve D. J. McDonald of Bentinck, a member of the special committee which reported on the equalized assessment two years ago, explained the manner in which the figures were reached.

The discussion was an echo of the stormy session in June of 1930, when the equalized assessment was last revised.

Reeve W. H. Hunter stated he thought an expert should be employed, in order that the assessments might be fairly set.

The Council recommended to the Minister of Public Welfare that Mr. A. E. Colgan of Markdale and Mrs. Wm. Dingwall be reappointed as Grey County's representatives on the Mothers' Allowance Board.

A number of grants were made Grey County Regiment was granted \$300, the Salvation Army Rescue Home in London \$300, each plowmen's association in Grey County \$20, and the three district Women's Institutes in Grey County \$20 each.

Deputy Reeve Lewis moved that Grey County Regiment's grant be raised from the \$150 recommended by the finance committee to \$300. He stated the militia of Canada was like an insurance policy. Reeve McCauley urged the raising of grant to provide for the comfort of the non-commissioned officers and men while training at Orillia.

"We may need our militia before this winter's up," he declared, stating the growth of unemployment might create a serious situation.

The grant was raised from \$150 to \$300.

A number of accounts, chiefly hospital accounts for indigent patients, were ordered paid and the Council authorized the payment of all such hospital accounts when certified by the Reeves of the municipalities of which the patients are residents.

The report of the printing committee recommended the payment of a number of accounts, none of them for large amounts. This report was adopted without discussion.

No Audit Necessary

A number of communications and accounts were read and referred to the appropriate committees. Among the communications was a letter from the Department of Highways regarding the request for an audit of County Engineer R. C. McKnight's accounts, this having been asked for by the engineer himself and by the Warden, at the request of the County Council. The Department's letter stated they could not see the necessity of an audit, since the engineer's accounts had been approved by Road Superintendent Johnston and the county roads committee, but stated

a better method of submitting accounts should be used, so that information regarding the different items would be available in future years.

A letter was also read from the deputy treasurer of the county, Mr. E. D. Bonnell, asking to be given a salary of \$600 a year, dating from January, 1932. Mr. Bonnell has up to the present received no remuneration.

Reeve Robt. J. White of St. Vincent introduced a motion to refer the matter of fidelity bonds for the treasurer and deputy treasurer to the finance committee. This motion was adopted. Reeve White explained that recent legislation had been passed by the Provincial Legislature this year regarding the matter. The deputy treasurer is not at present bonded and, in the event of the treasurer being unable to carry on his work, would not be able to take the work over, owing to the recent legislation.

Following are the amounts to be paid by the various municipalities to the county under the 9 mill rate: Artemesia, \$17,010; Bentinck, \$17,640; Collingwood, \$20,250; Derby, \$13,500; Egremont, \$21,960; Euphrasia, \$20,250; Gleneig, \$11,700; Holland, \$13,725; Koppel, \$12,150; Normanby, \$24,300; Osprey, \$16,650; Proton, \$19,800; Sarawak, \$2,825; St. Vincent, \$20,700; Sullivan, \$21,600; Sydenham, \$22,500; Durham, \$4,860; Hanover, \$9,900; Meaford, \$9,900; Thornbury, \$2,610; Chatsworth, \$1,215; Dundalk, \$2,565; Flesherton, \$1,485; Markdale, \$3,015; Neustadt, \$1,530; Shallow Lake, \$900. Total, \$313,650.

Committee Reports

The report of the finance committee, which was adopted without discussion, contained nothing of outstanding importance, consisting merely of recommendations that various minor accounts be paid, that the treasurer's statement of adjustment of accounts between the city of Owen Sound and the county be received and printed in the minutes and that the treasurer's statement of licensed auctioneers, hawkers and pedlars, as at June 2, be received and filed.

The report of the county property committee recommended the payment of a number of accounts and also recommended that the necessary repairs be made to the floor of the laundry at the Children's Shelter. The report was adopted without discussion.

The county roads committee report consisted of an outline of the annual survey of the county roads system and a number of recommendations regarding work to be done this year. The report was slightly changed in committee of the whole.

