

WITH THE CHURCHES

BAPTIST MISSION CIRCLE

The Women's Mission Circle of the Baptist church held their September meeting at the home of Mrs. T. McComb. The president, Mrs. Priest, presided and opened the meeting with a hymn, "Joy to the World" and prayer by the president. This was followed by the hymn "Sweet Is the Work My God, My King." The scripture reading was by Mrs. Kinnee from the 42nd Psalm. There was a solo by Mrs. J. Browne, "Brightly Beams Our Father's Mercy," and a season of prayer led by Mrs. McComb. Roll call was answered by a verse of scripture, the key word, knowledge. A short reading was given by Mrs. McComb on "The Bible, the Word of God." This was followed by a reading by Mrs. Thompson which was very much enjoyed. There was a reading by Mrs. Priest, "Miss Simmons at Work" telling about her work in India. The meeting closed with the singing of a hymn and prayer by Mrs. Moffet.

At the close a short meeting of the Ladies' Aid was held when plans for work and other business were discussed. The meeting closed with prayer by Mrs. Browne. Mrs. McComb and assistants served a dainty lunch.

ROCKY SAUGEEN W. M. S.

Rocky Saugeen W. M. S. met at the home of Mrs. J. Lynn, on September 7, with an attendance of twenty members and visitors. Mrs. John McKechnie conducted the meeting and opened by singing the Doxology. Mrs. Vessie read the Scripture lesson from the 16th chapter of St. John. Prayer was offered by Mrs. McKechnie, followed by singing hymn 579. The minutes of the last meeting were read and approved. It was decided to hold the Thanksgiving meeting on Friday, Oct. 7, when a special speaker will be present to address the meeting. Mrs. Vessie offered a short prayer, Miss McCracken read a splendid paper on "He Was Neighbor", Miss Banks read an extract on the life and work of Rev. A. McGillivray. Mrs. Wilson of Durham was present and rendered two beautiful solos. The closing hymn was 386, and the Lord's prayer in unison closed the meeting.

KNOX W. M. S.

The monthly meeting of the W. M. S. of Knox United Church, met in the school room of the church on Thursday, Sept. 8, with Mrs. Mather presiding. The meeting opened with Hymn 374 and the Lord's Prayer in unison. After disposing of the minutes, the visitors' report and other business, Hymn 606 was sung, and Mrs. Stonehouse took the devotional leaflet, the Bible reading was taken by Mrs. McIlraith from 10th chapter of St. John and other portions of Scripture bearing on the subject and before reading

all the members recited together, 23rd Psalm. The society was very fortunate in having a speaker for the afternoon Mrs. Murray of Flesherton, President of Grey Presbyterial, who gave her impressions of the Whitby School of Missions. Mrs. Murray spoke of the men of the church and of the missionaries who took part in the program and stated that what to her was the outstanding theme of all was Jesus Christ. Mrs. Murray also spoke of the wonderful addresses and prayers, and of the beautiful fellowship among all those taking part. The address was so full of help and ideas for the Society, that it is impossible to tell of all, but that it was enjoyed and appreciated was very evident in the hearty vote of thanks given the speaker.

A duet by Mrs. Stonehouse and Mrs. W.F. Smith, and prayers by Mrs. Ramage and Mrs. Wm. Derby Sr., followed by Hymn 571 and the closing prayer by Miss McGirr ended the devotional part of the service. A cup of tea was served and a pleasant hour concluded the meeting.

PRESBYTERIAN W. M. S.

On Friday afternoon the Women's Missionary Society of the Presbyterian church met at the home of Mrs. William McFadden.

Mrs. Patterson presided over the meeting which opened with hymn 390 and prayer by the president. Mrs. Smith read the Scripture. A splendid paper on "The Outstanding Need of the Christian Church," was given by Mrs. A. Derby. Mrs. Sharpe took the study book and Mrs. Grant gave a paper on the same chapter, "Dr. J. McBean in Canton, China." Dr. McBean is now home on furlough, after giving twenty-five years of service in China. The roll call was answered by a verse of Scripture on "Power." Hymn 501 was sung and short prayers were offered by Mrs. Burgess and Mrs. Alexander. The meeting was brought to a close by repeating the Lord's Prayer in unison.

BRIDE-TO-BE HONORED

Knox Young Woman's Auxiliary were entertained for their opening meeting of the season at the home of Mrs. Geo-Bell on Monday evening, September 12. The meeting was also the occasion of a miscellaneous shower in honor of Miss Marjorie Ritchie, bride-elect. The basket, daintily trimmed with mauve and yellow, contained many lovely and useful gifts. Miss Ritchie, who was taken entirely by surprise, expressed her thanks in a few appropriate words. The evening was pleasantly spent in contests of various kinds. At the close of the meeting light refreshments were served.

The day is coming when the fellow who has horse sense will be considered terribly old-fashioned.

