Famous Ohio Reinsman to Pilot Stars At Buffalo Meet

The Ohio reinsman, H. M. Parshall, leading race winning driver ofr the last three seasons, is again starring on the Grand Circuit with his big string of trotting and pacing stars. With Ankabar, Josedale, Mc I Win and others, he has been bowling 'em over on the raging grand, and already he has around twenty winning battles to his credit. Parshall has named practically all of his best stake horses in the feature events to be raced off at the Buffalo Grand Circut meeting, which opens next Friday at the Fort Erie track, and it is a safe bet that the young teamster will play an important part in the big show at Buffalo.

(Our Own Correspondent) Our pastor took for his text on Sunday the words "They need not go away." They were spoken by the Master to the disciples when He fed the four thousand by the miracle of multiplying the loaves and fishes. They were there from every rank and condition of life, the rich and the poor, the glad and the sorrowful, and He fed them all from the five loaves and two fishes from a boy's lunch basket. So if we yield our hearts and talents to Jesus He will bless them and feed

# Hockey Club Wins From Furniture Co.

Wins Tuesday's Game by 10-7.—Only One Game This Week.

Owing to weather conditions only one game was played this week in the Town League schedule, and that was on Tuesday evning when the Furniture Co. and the Hockey Club met. Friday night's game between the Bachelors and the Students was called after the first half of the fifth inning on account of rain and so was declared "no game" and will have to be replayed Tuesday's game just came through by luck, as it were, for rain started to sprinkle in the fifth inning, but cleared off enough to allow the game to fin-

The game Tuesday was a case of two teams playing about the same kind of ball and the decision going to the steadier team. Both teams had numerous fielding errors, but the Hockey Club seemed able to hold on in face of this and get hits when needed, while the Factory boys' batting seemed to suffer with their fielding and in four innings they were retired without a man getting past second base.

The game started out in great style. The Furniture Co. was retired in one, two three order, and the Hockey Club also went scoreless, although they got three hits. With two men down, Mc-Donald tried to make Bill Wlison's single good for two bases but was caught at the plate on a nice throw from centre field. In the second the Factory got four of their seven runs. Two doubles, a single and five errors made this possible, and when the Hockey Club was retired again with no score it looked as if it might be the Factory's night. The next inning, however, changed all that. While the Furniture boys went scoreless the Puck Chasers ran in a total of five. A double and a single and four errors, two of them in one play, were responsible for this and almost immediately the change was seen in the Factory's batting. The next two innings they were retired without even threatening a run. Only one hit went beyond the infield. In these two innings the Hockey Club added three more to their total, making it 8-4. In the sixth and seventh the Factory scored three, and the Hockey our souls with the bread of life, and Club two in the sixth, the final score speaks to us today as He spoke to them

being 10-7. This win places the Hockey Club in first place alone, and the Furniture Co. in third. Much depends on the game to be replayed between the Bachelors and the Students, and when it is played a good crowd should be on hand. Score by innings:

The Hanover team are playing the return game on the local diamond tonight (Thursday) and a real game is in store for those attending.

JUNIOR LADY GREYS FAIL TO APPEAR

With the local girls on the diamond ready to play, and one of the largest crowds of the season on hand to witness the game, the junior Lady Greys, of Owen Sound, handed the local girls a public insult. They not only failed to appear, but sent no word of their inability to be present, and up to the time of writing have not seen fit to accord the local team an explanation of their action. Possibly they have a good legitimate reason for not being on hand, after making arrangements to play, but it will take considerable explaining to get rid of the fact that they did not notify the local girls of the

Won in Mount Forest On Monday evening the D.D.D.'s played a return game with the Mount Forest girls and again were the winners this time by the score of 18-6.

#### Should Be Checked Up

It is about time the umpires of our local softball games did some checking up on the practise of a number of players of charging into infielders, who are fielding a hit or thrown ball, in an effort to make them miss or drop the ball. Last Tuesday evening a flagrant offence of this kind took place in the sixth inning when a runner who had made a long hit was running from third base to home, and charged into the catcher who was out behind the third baseline fielding a long throw from the outfield. The runner rounded third, ran wide of the line, crashed into the catcher and put him off balance and then returned to the base line and touched the plate. It is argued that a runner has three feet either side of the base line to run in. That is correct, but that three feet is provided to allow the runner to avoid a fielder who may be fielding the ball right on the base line, not to allow him to run wide and crash into a fielder who is behind or in front of the line. The rules provide that a base run-