The committee recommended that a new 32-foot concrete bridge be built at Lot 18, Concession 1, Euphrasia, as the current has undermined the abutment of the old bridge and allowed it to go down, and that a new 10-foot concrete bridge be built at Lot 2, Concession 8 and 9, St. Vincent, as the old wooden one has broken in and does not serve the purpose.

The committee further recommended that Loughheed's Corner, south of Clarksburg, be widened and banked, if the land which is necessary can be procured by the Superintendent for a reasonable amount, and conditions at a watercourse and culvert near the corner be approved.

The Superintendent will have the cracks in the several urban centres filled so as to keep the water out and preserve the life of the pavements.

A number of expense accounts of members of the committee were recommended paid.

The report also contained a full account of the committee's spring trip over the county roads.

On April 26 the committee met in Owen Sound for the purpose of the spring tour of inspection and to make recommendations for a program of work for the summer season. The committee decided to have the pavement in Shallow Lake resurfaced as it was breaking in many places and to have the balance of the connecting link oiled.

On April 27 the committee went through Sullivan to the Bruce boundary line and south to the Wellington boundary, then by county road through Normanby, Egremont, Proton, and east through Osprey to Southampton, then via Maxwell to Flesherton and back to Owen Sound. The committee decided that the superintendent should have the outlet from one of the bridges in Sullivan improved by having timber removed and the inlet to a bridge north of Neustadt improved by having the timber removed, as the water was being diverted and damage to the road was probable. It was also de-

FURNITURE CO. WINS THREE STRAIGHT GAMES

Now Tied With Hockey Club for First Place.—Bachelors and Students Tied for Second.

Last week we chronicled the Furniture Co.'s first win of the season and in so doing made the remark that they seemed destined to occupy the cellar position for the season. Whether this had any effect on their recent showing we cannot say but the fact remains that they have shown a reversal of form and won their next two games making it three in a row, and now instead of occupying the cellar they are tied with the Hockey Club for first place.

Last Friday night they took on the Bachelors, who had also been having a winning streak, and defeated them 11-6. Then on Tuesday evening they tried conclusions with the Hockey Club and again were successful, this time by a score of 13-6.

Tuesday's game was a real thriller for the fair-sized crowd present. For five innings it was as close a contest as you could wish to see, but in the sixth the Factory put on a rally and away went the ball game. Starting off well the Furniture boys put three runners across the plate in the first inning and the Hockey Club came right back with two. The Woodworkers got one more in the second but were held scoreless in the third and fourth, while the Puck Chasers got two in the second and one each in the third and fourth. This put the score at 6-4 in favor of the latter and the Factory supporters seemed a little discouraged. But not for long. Dean, first man to bat in the fifth got a walk, and then after the next two men went out, Matthews hammered out a home run for his first and only hit of the game, and scored Dean ahead of him. This put new fight into the Factory players and for the balance of the game they held the Hockey boys scoreless, although they made a threat in the seventh, when Murdock reached third after connecting for a double, but the next three men going out in order left him there.

The sixth was the Factory's big inning when they scored five runs and put the game in the bag. McClyment led off and reached first on Murdock's bad throw. Goodchild walked and was put out at second when forced by Snell. Becker hit a home run to the school building and scored McClyment and Snell ahead of him. Dean singled, stole second and scored on Sparling's double and Sparling scored when Glenholme singled past second. Matthews reached second when "Hap" McGirr dropped his long fly and Glenholme was on third. Aljoe fled out to Bolger, and McClyment, up for the second time, went out Murdock to McIlraith. This made the score 11-6, and when Goodchild and Snell scored in the seventh, it merely extended the Factory's margin, the final score being 13-6.

Aljoe for the Factory and McGirr for the Hockey Club had the pitching assignment, but Aljoe had a little the best of the argument. He issued but one walk, and was touched for seven hits (a homer, a triple, two doubles, three singles), while McGirr allowed five walks, and was nicked for ten hits (two homers, two doubles and six singles).

