It was Grandmother's Day on Friday when Mrs. Gorman Johnston entertained the Aberdeen Women's Institute for their August meeting. Forty-six members and visitors were present. After the business period a most delightful and entertaining programme was enjoyed. A chorus by the Grandmothers, "When You and I Were Young, Maggie," was the opening number, followed by a humorous solo by Mrs. Vessie and a duet by Mrs. Lamb and Mrs. William Noble. Excellent readings were given by Mrs. H. Hopkins on Grandmothers, and a poem, "A Boy's Version of a Grandmother," and by Mrs. Ewen "A Recipe for Better Citizens" and a poem "The Cry of the Dreamer." Mrs. Will Noble also gave a splendid reading, "Halfway Across." An enjoyable contest was conducted by Mrs. Lamb on "Things Our Grandmothers Didn't Have." The prize went to Mrs. T. Milligan.

**NEW SOFTBALL OUTFIT NOW OPERATING**

Since the finish of the championship series of the Durham Softball League a new softball organization has sprung into being in town and judging from the attendance at the two games already played and the enthusiastic rooting and hilarious comments heard after each game it bids fair to rival if not outdo the regular town association in popularity. We cannot say whether a regular schedule has been drawn up, who the prime movers are or how many teams will eventually operate but we do know that at present three teams have been in action, and what action! Campbell's Canaries, of whom "Bob" Campbell is coach and manager, Saunders' Skylarks, with "Bob" Saunders as pilot and Saunders' Froth Blowers, of which "Mac" Saunders is organizer, are the teams which have shown their abilities so far on the diamond, and the end is not yet.

Last Thursday evening the Canaries and the Skylarks opened the proceedings with a game which numerous fans have claimed was the best entertainment ever put on locally. The fracas went to nine full innings and ended in a 25-13 score for the Skylarks. Going into the ninth the score stood at 15-13, but the Skylarks took off for a high flight and before the Canaries could bring them back to earth ten runs had been pushed over the plate.

On Monday evening the Froth Blowers came out with the intention of taming the Canaries, and from the way they started out it looked as if they were going to make a job of it. In the first two innings they hammered "Bob" Campbell's offerings for 13 runs, while the best the Canaries could do was to get six. It looked bad for the Canaries, but in the next innings they collected nine runs to their opponents four and got within striking distance once more. The Froth Blowers however, after taking several deep breaths were away once more and piled up another lead until going into the last half of the sixth the score stood at 24-16 against the Whistlers. By this time it was half dark and they made full use of their opportunity, and by the time the third man was put out they had collected eight runs, and tied the score.

The line-ups used in the two games by the teams are as follows:

Canaries—Bob Campbell, c.p., Duke Schutz c, Dan McCallum 1b, C. Herr-