HYMENEAL

GRANT-KYLE

St. Andrew's United church, Cargill, was the scene of an interesting wedding Saturday when Margaret Grace Connell, only daughter of Mrs. Charles Kyle, and the late Charles Kyle, was married to Campbell Grant of Walkerton, son of William Grant and the late Mrs. Grant of Mount Forest. Rev. W. M. Lee of Alliston officiated, assisted by Rev. Henry Brand, pastor of the United church. The floral decorations in the church were unusually beautiful, masses of ferns and palm intermingled with tall stands of gladioli and zinnias. The guest pews were marked off with white ribbon and baby mums. The bride, escorted up the aisle by her cousin, Harry Clark of Weston, and given in marriage by her mother, looked lovely in her wedding gown of white bridal satin made on princess lines with fitted bodice and long tight sleeves. The full ankle length skirt formed a train. Her veil was of real lace, tulle forming the cap and was held in place by orange blossoms. She carried a shower bouquet of butterfly roses, orchids and lily of the valley. Miss Gretchen Schwindt of Walkerton, as bridesmaid, wore a beautiful gown of old lace made with a small jacket. Her hat of brown velvet was made in turban style and she carried talisman roses. The best man was Roy Grant of Mount Forest, brother of the groom, and the ushers were Dr. Harold Robinson and Eldridge Truax of Walkerton. Mrs. Huntley Gordon of Detroit sang before the service and during the signing of the register. Mrs. Harold Robinson presided at the organ. After the ceremony a reception was held at the home of the bride's mother, when Mrs. Kyle, wearing a gown of black velvet, with hat to match and corsage of orchids, received with the bridal party. Later the bride and groom left for a wedding trip up the Saguenay and by motor through the New England States. The bride travelled in a gown of brown pebble crepe, brown tweed coat with lynx collar, hat, shoes and accessories to match. On their return Mr. and Mrs. Grant will reside in Walkerton.

HOPKINS—MACCUAIG

Of special interest to the many friends of the bride, in Priceville and vicinity is the announcement of the marriage of Miss Pearl Lillian MacCuaig, youngest daughter of the late Mr. and Mrs. Archibald MacCuaig of Top Cliffe, Glenelg, to Clarence Willard Hopkins, son of Mr. and Mrs. J. Hopkins of Breckenridge, Michigan. The marriage was performed on Thursday, September 8th at the home of Rev. H. H. Savage, pastor of the First Baptist Church, Pontiac. They were unattended. Mr. and Mrs. Hopkins will reside at 33 Stout St., Pontiac, Michigan.

SIMMS-FAIRNIE

A very pretty wedding was solemnized on August 10 at Loring United church when Betty Fairnie, only daughter of Mrs. D. Fairnie, Durham, Ontario, was united in marriage to Mr. Walter Simms, son of Mr. Charles Simms, Sr., and the late Mrs. Simms, of Loring. The Rev. J. A. Jenner officiated. The church was prettily decorated with flowers, and an archway of evergreen and wedding bells, under which the bridal party stood. During the signing of the register, Misses Erla and Helen Bain, nieces of the groom, sang "The Voice That Breathed O'er Eden." Mrs. Ivan Donnelly presided at the organ. The bride, who was given away by her uncle, Mr. Walter Thomson of Durham, was charmingly gowned in a dress of white satin and lace made in long fitting lines, and wore a net veil caught in cap effect by a wreath of orange blossoms, and clusters of orange blossoms at the sides. White shoes, stockings and gloves completed the costume. The bride carried a bouquet of pink roses, baby's breath and fern. The bridesmaid, Miss Catherine D. McLean of Aberdeen, wore a flowered georgette dress with white hat, gloves, shoes and stockings. She, too, carried a bouquet of roses, baby's breath and fern. The little flower-girl, Miss Marjorie Simms was sweet in pale pink organdie and carried a silver basket with pansies, nasturtiums, roses and fern. The groom was attended by his youngest brother, Herbert Simms. After

the wedding, friends gathered at the home of Mrs. Charles Simms, Jr., where a buffet luncheon was served. The following day the happy couple left for a trip to Lake Sagamesing for a week. On their return they will reside in Loring, Ontario.

How's This One ?

The young thing was packing her bathing suit in her bag preparatory to going to the beach. Her mother looked at her blushing. "Do you think you ought to wear that when you go in bathing?" she protested. "Why mother, of course. All the girls wear something."

BEAUTY HINTS

A radiant complexion may be the gift of a fairy godmother but if you don't keep it polished it will tarnish.

If you are very young you may be troubled with blemishes. Even if you are older there may be certain acids in your system that need a corrective diet, in order to make your face clear and lovely again.

Of course, the skin must be kept scrupulously clean, both on the inside and outside. Drink lots of water. Probably nothing is more uninteresting than a glass of warm water before breakfast, but if you will drink one, or more if you can, regularly, you will retain the sparkle in your eye, the lilt in your voice and the rose flush in your cheeks. A few drops of lemon juice added to the water may make it more interesting.

Drink water often during the day. If you have a habit of relying on soft drinks to quench your thirst, substitute water. Water that is too cold, or iced, is not as helpful as water that has a higher temperature. Iced water chills the system too thoroughly.

Watch your diet. You may be as fond of whipped cream and walnut fudge as the gods of Olympus were of their ambrosia, but the very fact that your face isn't going to tell an interesting story if you indulge in them should make you cross them from your menu.

Eat simple, nourishing vegetables and salads. Avoid heavy mayonnaise as a dressing. Try puddings and fruits for desserts. Let stimulants go by the board. You will face life with much greater facial beauty. When your complexion has cleared, practice moderation.

If you have a desire to squeeze a raised spot on your face, hoping that the pressure will flatten it, remember that you will probably injure the cell pores. Moisten a pad of cotton with hot water

Wholesalers are demanding cash these days from the retailers in order to keep their doors open, they say. The retailer, in turn, will have to adopt a more or less cash basis. Here is an intimation given by a country shop-keeper to slow paying customers:

"All persons indebted to our shop are requested to call and settle. All those indebted to our shop and not knowing it are requested to call and find out. Those knowing themselves indebted and not wishing to call and settle, are requested to stay in one place long enough for us to catch them."