The score by innings:
 1 2 3 4 5 6 7—R. H. E.
 Furniture Co. ... 3 1 0 2 2 5 — 13 10 7
 Hockey Club ... 2 2 1 1 0 0 0 — 6 7 7
 The line-ups:
 Furniture Co.—Snell, 2b.; N. Becker, rf. cf.; Dean, c.; Sparling, ss.; Glenholme, 1b.; Matthews, 3b.; Aljoe, p.; McClyment, lf.; Kearns, cf.; Goodchild, rf.
 Hockey Club—R. McGirr, cf.; Elvidge, ss.; Murdock, 3b.; C. McGirr, p.; McIlraith, 1b.; K. Wilson, lf.; W. Wilson, c.; Town, 2b.; Bolger, rf.
 Umpires—Plate, Martin Lauder; bases, K. Long, J. Petty.

With regard to the league standing we have an explanation to make to the Furniture Co. team. Last week we credited them with one win and three losses. This was an error. It should have been one win and two losses. It made no difference in last week's standing, but it would in the present standing, and we gladly make this correction.

League Standing

Team	Won	Lost	To Play
Hockey Club	3	2	4
Furniture Co.	3	2	4
Students	2	3	4
Bachelors	2	3	4

Harriet—"What makes Jerry so worried looking these days?"
 Juliette—"He's trying to figure out a way to marry me without getting mamma for a mother-in-law."

District Annual Meeting Of South Grey W. I.

Meeting Held at Amos Church Was Well Attended.—Officers and Delegates Appointed.

The South-Grey Women's Institute met in Amos church, Dromore, for their annual meeting, which was presided over by Mrs. V. Damm of Aytton. After the usual opening exercises Mrs. W. J. Philp welcomed the delegates to Dromore and Miss Minnie Seim, Aytton, gave the reply.

The president for her address took as her theme the words of our motto: "For Home and Country." Reports from Sec'y-Treasurers, the vice presidents who are expected to assist the president in visiting the various branches and from the secretaries of standing committees filled in the remainder of the forenoon session. Some of the activities of the various branches were remembering the sick and shut-ins in the community, giving assistance to hospitals and Children's Shelters, relief work at home and abroad, placing towels, first-aid kits and stretchers in schools, decorating halls, building an entrance to park, weed-pulling, donations to public libraries, etc.

The nominating committee was appointed to meet during the noon hour and brought in the following report at the afternoon session: President, Mrs. V. Damm, Aytton; vice-president, Mrs. P. Krauter, Crawford; 2nd vice-president, Mrs. E. J. Thorne, Holstein; 3rd vice-president, Miss C. Fletcher, Aberdeen; 4th vice-president, Mrs. G. Mackey, Campbell's Corners; secretary-treasurer, Mrs. J. S. McIlraith, Durham. Representative to County convention, Mrs. J. C. Cook, Zion; to Provincial convention, Mrs. V. Damm, Aytton; Auditors, Mrs. W. A. Glass, Mrs. A. C. Kinnee.

The speakers of the day were Mrs. Fred Sutton, Hanover, and Mrs. Joan Hamilton Shearer, of Poole. The former gave a report of the Provincial convention and also of the work of the Federation. Mrs. Shearer spoke on the courses put on by the department, which are free for the asking; of putting music in the schools and assisting our young people to find the best in life. She was a great help during discussion periods as was also Mrs. Wm. Dingwall, of Hopeville, past federal representative, who visited with us during the afternoon.

The musical part of the program consisted of selections by the Dromore quartette and community singing.

The receipts for the district were \$218.40 and the expenditures \$144.61. Receipts for the branches, \$273.46 and the expenditures were \$204.27. The Dromore Branch provided excellent meals and the delegates will not soon forget their efforts to make the convention a success.

MUD TURTLE IS WELL CARVED UP

Has Emerged From Teeswater River Several Times and Has Various Names Carved on Its Shell.—First Came Up Fifty-two Years Ago.

Last week from the murky waters of Teeswater river there emerged to be captured a mud turtle some 14 x 12 inches of top surface of shell. This denizen of the fresh water was first caught in Teeswater in 1890 and has the name of Matthew Scott cut into the shell, also W. Box 69. Again in 1900 it came to the shore and was carved up with W. P. 1900 and the initials T. E. It has been placed back in the water in 1932 again marked G. R., and T. MCP., J. H., H. E. and M. E.

Fifty-two years have elapsed since its first appearance in Teeswater waters, and has been in the hands of three different sets of captors. The Teeswater News wonders when it will show up again, how big it will be and how old it is now. The last to carve up the turtle were Mr. Gordon Russell and Mr. Thomas McPherson.

FERGUS MAN FATALLY INJURED

Neil Mattaini, 23-year-old son of Mr. and Mrs. Charles Mattaini, of Fergus, was instantly killed, and Clifford Carter and Neil Armstrong, both of Fergus, were seriously injured on Sunday morning, when the three youths in a car, together with Jack Kilpatrick, of near Elora, the owner of the car, collided head on with a truck driven by Albino Moretini, aged 27, of York Street, Hamilton, three miles south of Fergus, on the Guelph-Fergus highway. Moretini escaped with slight facial cuts, and Kilpatrick was not hurt badly enough to require medical attention.—Elora Express.

KNOX UNITED CHURCH HELD ANNIVERSARY

Treasurer of United Church of Canada Occupied Pulpit at Both Morning and Evening Services.

Fine weather and good congregations made for the success of the annual anniversary services of Knox United church last Sunday. Present for the occasion was Rev. Robert Laird, Toronto, treasurer of the United Church in Canada, who occupied the pulpit at both services. In the morning Mr. Laird took his text from Isaiah, "And a man shall be as a hiding place from the wind and a covert from the tempest, as rivers of water in a dry place, as the shadow of a great rock in a weary land." At the evening service he took for his text: "Bear ye one another's burdens" and "And hath made of one blood all nations of men to dwell on all the face of the earth." The services were well attended and the messages of the speaker much appreciated.

Special music by the choir was a feature of the anniversary, the solo parts being taken by Messrs. T. V. Bell, C. Lang and C. Graff.

MASONIC LODGE INSTALLED OFFICERS

Officers for 1932-33 Installed Last Friday Night by Rt. Wor. Bro. Grant, P.D.D.G.M.—Pleasant Hour Spent at Festive Board.

Last Friday night the officers of Durham Lodge No. 306, A. F. & A. M. were installed by Rt. Wor. Bro. J. F. Grant, P.D.D.G.M., and after the business of the evening was completed the usual banquet was served in the banquet hall. Following are the officers for the coming year:

W.M., Bro. Harold McKechnie; I.P.M., W. Bro. W. H. Kress; S.W., Bro. T. Henderson; J.W., Bro. J. D. McKechnie; Chaplain, Bro. B. D. Armstrong; Treasurer, W. Bro. C. H. Moffatt; Secretary, W. Bro. J. Morrison; S.D., Bro. J. F. Irwin; J.D., Bro. W. R. Alder; I.G., R. W. F. Hughes; Tyler, Bro. C. McGirr; S.S., Bro. J. Burt; J.S., Bro. W. McClure; D. of C., W. Bro. B. H. Willis.

OBITUARY

MRS. HENRY LOGIE

Mrs. Henry Logie, a well-known and highly respected resident of Brant, while conversing cheerily at the table about 7.15 o'clock on Thursday evening, June 16, at the home of her daughter, Mrs. Marshall Jacklin, in Bentinck township, suddenly collapsed and expired before aid could reach her side. A doctor, who was hurriedly summoned by phone, on arrival, pronounced death as due to a heart condition from which she had been troubled at intervals for some time.

The deceased, whose maiden name was Mary Teadorf, was born in Waterloo county about 67 years ago, and came to this section in early girlhood with her parents, the late Mr. and Mrs. John Teadorf, who settled near Elmwood on the townline of Brant and Bentinck. She was married about 44 years ago to Mr. Henry Logie, and with the exception of eight years, they spent all their married life on their present farm, lot 28, concession 4, Brant.

Besides her sorrowing husband, she leaves to mourn their loss a grown-up family of four sons and two daughters: John and Bert on the 5th concession, Brant, Edmund on the old homestead, Ernest of Hanover, (Emma) Mrs. Ed. Threldy of the 6th concession, Brant, and (Hilda) Mrs. Marshall Jacklin of Bentinck. The eldest daughter, Elizabeth, died about 15 years ago at the age of 27 years.

The funeral took place on Sunday afternoon, June 19, to St. Peter's Lutheran church and cemetery, Brant.

An Irishman was seated in a train beside a pompous individual, who was accompanied by a dog.

Irishman—"Poine dog ye have. What kind is it?"

Man—"A cross between an Irishman and an ape."

Irishman—"Sure, an' it's related to both of us."

Annual Decoration Service Sunday

Large Crowd Attended Odd Fellows' Decoration Service in Durham Cemetery.—Address of Day Given by Rev. Walter C. Almack.

The attendance at the annual Decoration service of Grey Lodge No. 169, I.O.O.F., at Durham cemetery on Sunday, must have been gratifying to the members of the Order, and the service itself most gratifying to those who attended. A beautiful, warm, sunny afternoon made for the success of the occasion, also, and besides the spectators, there was also in attendance upwards of 75 Odd Fellows and members of the local Rebekah lodge. Headed by the band the societies left their rooms and proceeded by motor to the cemetery, where the procession was again formed and the service completed.

"Blest Be the Tie That Binds," "The Church's One Foundation" and "Abide With Me" were the hymns chosen for this year's singing, and led by the band, the company present joined heartily in the singing. The usual form of service was carried out, with prayer by the Chaplain, P. Ramage, and the Odd Fellows' address by Bro. B. Stonehouse. The decoration of the graves was performed by members of the Lady Rebekah lodge, and as each basket of flowers was deposited, suitable reference was made by an accompanying Odd Fellow.

The address of the day was delivered by the Rev. Walter Corrie Almack of the Queen Street United church, who spoke on "The Love that will not let us go." In his remarks he referred to the Odd Fellows as a truly Christian organization and going hand in hand with the church in the dissemination of those things which tend to uplift humanity and for the good of the world. He referred also to the fact that while the world soon forgets, those who have passed on the Odd Fellows never do and their annual decoration service was evidence of the fact that the memory of deceased members of the order was ever green.

The service was in charge of Bro. Harry Falkingham, the Noble Grand of the local lodge, who at the close thanked the citizens for their co-operation in so fittingly remembering the members of the Order, and former deceased citizens.

CAUGHT IN MOWER KNIFE; CHILD KILLED

Little Herbert Watson Victim of Accident.—Horses Ran Away.

A very sad accident occurred at the farm of Mr. Harold Watson, St. Vincent Township on Tuesday afternoon of last week, in which his small son, Herbert, aged three, was so seriously injured that he died Wednesday morning in Owen Sound hospital. Mr. Watson was driving the mower when the team bolted. The little boy who was a short distance away was caught in the knife of the mower.

Dr. Eberhart, of Meaford, was rushed to the scene and found the little chap very seriously injured. He was taken immediately to Owen Sound hospital where he died Wednesday morning. The leg was terribly crushed as the boy was dragged quite a distance in the mower. His arm was also injured.

He is survived by his parents and a younger brother, to whom will go the sympathy of the community.

MARKED WEDDING ANNIVERSARY

Mr. and Mrs. Dan MacArthur, of town, are receiving the congratulations of their many friends on having passed the 35th anniversary of their wedding day last Thursday. In commemoration of this happy event, a family gathering was held at the home of their son, Mr. and Mrs. E. S. MacArthur, a mile north of town, at which many of the family circle were present, all of whom sat down to a wedding dinner, the table for which was graced with a four-story wedding cake, the handiwork of their daughter, Mrs. G. Coutts of Conn.

Mr. and Mrs. MacArthur were married 35 years ago at the home of the bride's parents, the late Mr. and Mrs. H. Stewart, and the whole of their married life has been spent in this vicinity. For a number of years they engaged in farming north of town on the farm now occupied by their son, and two or three years ago retired to Durham. The officiating clergyman was Rev. A. Janzen.

Friends of the much esteemed couple wish them many more years of happiness, in which the Chronicle joins.
